

**6.5 DRAFT BIKE PLAN 2023-2028 CONSULTATION**

- Attachments:**
1. Draft CoV Bike Plan\_Rev1 05.04.23
  2. Bike Plan 2023-2028 Online Survey

**RECOMMENDATION:**

**That Council:**

- **RECEIVES** the Draft Bike Plan 2023 – 2028 at Attachment 2; and
- **AUTHORISES** the Chief Executive Officer to provide 21 days local public notice of the Draft Bike Plan 2023 – 2028 for the purpose of public consultation.

**PURPOSE OF REPORT:**

For Council to consider the Draft Bike Plan 2023-2028 for the purpose of undertaking final public consultation.

**BACKGROUND:**

The City of Vincent is currently in the final stages of the review and planned update of the existing Bike Network Plan 2013.

The Bike Network Plan 2023-2028 is a five (5) year plan detailing works that will align to the Long-Term Cycle Network plan (LTCN), developed by the Western Australian State Government.

**DETAILS:**

The City of Vincent successfully secured a Grant Funding agreement to review and update the Bike Plan from the Department of Transport (DoT) on 6 August 2021 for a total value of \$60,000. Grant funding is confirmed at 50% of the project value with the remaining funds provided by the City. The grant funding agreement has key milestone deliverables which the City is obligated to meet within the 2022-2023 financial year.

Administration engaged *Flyt* in January 2022 to assist with the review and planned update of the Bike Network Plan 2013. Currently *Flyt* and Administration have finalised the draft Bike Plan 2023-2028 (see attachment 1) and plan to undertake the final stage of community engagement in May 2023.

An important consultation challenge was to reach people who are not currently cycling and don't consider themselves cyclists. These people may own a bike but rarely use it. Connecting with these people and informing what's possible is an important part of the plan.

Timeline on Community engagement is as below –

Community Consultation In-Person – **December 2022** comprising –

- Cycling Plan team attended the Kyilla Community Farmers Market in December 2022 from 8am.
- Market gazebo and banners implemented by the City of Vincent.
- Hard copies of the community surveys made available at the event.

Community Consultation Online – **December 2022** comprising –

- Online community survey gained over 250 respondents (**Attachment 2**).
- Online community map portal - pin drop portal to enable community members to identify locations of:
  - missing cycling infrastructure.
  - poor cycling infrastructure requiring upgrade.
  - destinations that you would cycle to but don't and what is the barrier to cycling.

Community Consultation In-Person – **January 2023** comprising –

- Cycling Plan team attended the North Perth Town Hall in January 2023.
- Cycle maps were presented to and discussed with local residents.
- Feedback and comments noted by the Cycle team.
- Residents emailed with a follow up of questions which have now been answered.

The Cycling Plan focuses on a schedule of works for the next five years. These works aim to make parts of the aspirational LTCN into safe and comfortable cycling routes. Projects along the LTCN routes are eligible for additional funding from the state government's Western Australian Bike Network program.

In addition to the LTCN routes, the research conducted for the Bike Network Plan 2023-2028 has considered if any additional routes are needed to fill gaps and make a better network.

The new Bike Plan 2023-2028 action items are currently unfunded. Allocations of \$750,000 (funded 50% from DoT) is for the Norfolk Street – Safe Active Street project to be designed and delivered over the next 3 years.

Administration will seek funding for action items within the Bike Plan 2023-2028 from DoT and other funding sources including Cash in Lieu for Car Parking. As per the City's Local Planning Policy No. 7.7.1 – Non-Residential Development Parking Requirements the City has discretion over the expenditure of the cash-in-lieu funds collected on delivering projects which meet this definition, providing public transport infrastructure, walking and cycling infrastructure, parking infrastructure and demand management.

#### **CONSULTATION/ADVERTISING:**

Previous consultation is noted in the 'Details' section of this report. The final consultation is planned for May 2023 and will be followed by a report to Council in June 2023 noting and responding to community feedback and seeking formal consideration and adoption of the draft Bike Plan 2023-2024.

The progression of the draft Bike Plan 2023-2028 was discussed at the [30 March 2023](#) Sustainability and Transport Advisory Group (STAG) meeting.

#### **LEGAL/POLICY:**

Road Traffic Act 1974

#### **RISK MANAGEMENT IMPLICATIONS**

Low: It is low risk for Council to undertake final community consultation of the Draft Bike Plan 2023-2028. The Draft Bike Plan 2023-2028 has previously been informed by various consultation measures and will be extensively advertised to the community.

#### **STRATEGIC IMPLICATIONS:**

This is in keeping with the City's *Strategic Community Plan 2018-2028*:

##### Enhanced Environment

*We have minimised our impact on the environment.*

##### Accessible City

*Our pedestrian and cyclist networks are well designed, connected, accessible and encourage increased use.*

##### Sensitive Design

*Our built form is attractive and diverse, in line with our growing and changing community.*

##### Innovative and Accountable

*Our community is aware of what we are doing and how we are meeting our goals.*

**SUSTAINABILITY IMPLICATIONS:**

This is in keeping with the following key sustainability outcomes of the *City's Sustainable Environment Strategy 2019-2024*.

**PUBLIC HEALTH IMPLICATIONS:**

This is in keeping with the following priority health outcomes of the City's *Public Health Plan 2020-2025*:

**FINANCIAL/BUDGET IMPLICATIONS:**

There are no financial or budget implications that come from advertising the Draft Bike Plan 2023-208. All costs associated with consultation will be met through the City's advertising budget.

**COMMENTS:**

Nil.

CITY OF VINCENT

# BIKE PLAN

---

2023 - 2028

## ACKNOWLEDGMENT OF COUNTRY

The City of Vincent acknowledges the Traditional Owners of the land, the Whadjuk people of the Noongar nation and pay our respects to Elders past, present and emerging.

We recognise the unique and incomparable contribution the Whadjuk people have made and continue to make to our culture and in our community. We will continue to seek the input of the Traditional Owners.

The land on which we live, meet and thrive as a community always was and always will be Noongar land.

# BIKE PLAN ON A PAGE

## VISION

The City wants bike riding and walking to be the preferred mode of transport for short trips to, from and within the city and a viable, safe and efficient option for longer trips.

## CONNECTED NEIGHBOURHOODS

The City has taken the approach to address issues on the cycling network with a localised neighbourhood view, as well as a more holistic city-wide view.

The City recognises that increased levels of active transport use by residents, students, workers and visitors, will need to play a central role in enhanced neighbourhood connectivity - and the City plays a crucial role in delivering the networks and programs required to support 15-minute neighbourhoods.

## ENCOURAGE BEHAVIOUR CHANGE

How people feel about walking and riding plays an important role in whether they decide to walk or ride. Changing people's perceptions of active transport will encourage more sustainable travel.

Individual travel choices are often complex, with many interrelated factors - and the City recognises that making walking and riding the choice for localised trips requires a combination of good planning and design, safe and supportive environments, education and behaviour change.

## MEASURING OUR PROGRESS

Successful active transport infrastructure requires significant community engagement, planning and investment. The desired outcomes for this Bike Plan are:

### Increases In:

- Percentage of short trips made by people walking and riding in the city.
- People riding their bike in the city.
- Percentage of school children walking and riding their bike to and from school in the city.
- Perception of cycling safety, connectivity and effectiveness in the city.

### Decreases In:

- Percentage of short trips made by people using a vehicle in the city.
- Rate of crashes involving a pedestrian or bike rider in the city.

## INTRODUCTION

Every 5-10 years, the City of Vincent (the City) evaluates its cycle network to determine if it continues to meet expectations of the community and to identify where key opportunities to make improvements to enable the City to set priorities for future investment in cycling infrastructure and cycling programs.

This Bike Plan presents the priorities of the City over the coming five-year period 2023-2028. It does not set the annual works budget, which will be undertaken by the City each year as a separate process. Too often local Bike Plans have defined individual projects in a manner that constrains the solution from being appropriately developed and investigated through additional consultation with the community. This Bike Plan provides flexibility to ensure future cycling infrastructure and cycling programs can be developed with the community over time.

This Bike Plan presents a guide to assist the City to implement solutions that will address deficiencies in cycle infrastructure and develop programs to attract more people to cycle safely within our city. This approach has been agreed and supported by the Department of Transport (DoT) which encourages Bike Plans to be prepared with a broad brush and range of solutions presented for Council's consideration.

