**Payment to Mindarie Regional Council**

Payment to Mindarie Regional Council on 24 August 2021 for \$7,083,333 relates to operational changes arising from the strategic review of Mindarie Regional Council (MRC). This was approved during as part of the Annual Budget adoption in June 2021.

The MRC and BioVision have mutually agreed to terminate their processing agreement at the Resource Recovery Facility (RRF) with effect from 31 August 2021.

A number of the MRC's member councils have been progressively providing Garden Organics (GO) bins to their residents as a transition step. The organics collected in these bins is currently being processed by external recyclers. The City of Vincent is commencing a Food Organics Garden Organics service this year.

The change to organics handling in Perth, now and into the future, means that the RRF is no longer the most suitable processing infrastructure and technology for this material stream. The MRC will take ownership of the RRF and is currently assessing how best it can be used in the future.
