

7.4 ADVERTISING OF AMENDED POLICY - DIVERSITY ACCESS AND INCLUSION

Attachments: 1. **DRAFT Diversity, Access and Inclusion Policy**

RECOMMENDATION

That Council APPROVES the proposed amendments to the Diversity, Access and Inclusion Policy, at Attachment 1, for the purpose of community consultation.

PURPOSE OF REPORT:

For Council to approve, for the purpose of community consultation, the proposed amendments to the Diversity, Access and Inclusion Policy, as detailed at **Attachment 1**.

BACKGROUND:

The requirement of provisions outlined in clause 1.3 of the [Policy Development and Review Policy](#) were presented to Council Members through the monthly Policy Paper in September.

The [Diversity, Access and Equity Policy](#) (Policy) was endorsed by Council in December 2021 replacing the Access and Equity Policy adopted in June 2002.

During the review of the Policy in 2021, it was identified that there was a need to update the structure, language and style of the document. The intent of the Policy remained largely unchanged, although the scope was more clearly defined to include reference to diversity and the LGBTIQ+ community.

It was noted at the time that the City's DAIP was due to expire in June 2022 and that when undertaking community engagement for the project if any feedback received was applicable to the Policy, it would be considered during a secondary review to ensure that both documents were consistent and aligned to the needs of our community.

As a result, only minor changes to the Policy were recommended in December 2021.

A report submitted to Council on 17 May 2022 seeking approval for public consultation for the draft Access and Inclusion Plan emphasised that it would be supported by the City's Diversity Access and Equity Policy. It further noted that the Policy would be reviewed following the adoption of the AIP. This was to ensure all actions were addressed and achieved during the life of the plan.

DETAILS:

A review of the current Policy has shown that it does not meet best practice and needs to be updated to align with our AIP. The Policy also refers to strategic documents that have been superseded since it was last updated in December 2021.

The proposed changes to the policy, as marked up in **Attachment 1** are:

- a) Changing the name of the policy from Diversity, Access and Equity to Diversity Access and Inclusion.
- b) Updating references to other plans which have been superseded.
- c) Removal of the City's fax number as a contact method.
- d) Changing terminology to that which is considered best practice, noting that preferred terminology varies within communities.
- e) Broadening the scope of physical accessibility to include environmental accessibility to consider environmental elements such as noise, light, temperature and other factors.
- f) Recognising communication disability and, where practicable, supporting the use of communication aids such as Augmentative and Alternative Communication (AAC) boards and providing documents in Easy Read format on request.
- g) Updating principles within the policy to reflect the needs of diverse communities and contemporary best practices in the access and inclusion field.

CONSULTATION/ADVERTISING:

In accordance with the City's [Community and Stakeholder Engagement Policy](#), community consultation of all new and significantly amended policies must be provided for a period exceeding 21 days in the following ways:

- notice published on the City's website;
- notice posted to the City's social media;
- notice published in the local newspapers; and
- notice exhibited on the notice board at the City's Administration and Library and Local History Centre.

Public notice of this proposed amended policy will be provided following Council endorsement.