This Bike Plan has not been prepared purely for the existing confident rider. Whilst they represent an important part of the existing community that ride bikes, there is recognition that approximately two thirds of the community are interested in bike riding but are concerned about the safety of riding on roads and interacting with traffic. This includes children riding to school, families riding to parks, and people riding to work or the shops for the first time in a while. This Bike Plan has been prepared with each of these people in mind.

## OUR VISION FOR CYCLING IN THE CITY

Bike riding, along with walking, is the most sustainable form of transport, contributing to creating great places, cleaner local environments, healthier lifestyles and providing economic benefits to local neighbourhoods.

The City wants to increase the number of people riding and walking to work from 15% of residents in 2020 to 17% of residents by 2025 and 20% of residents by 2030.

The City wants bike riding and walking to be the preferred mode of transport for short trips to, from and within the city and a viable, safe and efficient option for longer trips.

By encouraging more people to choose bike riding and walking for everyday trips, we will improve neighbourhoods and the environment, reduce car use and traffic congestion and improve the general health of our community.

The City has identified some key actions to connect communities and encourage more people to choose active transport:

- Assist and support with delivering continuous and connected bicycle networks.
- Improve the safety and comfort of people walking and riding bikes by providing fit-for-purpose infrastructure and appropriate road speeds.
- Facilitate children's and young people's independent mobility by improving safe walking and bike riding options for travel to and from places of education.
- Encouraging a shift to walking and bike riding trips by delivering walking and cycling infrastructure to support mode shift.

# POLICY AND STRATEGY CONTEXT

## WA Bike Network (WABN) Plan 2014-2031

At the time of the development of this Bike Plan the latest version of the WABN Plan 2014-2031 is the 2017 update.

The City recognise that it is important to align with the principles and conditions set out in the WABN Plan in order for the City to obtain future State Government funding grants administered by DoT. Some of the key actions of the WABN Plan that are most relevant to the City are:

- Connecting Schools Program
- Perth Bicycle Network Grants Program
- Long Term Cycle Network for Perth
- Safe Active Streets Program

Other key actions such as Development of a Counting and Monitoring Strategy and Expansion of the Principal Shared Path (PSP) Network, have relevance to the implementation of cycling infrastructure in the city but provide less of a framework than the previously noted key actions.

## City of Vincent Accessible City Strategy 2020-2030

The City's Accessible City Strategy creates a new framework to re-prioritise the movement of people of all ages over and above the movement of vehicles.

The Strategy links the reduction in liveability and amenity as car use increases - with congestion reduction to be addressed through mode shift not road widening. All strategies are based to work towards lowering carbon emissions.

The Strategy clearly outlines that a dense, legible, cycling network is required especially providing access to schools, centres, mixed use areas and transit nodes. Services at destinations such as electrical charging points, parking, End of Trip public and private facilities are also required.

The strategy outlines the strengths and weaknesses of the city's existing cycling infrastructure:

STRENGTHS	WEAKNESSES
<ul style="list-style-type: none"><li>• Safe sections of cycle-friendly infrastructure along strategic commuter routes.</li><li>• Vincent has a well established active transport culture.</li></ul>	<ul style="list-style-type: none"><li>• A lack of network connectivity.</li><li>• On street cycle lanes are compromised by their proximity to traffic and parking, in the form of door zone cycle lanes or shared bike/bus lanes.</li><li>• The priority of movement is still generally in favour of cars.</li><li>• Crossing facilities for cyclists tend to be rudimentary.</li></ul>

## How the Bike Plan was developed

The outcomes of this Bike Plan were derived through consultation with the City's community, including those who regularly cycle and those who cycle less often, and whose children cycle or occasionally to school. Input has also been provided by people who live outside the city but cycle to or through the city's cycle network.

These outcomes have been tested against available information such as Super Tuesday bike count information and recommendations pertaining to the cycle network in other existing literature, as well as the identified network being subject to a cycling level of traffic stress assessment.

The City also undertook a saddle survey as part of developing this plan.

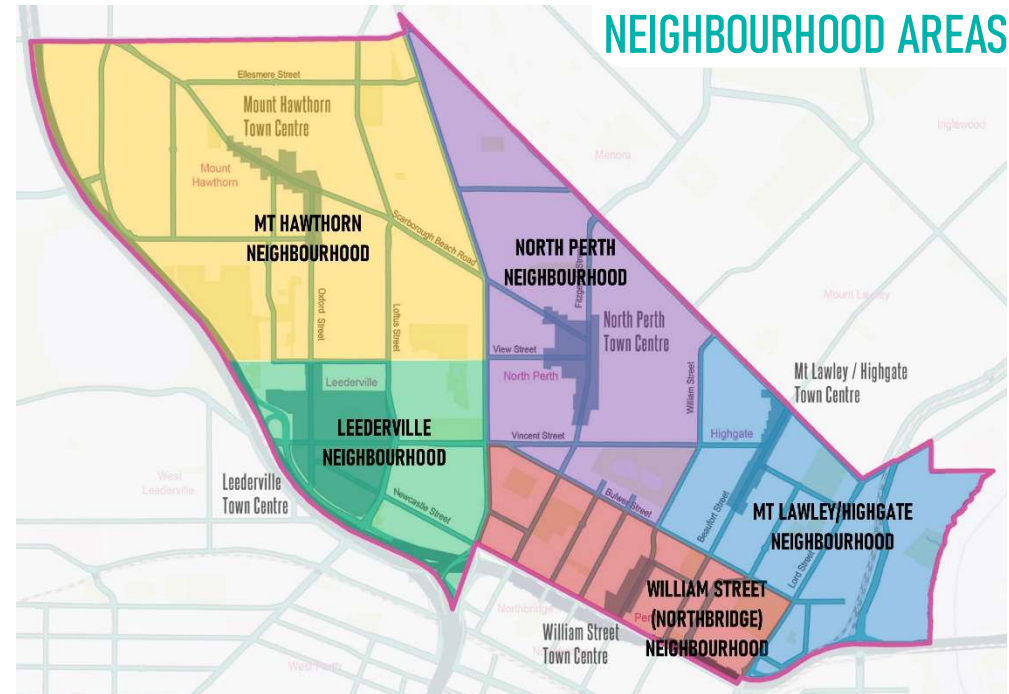

## Connected Neighbourhoods

The City has taken the approach to address issues on the cycling network with a localised neighbourhood view, as well as a more holistic city-wide view.

To achieve these two approaches, the city was divided up into five 'neighbourhood' areas where land use and transport patterns are more consistent (Figure 1).

Where practical, busier roads or railways that frame communities and influence transport movement borders were selected as neighbourhood perimeters.

**FIGURE 1**  
**NEIGHBOURHOOD AREAS**

# CYCLING NETWORK ASPIRATIONS

## Long Term Cycle Network (LTCN) Project

Between 2018-2020 the City, along with all Local Governments across Perth and Peel, collaborated with the DoT on the LTCN project.

The LTCN project enabled the State and local governments to identify and agree on an aspirational network of connected bicycle routes that would link parks, schools, community facilities and transport services, to make riding a bicycle a convenient and viable option for more people and more trips.

Identification of bicycle routes to form the LTCN, began with a review of the City's 2013 Bike Plan's strategic bicycle routes, and then supplementing these with a network of connected local and secondary routes.

In August 2020 the City of Vincent Council endorsed the City's LTCN, which means the City are eligible to seek grant funding support from the DoT to deliver infrastructure along the identified LTCN routes.

All unbuilt bicycle routes in the City's LTCN are subject to review as part of developing a new bike plan every 5-10 years.

As part of the periodic review of the bike plan, the City will work together with the community and the DoT to modify as necessary the LTCN, to reflect land use changes/new development, or to realign routes to reflect changing aspirations or new knowledge of constraints along a route.

Several Community Routes were identified through the community consultation process to develop this Bike Plan. The function of the Community Routes will be designed to compliment the LTCN routes, and additional consultation will need to take place prior to prescribing any specific treatments.

Figure 2 shows the City's August 2020 Council endorsed LTCN routes, and Figure 3 shows the existing typical bicycle infrastructure along each segment of the LTCN routes.

