Wednesday, 19 May 2021 at 5.30pm

Venue: Function Room  
City of Vincent  
Administration and Civic Centre  
244 Vincent Street Leederville

### Attendees:

#### City of Vincent Councillors

Cr Joanne Fotakis (Chairperson) (JF)  
Cr Sally Smith (SS)

#### Community Representatives

Ms Paula Hart (PH) Ms Suzanne Worner (SW)  
Ms Claudia Alessi (CA) Mr Eduardo Cossio (EC)

#### City of Vincent Officers

Tara Gloster, Manager Policy and Place (TG)  
Lauren Formentin, Place Planner – Pickle District (Arts) (LF)

#### Apologies

Ms Sioux Tempestt (ST) Mx Johnny Doan (JD)  
Mr Nathan Giles (NG) Ms Alexandra Thomson (AT)

.....

### 1. Welcome/Declaration of Opening – Acknowledgement to Country

- JF opened the meeting and acknowledged the traditional custodians of the land on which the meeting was held.
- Consider next meeting to be longer and perhaps in the Pickle District.
- JF gave overview on recent documents, including the Pickle District Place Plan.
- Pickle District After Dark event was great, many from the AAG attended and thought it was very successful.
- Discussed late change to meeting agenda due to staffing changes, will move 'Arts Development Plan Review and Arts Development Strategy Overview' item to next meeting, and instead have added 'Arts Rebound: Town Centre Artworks' item to today's meeting.

### 2. Apologies

Mx Johnny Doan (JD), Mr Nathan Giles (NG), Ms Sioux Tempestt (ST) and Ms Alexandra Thomson (AT).

### 3. Previous Minutes

Minutes from the previous meeting held 7 April 2021 were tabled for discussion. No comments or amendments were made.

### 4. Business

#### 4.1 Percent for Art Policy Review and 4.2 Public Art, Murals and Art Collection Policy Review (LF)

- Discussed City of Perth policy and their definitions of Artist and Public Art
- Differentiate between artwork types in the policy – e.g. interactive vs standalone
- Developer guidelines to be more specific and address outcome issues

- If the artist component is not 100% of the artwork application as there are significant fabrication/build/installation elements how does the outcome be quality controlled
- Purpose of the policy: it holds us to account to achieve the outcomes we want
- Public art definition needs to include:
  - Visual or solid – interactive or sculpture
  - Public – not in a private setting
  - Functional, integrated or free standing/ standalone
  - Ephemeral – yes, supportive of this
  - Arts/creative infrastructure e.g. studio space – in theory yes we would support this, but in reality/practice it would be difficult to ensure spaces are maintained and it is very resource intensive to manage these types of spaces ongoing
- Discussion on ground floor land use and what this could be, could arts outcomes be delivered at the ground floor
- Professional artists definition to:
  - Differentiate between emerging and established – they are very different, not related to age but the level of experience. Consider how these could be related to mentoring opportunities
  - Include **culture** to recognise refugee and immigrant culture as well as Indigenous
  - Include all different backgrounds and abilities e.g. disability
  - Consider how shortcomings on things such as experience can be rectified through a **team/collaboration** approach (can consider this through the current EOI)
  - Be careful around collaboration / team wording as this should encourage emerging and experienced artists working together rather than promoting big companies (e.g. UAP). Independent artists should always be promoted
  - Be specific about what the team is (who) and be transparent about the details of this
  - Consider attribution – ensure that artworks always attribute the artist not the management/consultant/fabrication company – be clear about all the people involved

**4.3 Arts Rebound: Town Centre Artworks EOI feedback (LF)**

- What does team mean? What collaboration opportunities are there?
- What is a capability statement – is that wording recognised?
- Give a weighting to local based artists in Vincent in the EOI assessment criteria
- Maximum number of pages allowed for previous works for individuals vs teams – make this fair
- Check objectives from ACS in regards to the Leederville location
- Administration to research and generally know more about great art around the world – how would this fit in with our policies (something to discuss at later meetings), could also potentially include these in the developer guidelines

**5. Close/Next Meeting**

Next meeting 30 June 2021 will have the following items:  
 Perth International Jazz Festival presentation (Guest)  
 Pickle District Place Plan presentation (JJM)  
 Arts Development Plan Review and Arts Development Strategy Overview (ZT)

### 4. Items for Discussion

#### 4.1 Cultural Education Program

NS presented a draft Cultural Education Program for feedback.

