4. Business

4.1 Youth Development Grants

Cr Gontaszewski recapped that the City's Youth Development Grants are under review with the assistance of the Children and Young People Advisory Group (CYPAG). Concerns have been raised with the current funding stream as it does not have a large uptake nor does it reduce barriers. Similar funding streams have been identified and are available to the community through State and Federal Grants programs. The CYPAG will need to take into consideration the current funding gaps in the community in order to provide informed proposals. This matter will be held over until the next meeting however, the following comments were made:

- Brainstorming session is required with broader group;
- Funding should not just be available for higher achievers; and
- Consideration needs to be given to children in need rather than providing to the other end of the spectrum.

ACTION: Workshop - Youth funding criteria at next meeting

4.2 Summer Concerts Event Planning

CDO advised that the EOI is currently under development. The following was discussed:

- Direct contact should be made with Churchlands Senior High School & Mount Lawley Senior High School as a large percentage of students reside within the City;
- Consultation should occur with Town Teams as they many have contacts the EOI can be sent to. For example, the community stage at the Mt Hawthorn Streets and Lanes Festival was popular but need to consider how to ensure audiences stay for longer than their friends set;
- Rock Scholars in Osborne Park are a possible organisation that the group can partnership with for further contacts;
- Mt Hawthorn Primary School Fair will engage current and past students to busk around the fairground during the event; and
- Ensure the EOI asks for YouTube channel or video link to identify the more serious performers whom this opportunity will provide more benefit to.

ACTION: CDO to compile a Project Brief detailing suitable locations, objectives, logistics and financial implications required for bands to perform at Summer Concerts

4.3 Festivals and Events Sponsorship Update

John Thompson provided feedback after last meeting from Foyer Oxford residents. Cr Gontaszewski noted that the Festivals and Events Sponsorship would be presented to the Ordinary Meeting of Council on 30 May 2017 for adoption.

4.4 Strategic Community Plan Update

'Imagine Vincent' was launched at the end of May. 'Imagine Vincent' is the community engagement campaign that will inform and develop the City of Vincent's *Strategic Community Plan 2018-2028*. This is being facilitated by consultant, Anna Kelderman from Shape Urban who was a guest last meeting and shared with the group the process of the Plan's development. A Community Workshop and Launch event will be held on 8 June and Joel Birch will attend on behalf of the CYPAG.

5. **Close/Next Meeting**