FIGURE 2

# CITY OF VINCENT LONG TERM CYCLE NETWORK COUNCIL ENDORSED ROUTES (AUGUST 2020)

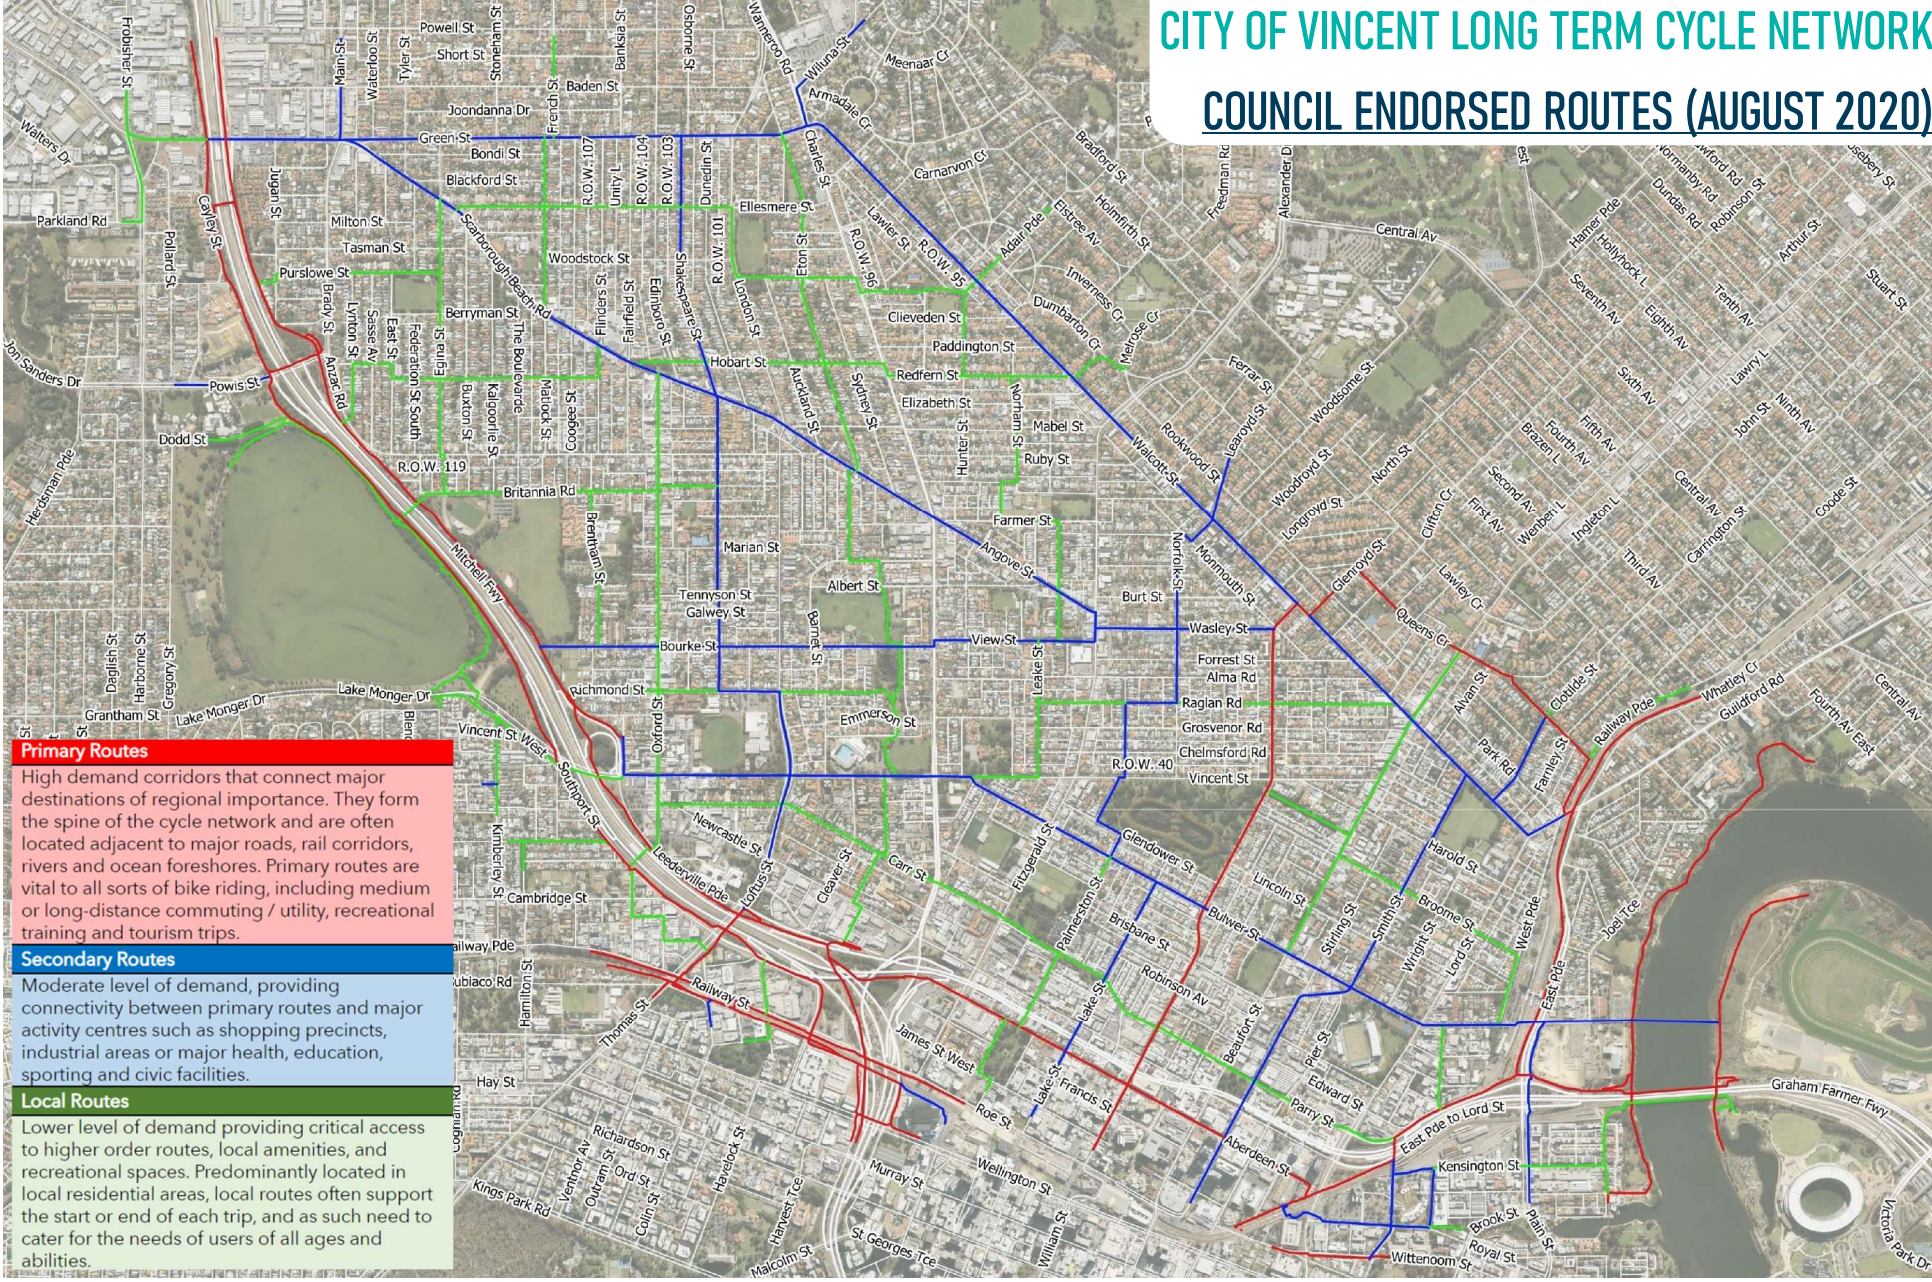

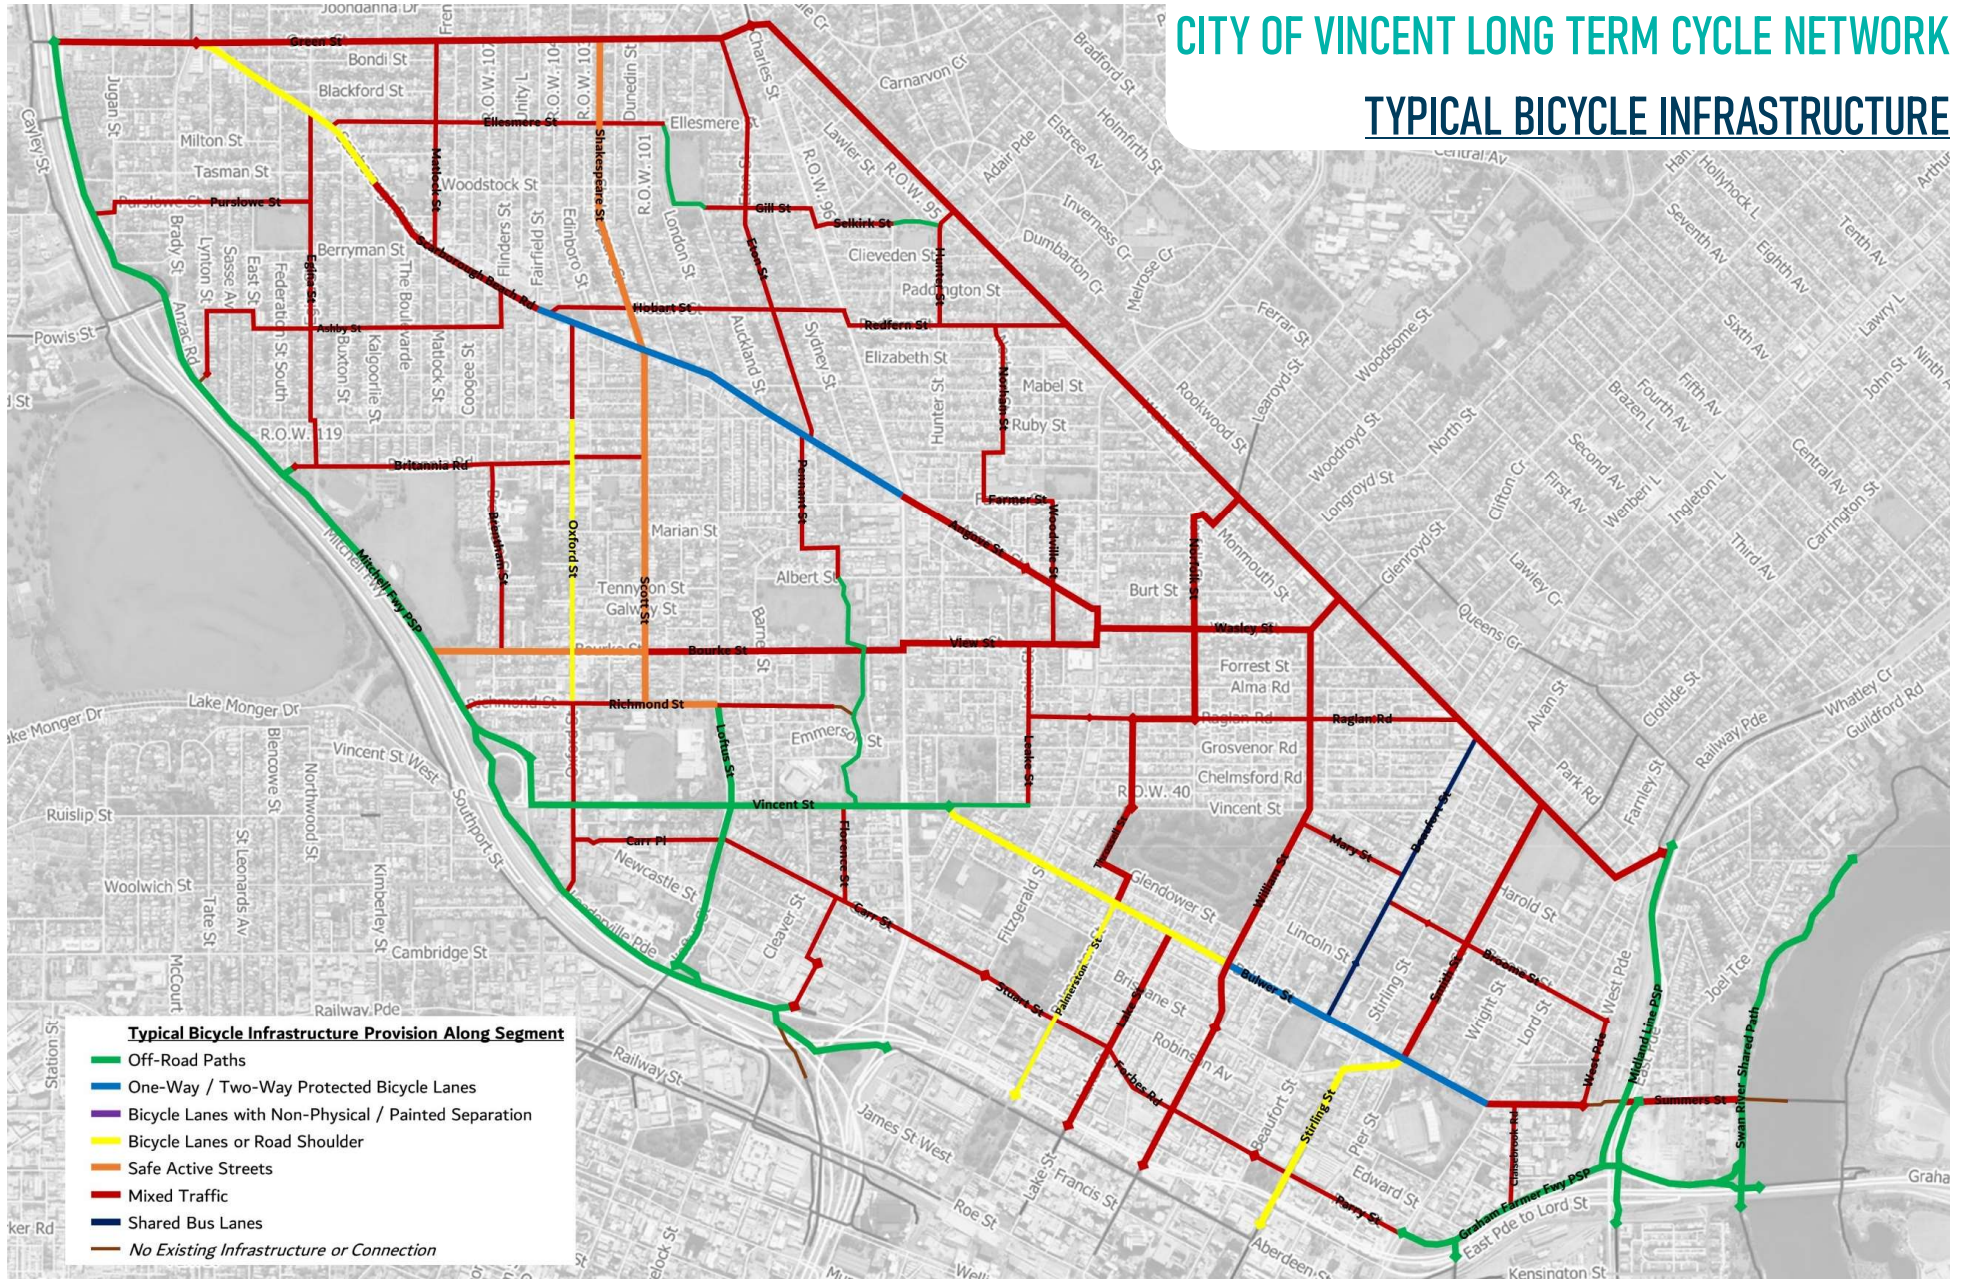

FIGURE 3

# CITY OF VINCENT LONG TERM CYCLE NETWORK TYPICAL BICYCLE INFRASTRUCTURE

## Level of Traffic Stress (Cycling) Assessment

Traffic stress is the potential or actual stress arising from interactions with motor vehicles. The methodology developed to measure the cycling Level of Traffic Stress (LOTS) has been developed in recognition that concerns about danger from traffic is a key factor in people’s choice to cycle or not.

The Victorian State Department of Transport has developed a tool to measure the level of traffic stress on any given road segment and gave the City permission to use the tool to undertake a LOTS assessment of the City’s LTCN.

The LOTS assessment allows classification of the cycling network based on user tolerance for traffic stress, with the table outlining the broad user groups which could be expected to be comfortable riding a bike at each level.

LEVEL OF TRAFFIC STRESS	SUITABILITY FOR USE
<b>LOTS 1 Comfortable for all ages and abilities</b>	Minimal traffic stress and requires less attention, making this suitable for all bicycle riders. This includes new bicycle riders with poor cycling skill and children trained to safely cross the road unsupervised (typically a 10 year old), or younger children under supervision of parents.
<b>LOTS 2 Comfortable for most adults</b>	A little traffic stress that requires more attention than young (typically a 10 year old) unsupervised children can handle. It is suitable for most teen and adult bicycle riders with adequate bicycle handling skill.
<b>LOTS 3 Comfortable for confident cyclists</b>	Moderate traffic stress that would require higher levels of cycling skill and confidence to interact with traffic using on-road bicycle lanes in areas of moderate traffic speeds or volumes.
<b>LOTS 4 Uncomfortable for most</b>	High level of traffic stress only suitable for very skilled bicycle riders with confidence to interact with traffic on busy roads with minimal or no on-road cycle facilities.

