## INTRODUCTION

The City of Vincent Code of Conduct (the Code) provides employees with clear guidelines for the standards of professional conduct expected of them in carrying out their functions and responsibilities. The Code addresses the broader issue of ethical responsibility and encourages transparency and accountability.

The Code expresses the City of Vincent’s commitment to high standards of ethical and professional behaviour and outlines the principles in which individual responsibilities are based.

The Code is complementary to the principles adopted in the *Local Government Act 1995* (the Act) and associated regulations, which incorporate four fundamental aims:

- (a) better decision-making by local governments;
- (b) greater community participation in the decisions and affairs of local governments;
- (c) greater accountability of local governments to their communities; and
- (d) more efficient and effective local government.

### Statutory environment

The Code addresses the requirement in section 5.51A of the Act for the CEO to prepare and implement a code of conduct to be observed by employees of the Local Government, and includes the matters prescribed in Part 4A of the *Local Government (Administration) Regulations 1996*.

The Code should be read in conjunction with the Act and associated regulations. Employees should ensure that they are aware of their statutory responsibilities under this and other legislation.

### Application

For the purposes of the Code, the term employees includes persons employed by the City of Vincent or engaged by the City of Vincent under a contract for services.

The Code applies to all employees, including the CEO, while on the Local Government’s premises or while engaged in Local Government related activities. Clause 3.15 of this Code (Gifts), does not apply to the CEO.

## VALUES & VISION

In October 2018 Council adopted a new ten-year Strategic Community plan with the following vision: "In 2028, the City of Vincent is a leafy and vibrant 24-hour city, which is synonymous with quality design and sustainability. Its diverse population is supported in their innovative endeavours by a Council that says YES!"

The community wants us to be a Council and an organisation that is clever, creative and courageous; that is in tune with community appetites and expectations; open-minded and willing to push the boundaries and willing to think and act as an enabler rather than a traditional local government regulator.

What does being clever, creative and courageous local government mean in practice?

- **Clever:** we always choose the simplest, quickest and most cost effective way to deliver our services.
- **Creative:** we find new and different approaches to get better outcomes for the community and the City.
- **Courageous:** we will manage the risks in being clever and creative but still take action.

As part of the implementation of the Strategic Community Plan, in December 2018, the Chief Executive Officer (CEO) conducted a staff consultation to update the City's organisational values reflecting the new

Strategic Community Plan and a Team Vincent approach to building innovation and strategic thinking capabilities.

The corporate values chosen to guide a clever, creative and courageous organisation were: 'Engaging', 'Accountable', and 'Making a Difference'.

- **Engaging:** Listening, understanding and communicating is the key to our success
- **Accountable:** We work openly and transparently to earn our community's trust
- **Making a difference:** Our work improves our community and the lives of our residents
