# WELCOME TO THE TOWN OF VINCENT!

Vincent is one of Perth's most sought-after places to live, work and recreate in – from our iconic landmarks, celebrated heritage, future visions, thriving commerce, encompassing sporting pursuits, lively town centres and tranquil parks we embrace our diversity and celebrate our enviable lifestyle. We pride ourselves on our reputation for being a vibrant, progressive and inclusive municipality and I am delighted to welcome you to our Town.

On behalf of my fellow elected members and all the administration staff, I look forward to your joining our close-knit Vincent community.

As you may be aware, in 2005 the Town of Vincent submitted a proposal to the Local Government Advisory Board to have its boundaries altered to include the area in which you live or own property. On 9 February 2007 the Town was advised of the decision regarding the proposed boundary changes.

The Town is very pleased with the approval to transfer a part of Glendalough east of the Mitchell Freeway from the City of Stirling into the Town. The Town is also looking forward to assuming responsibility for parts of the City of Perth, north of the Graham Farmer Freeway.

The Town of Vincent has been working closely with the Cities of Stirling and Perth to ensure that a smooth change-over takes place on 1 July with as little impact as possible on residents, ratepayers and business proprietors in the areas.

In this brochure we have outlined the new boundaries and provided some relevant information about the Town's services. Glendalough residents will be contacted in due course regarding the possibility of a suburb name change to Mount Hawthorn.

We trust that the information is useful to you. Should you have any queries, please contact the Town's Customer Service Centre on 9273 6000.

Welcome to Your Town!

Yours sincerely