Figure 4 shows the LOTS assessment of the City’s LTCN routes. The assessment shows that the very few routes across the City are categorised as comfortable for all ages and abilities cycling.

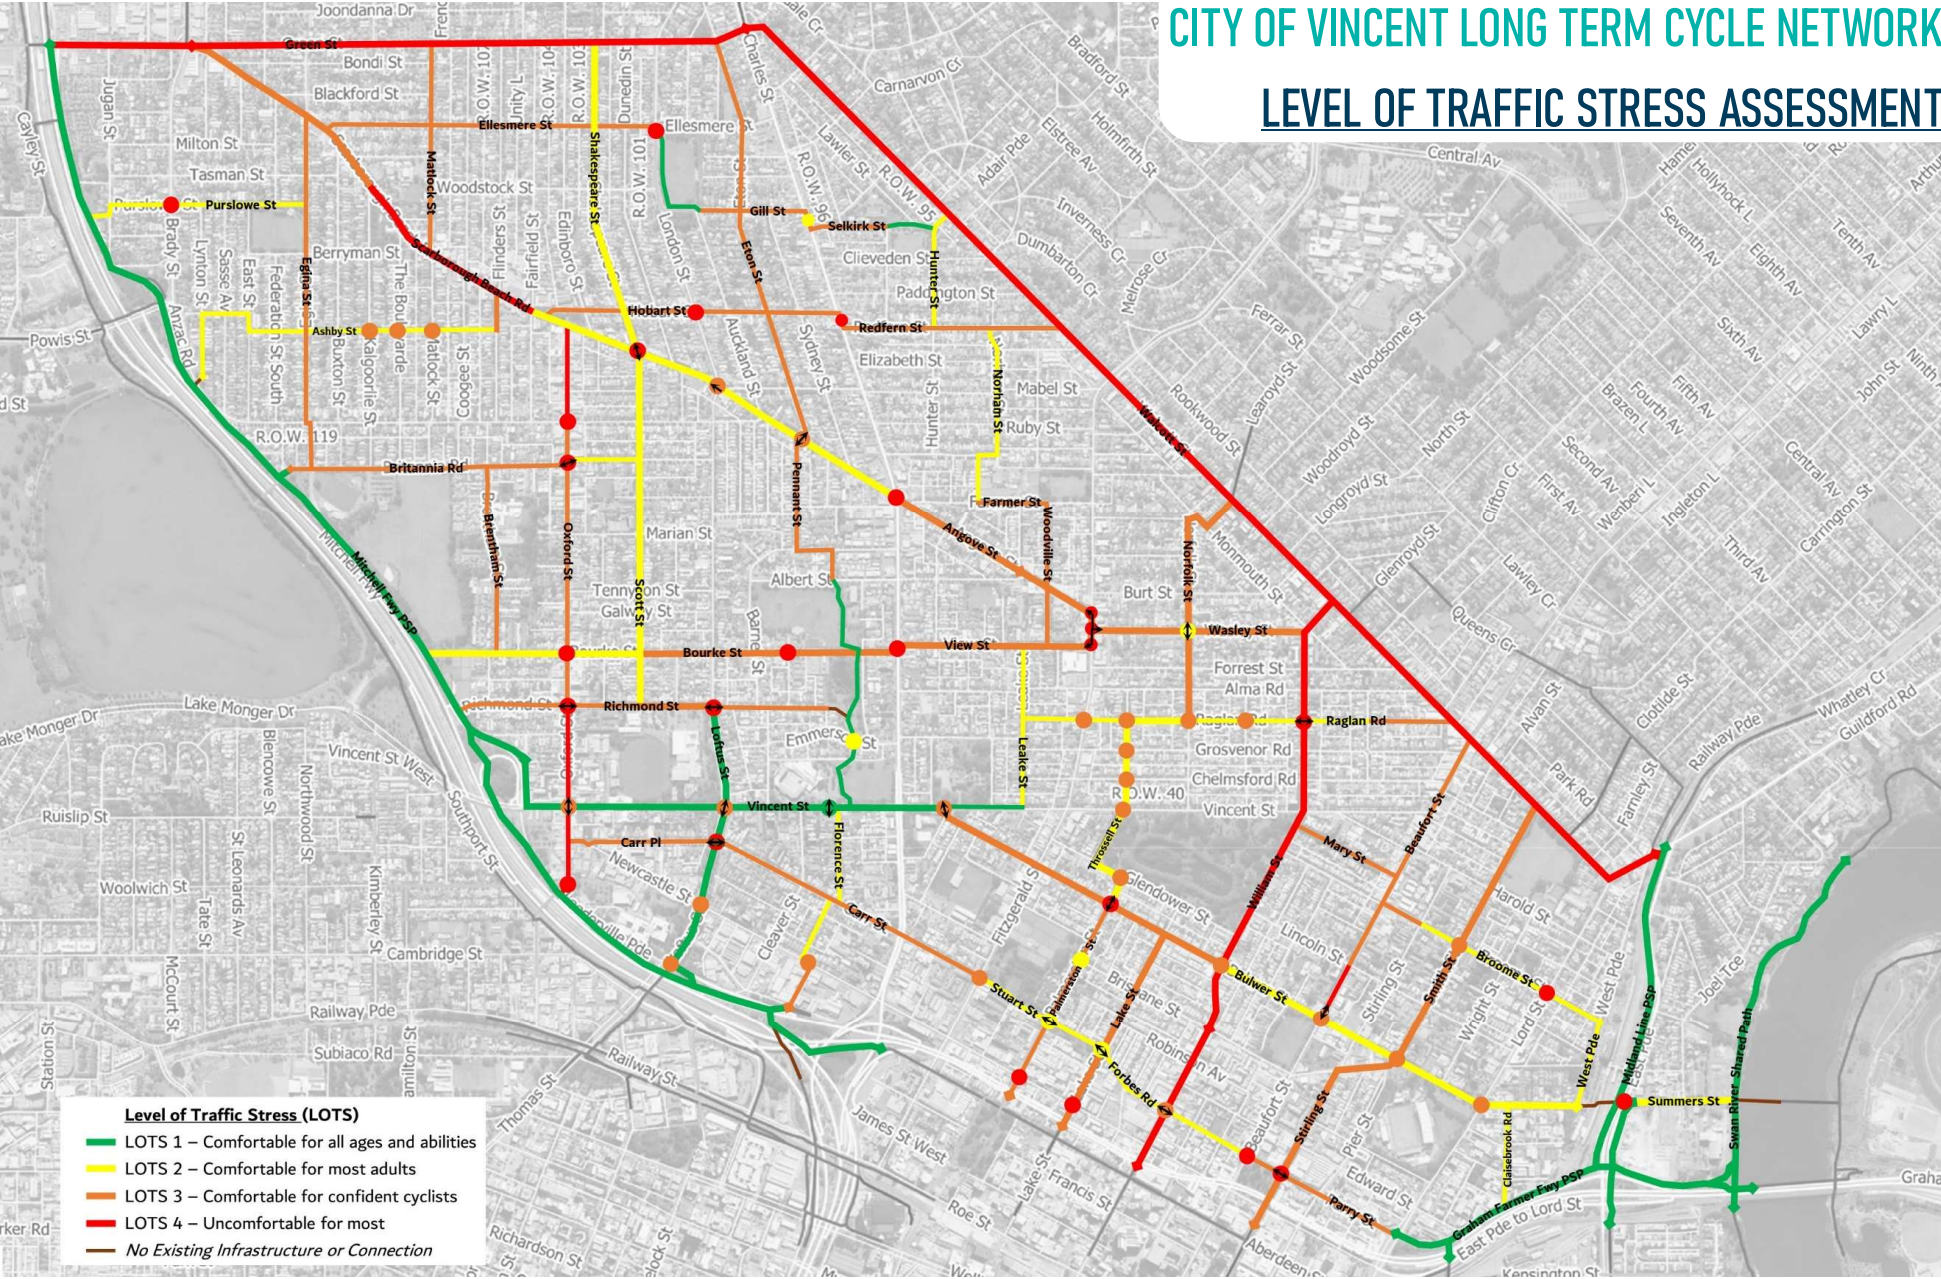

The majority of the LTCN routes are categorised as only comfortable for confident cyclists and/or uncomfortable for most.