MK suggested reaching out to Christine Coin as an employment expert working in this field especially regarding mentorship of supervisors

JH recommended including Acknowledgment of Country signs in meeting rooms and added to agenda templates to encourage Acknowledgement of Country at all meetings.

MK consider extending volunteering leave to include leave to attend Aboriginal Cultural experiences to celebrate successes and positives, not only negatives.

Cr Loden queried if the plan includes specific training for roles. NS wanted to embed the consistent training first before exploring role specific training.

**ACTION: 1) Draft Cultural Education Program to be circulated with minutes with a deadline for RAPWG feedback.**

#### 4.2 Robertson Park Development Plan

KB presented an overview of the Robertson Park Development Plan and sought advice on appropriate people to engage.

Working Group members recommended reaching out to Gordon Cole, South West Land and Sea Council, Karen Jacobs, City of Perth Elders Group.

RH noted that Robertson Park is a significant wetland and gathering place. Opportunities to involve Noongar people in choosing native vegetation, interpretive signage and other elements.

MK noted there are lots of examples on how to bring Noongar elements into public spaces through signage and art.

GC noted the City was successful in applying for a heritage grant to develop interpretive strategy at some significant sites including Robertson Park.

KB noted the consultation included a question seeking support for possible dual naming Robertson Park.

**ACTION: 2) More information on Heritage Grant to develop an Interpretation Strategy for City of Vincent Aboriginal Heritage Trail to be provided at next RAPWG.**

#### 4.3 Innovate Reconciliation Action Plan (RAP) Update

GC presented the current Innovate RAP tracker and noted the deliverables unlikely to be achieved by end June 2021. Particularly in the areas of engagement, employment and procurement.

DL recommended reaching out to Perth Elders Group rather than establishing our own.

Working Group members supported seeking support from an Aboriginal business to develop engagement plan.

Discussed importance of embedding procurement from Aboriginal business in City processes.

**ACTION: 3) NatS or GC to contact City of Perth to investigate opportunities to develop relationship with City of Perth Elders Group.**

#### 4.4 Planning for our next RAP

GC provided update on meeting with Reconciliation Australia and recommendation to plan for another Innovate RAP.

Cr Loden suggested he was comfortable with that approach given review of current RAP status and Innovate tracker.

RH noted it needed to be an Innovate RAP with Stretch RAP elements to push ourselves further.

**ACTION: 4) Draft Innovate RAP to be developed and circulated to RAPWG in advance of next meeting.**

#### 4.5 Reconciliation Week

NatS presented City activities planned for Reconciliation Week to include:

- On country learning experience with Barry Maguire for staff at Hyde Park (Boodjamooling)
- Reconciliation Week banners displayed
- Social posts on Sorry Day and throughout Reconciliation Week

- staff e-signature changed in the lead up to and during Reconciliation Week.

RAPWG members felt planned activities didn't go far enough considering the theme of Reconciliation Week is 'More than a Word'. Discussed turning the proposed staff event into a community event to reach more people.

**ACTION: 5) NatS to contact Barry Maguire and change staff event to community event and seek other opportunities for staff event.**

#### 4.6 Beatty Park Artwork

**ACTION: 6) updated designs from Kardy Kreations for the murals at Beatty Park will be circulated with minutes for RAPWG awareness**

#### 4.7 Formal request to rename Weld Square by Stirling Street Action Group

**ACTION: 7) more information on the request relating to Weld Square will be circulated with the minutes.**

#### 4.8 Aboriginal Community & Stakeholder Engagement Plan

Discussed Aboriginal Stakeholder Engagement Plan as an action arising from Innovate RAP discussion and seeking an Aboriginal business to do this work such as Kim Bridge based in Leederville or Danny Ford.

MK – suggested also reaching out to Gordon Cole for recommendations.

**ACTION: 8) GC to contact Aboriginal businesses to determine capacity to develop an engagement plan in line with City's draft Stakeholder and Community Engagement Framework.**

#### 4.9 Update on dinner for Aboriginal residents and Indigenous Forum

Sought clarification on the action items for a dinner and a forum. RAPWG suggested that there are not many Aboriginal residents so not a big event envisaged. The forum and dinner could potentially be the same day.

#### 4.10 Update on Uluru Statement from the Heart

GC presented letters from Hon Ken Wyatt AM MP and Hon Linda Burney MP in response to the letters sent showing Vincent's support for the Uluru Statement from the Heart as per the Council recommendation from Council Workshop on 15 December. The letter from Hon Ken Wyatt invited the City to provide feedback to the proposed features of an Indigenous Voice.