**FIGURE 4**

**CITY OF VINCENT LONG TERM CYCLE NETWORK  
LEVEL OF TRAFFIC STRESS ASSESSMENT**

## Long Term Cycle Network and Additional Distributor Road Routes

The City has used the LOTS assessment tool to investigate the existing conditions along additional distributor roads which do not form part of the City's LTCN, these include:

- Brady Street (Green St to Powis St)
- Anzac Road (Powis St to Scarborough Beach Rd)
- Matlock Street (Scarborough Beach Rd to Britannia Rd)
- London Street (Green St to Scarborough Beach Rd)
- Loftus Street (Scarborough Beach Rd to Richmond St)
- Charles Street (Green St to Newcastle St)
- Fitzgerald Street (Walcott St to Newcastle St)
- Vincent Street (Leake St to Beaufort St)
- Beaufort Street (Bulwer St to Newcastle St)
- Lord Street (Walcott St to Newcastle St)

Figure 5 shows the City's LTCN and additional distributor road bicycle routes and the existing typical bicycle infrastructure along each segment of the route.

Figure 6 shows the LOTS assessment of the City's LTCN and additional distributor road bicycle routes. The assessment shows that all additional distributor road routes are categorised as uncomfortable for most - other than Matlock Street which is categorised as only being comfortable for confident cyclists.

These additional distributor road routes typically carry the most motorised traffic and are unlikely to be subject to significant re-design in the short to medium term to provide for comfortable all ages and abilities bike riding.

FIGURE 5

# CITY OF VINCENT LONG TERM CYCLE NETWORK WITH ADDITIONAL DISTRIBUTOR ROAD ROUTES

## TYPICAL BICYCLE INFRASTRUCTURE

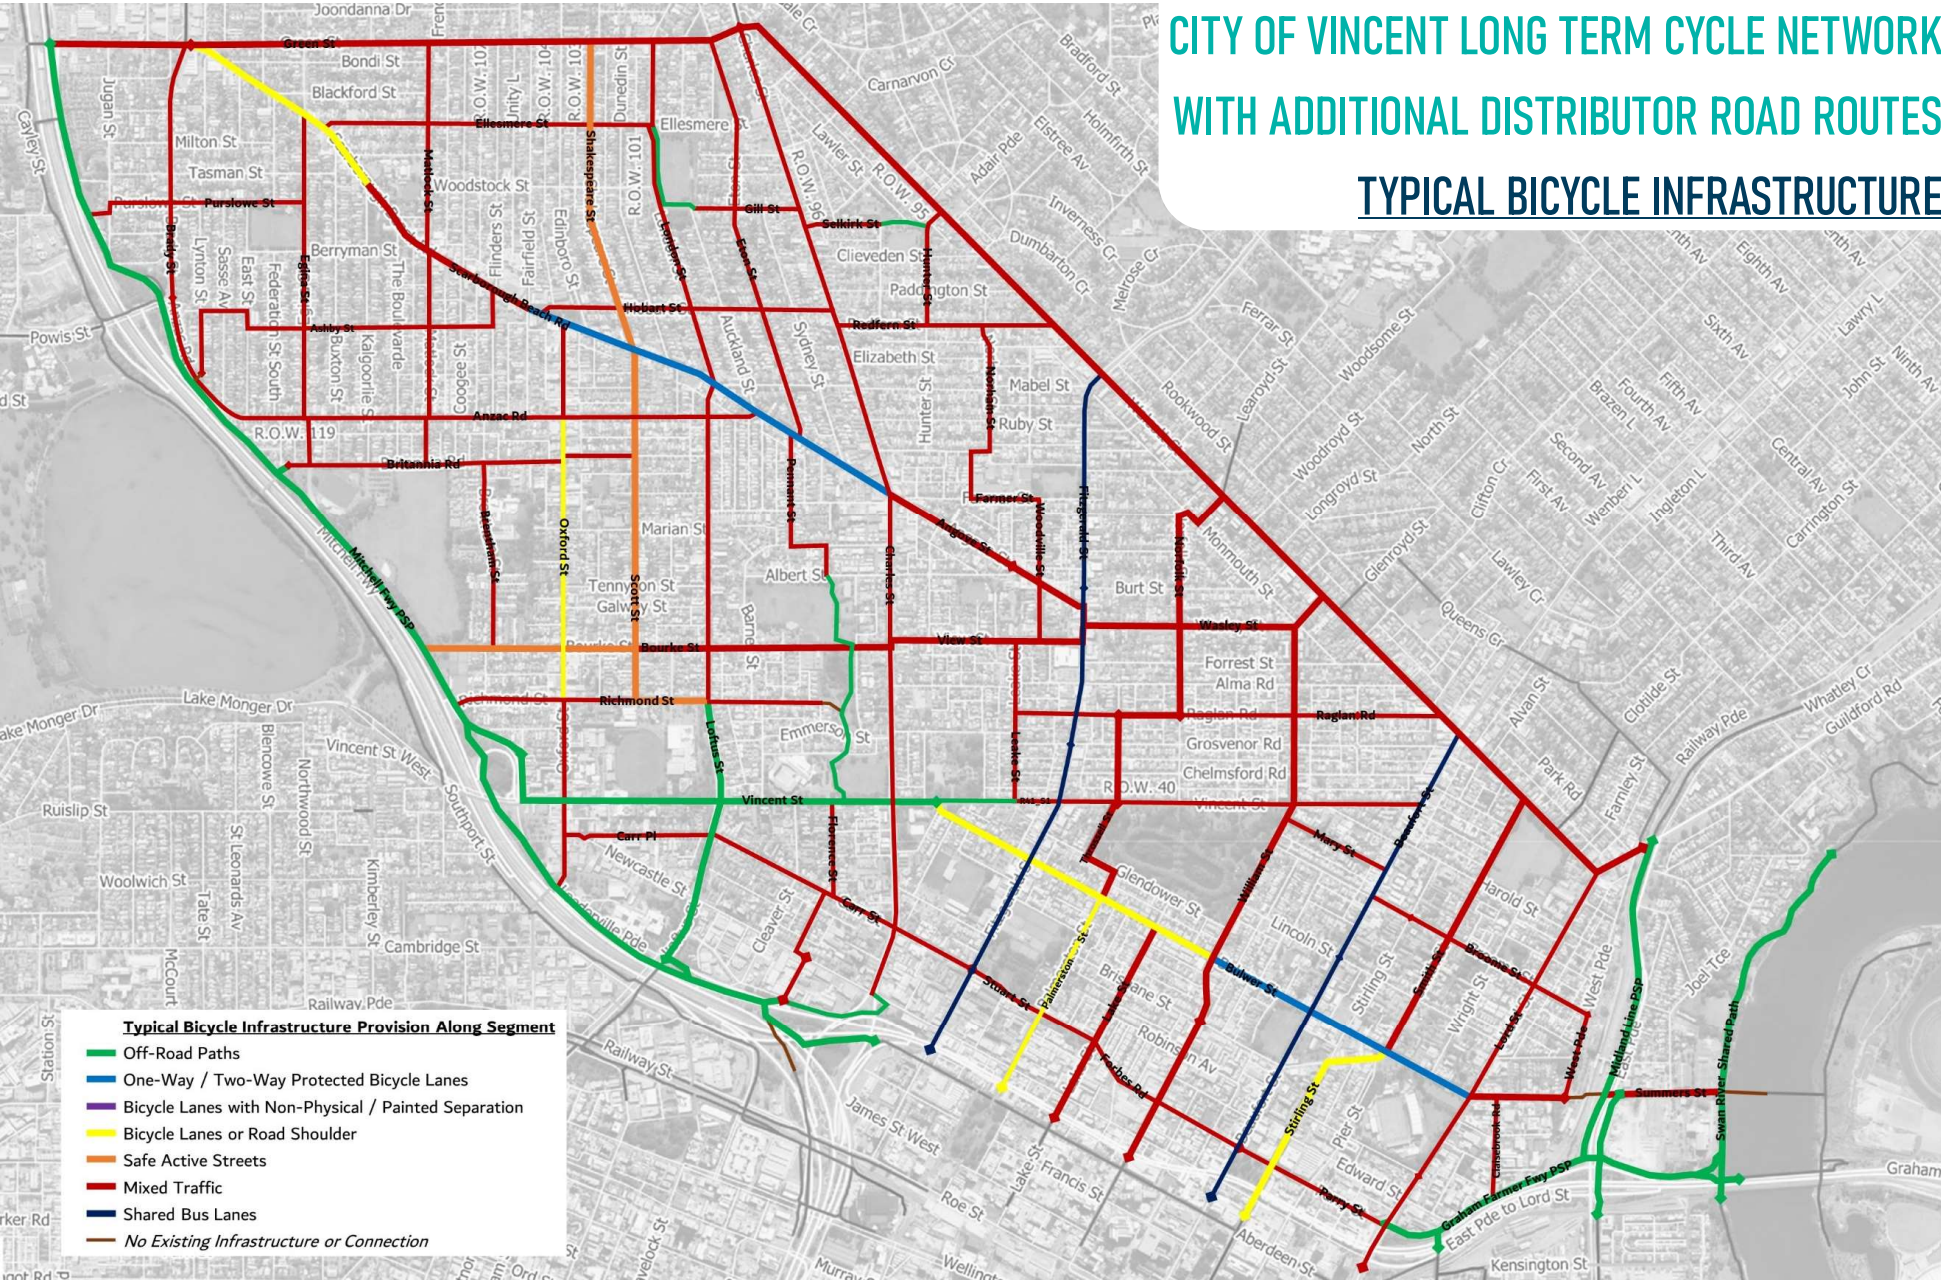

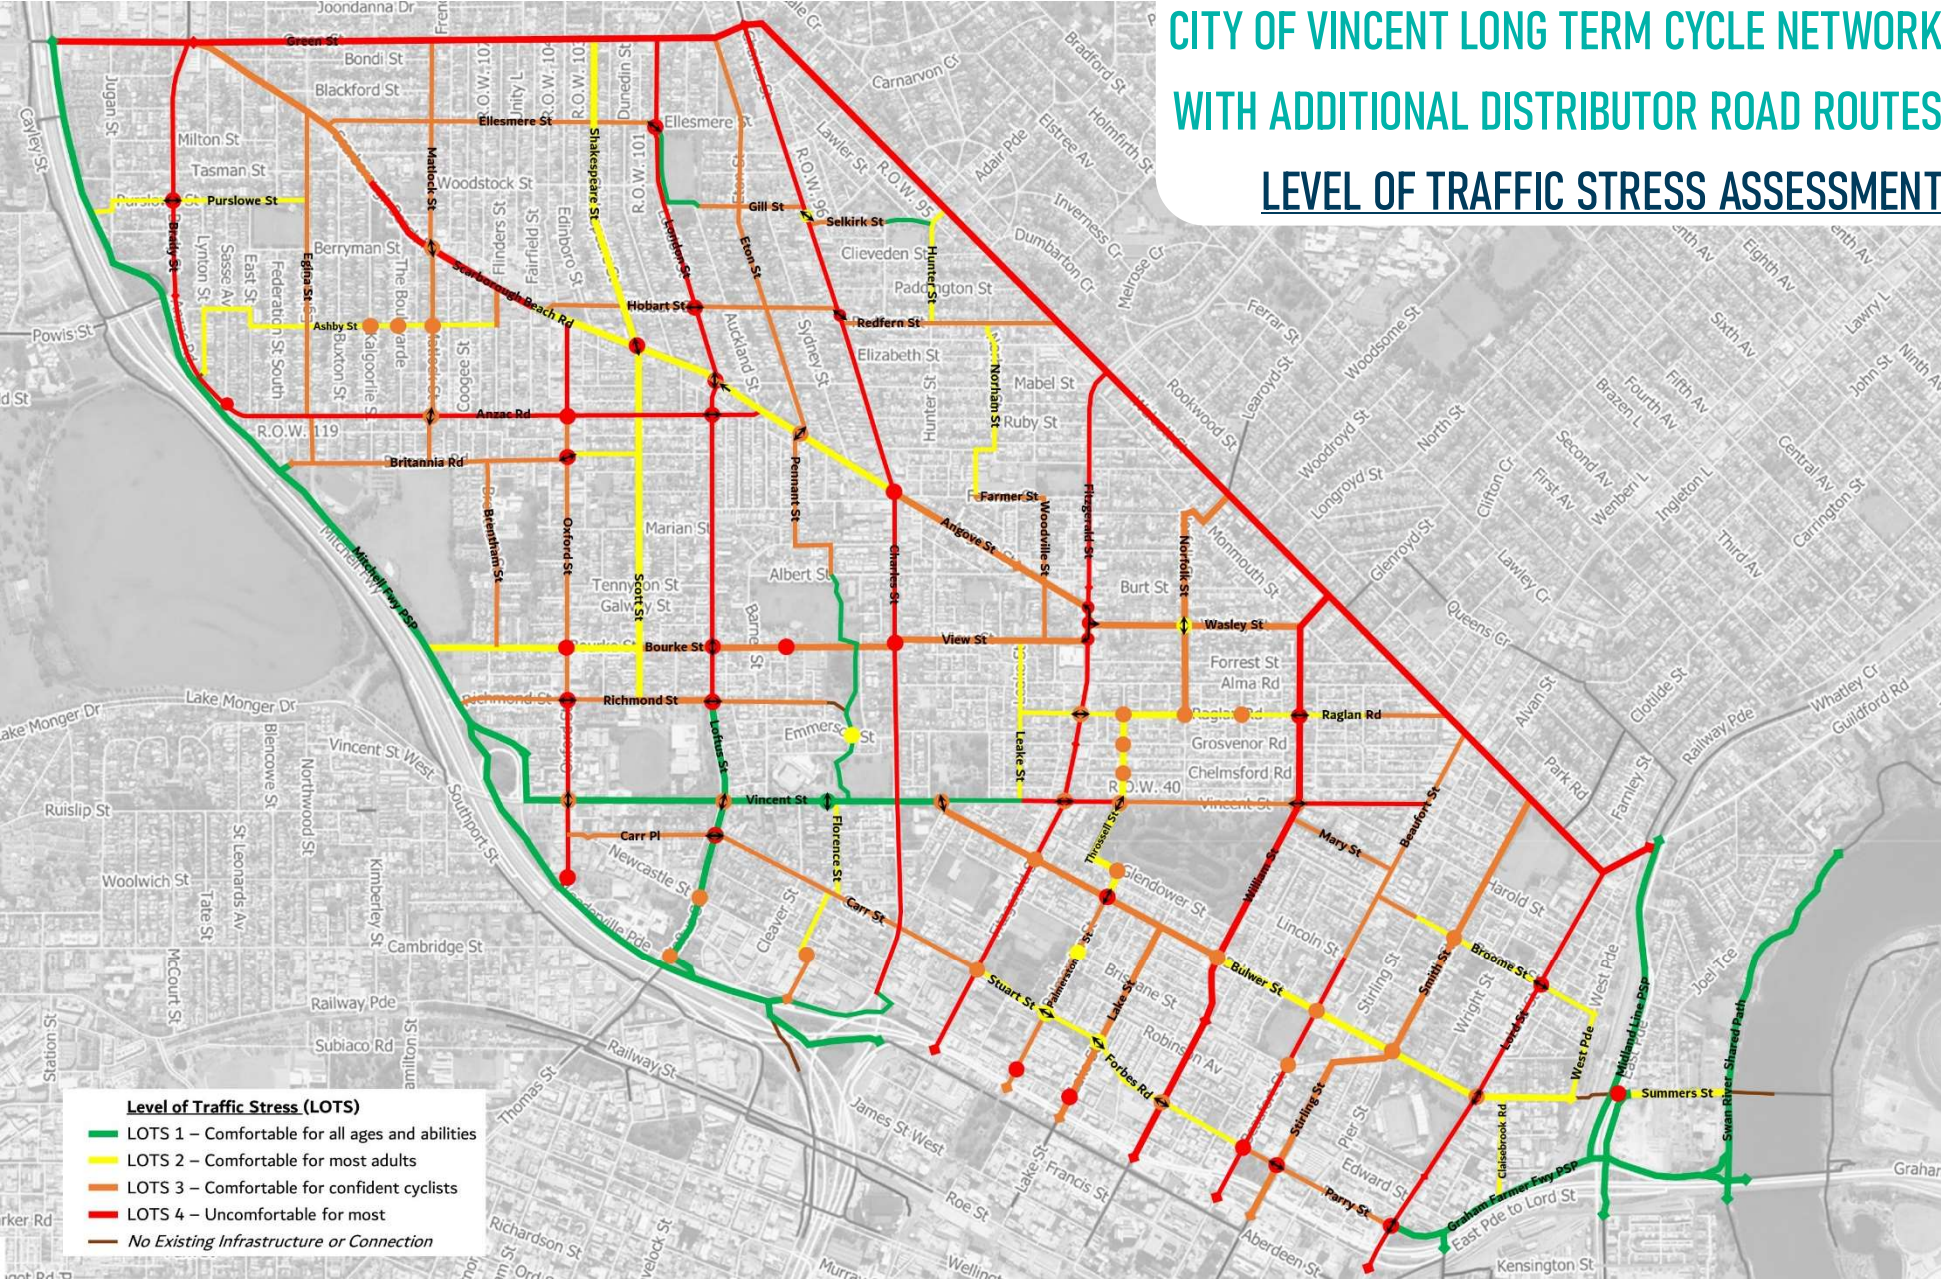

FIGURE 6

# CITY OF VINCENT LONG TERM CYCLE NETWORK WITH ADDITIONAL DISTRIBUTOR ROAD ROUTES LEVEL OF TRAFFIC STRESS ASSESSMENT

## CONNECTED NEIGHBOURHOODS

The City has taken the approach to address issues on the cycling network with a localised neighbourhood view, as well as a more holistic city-wide view.

To achieve these two approaches, the city was divided up into five 'neighbourhood' areas where land use and transport patterns are more consistent (Figure 1).

Well-connected cycling networks enable people to safely ride their bikes as part of their everyday travel.

The city benefits from high quality strategic cycling links around the city's perimeter and between some of the city's neighbourhood town centres.

However, the existing interconnectivity between other neighbourhood town centres, as well as the connections between the town centres and their local resident neighbourhood community, is disjointed, fragmented, and often does not support safe cycling for all members of the community.

## Local Neighbourhood Connectivity

Prioritising local neighbourhood connectivity has become known as the '15-minute city' or '15-minute neighbourhood' concept.

15-minute neighbourhoods allow communities to be strong, vibrant and active, and prioritise place making, walking and bike riding to support 15-minute access to everyday destinations and local transport networks.

**FIGURE 7**

15-minute neighbourhoods have well-designed pathways and roads with safe speeds, tree canopy cover and shade, quality public spaces, and activated local town centre streets.

In these neighbourhoods children can ride and walk independently to and from school and walking and cycling is integrated with public transport.

At an average walking speed, a 15-minute trip covers about one kilometre. For people riding a bike, that distance can increase up to 5 kilometres or more. Even for an inexperienced young rider cycling independently with a parent or carer, they can cover over 1.5 kilometres riding for only 10 minutes at a slow riding speed of 10 kilometres per hour.

The city is fortunate to have five well established town centres supporting local residential neighbourhoods and in some cases providing services and employment opportunities for communities further afield.

Across all the city's neighbourhoods, local shops, parks, and facilities can be accessed within the 15-minute neighbourhood concept distance. We know that people across our city value living in neighbourhoods that are attractive and functional, with the services and facilities they need to comfortably live, work and visit.

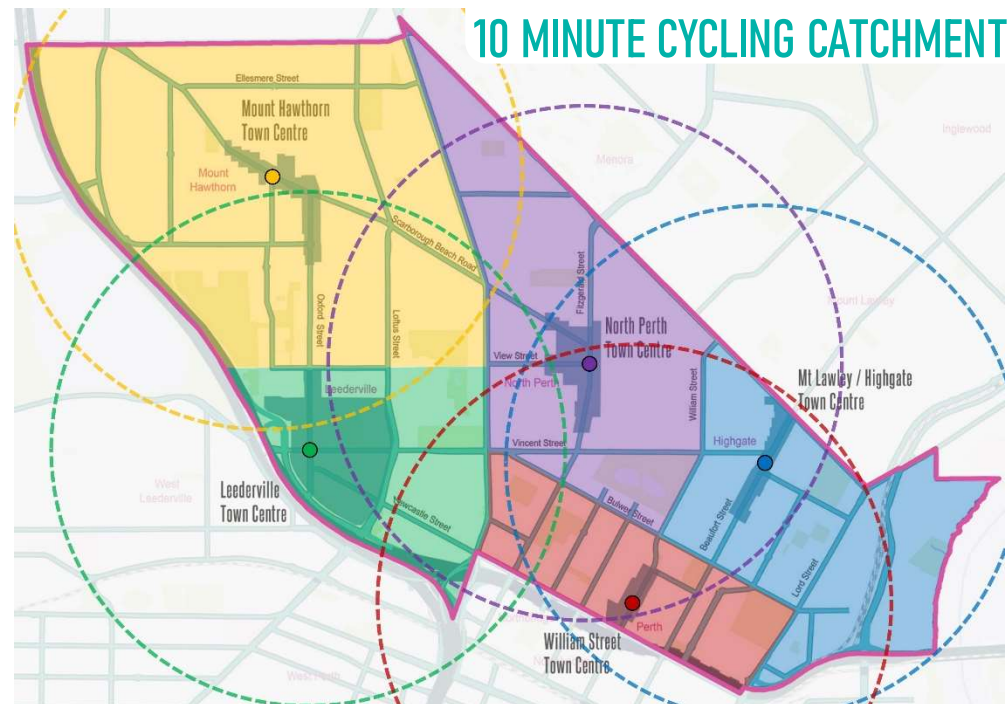

Figure 7 shows a 10 minute cycling catchment from each of the five town centres for an inexperienced young rider. It shows that even within a modest 1.5 kilometre catchment, all residents across the city are able to access at least their nearest town centre - with many residents within the catchment of multiple town centres.

The City recognises that increased levels of active transport use by residents, students, workers and visitors, will need to play a central role in enhanced neighbourhood connectivity - and the City plays a crucial role in delivering the networks and programs required to support 15-minute neighbourhoods.

## City-wide Connectivity

Within our city the interconnectivity between neighbourhoods and town centres is important to ensure residents have access to the full range of services, facilities, recreation, and leisure that is on offer across the city.

The City recognises that safe east-west connections across the city for riding a key to improving city-wide connectivity.

## CITY ACTIONS: to improve local neighbourhood connectivity and support 15-minute neighbourhoods

CITY ACTIONS: to improve local neighbourhood connectivity and support 15-minute neighbourhoods		Timing
1	City to roll out low-speed zones across local road - supported by physical changes to the road environment as necessary. City to seek Main Roads WA approval to make all local roads across the city 40 kilometres per hour.	■ □
2	City to upgrade existing paths and streets for better walking and cycling experiences - as identified in the five neighbourhood plans.	■ ■
3	Where possible the City to plant trees along streets and paths to provide amenity and shade to reduce urban heat.	■ ■
4	City to use low-cost and/or temporary infrastructure to trial or test active transports initiatives locally.	■ ■
5	City to review location, form, and use of existing bike parking infrastructure in town centres. City to upgrade existing facilities as identified by the review.	■ □
6	City to partner with local schools and DoT to identify and review safe routes to school networks. City to investigate options for funding routes or missing links within the safe routes to school network.	■ □
7	City to identify and prioritise east-west cycling connections across the city. City to seek WABN grant funding support to deliver high priority east-west connections to work towards delivering the City's LTCN.	□ ■
<p>■ Short term action (completed or initiated <b>within 2-3 years</b>)</p> <p>■ Longer term action (completed or initiated <b>after 2-3 years</b>)</p>		

# LEEDERVILLE NEIGHBOURHOOD PLAN

The Leederville Town Centre has a unique mix of retail, civic uses, restaurants, bars, and residential dwellings which all function in a cohesive environment and flourish together as one mixed-use hub. It is bounded by the Mitchell Freeway and Loftus Street, and extends north to Bourke Street.

## Leederville Snapshot

### Community

 **37.2%** of Leederville households are high income (\$2500/wk+) compared to 24.8% in Greater Perth

**58.6%** of households are lone person or couple only compared to 47.1% in Greater Perth

### Transport

 **Active transport**  
**10.2%** of Leederville residents commute using active modes compared to **3.1%** in Greater Perth

 **Public transport**  
**17.2%** of Leederville residents commute to work on public transport compared to **10.2%** in Greater Perth

 **Car ownership**  
**7.3%** of Leederville households do not own a car compared to **4.7%** in Greater Perth

## CITY ACTIONS: projects in the Leederville neighbourhood

<b>CITY ACTIONS: projects in the Leederville neighbourhood</b>		<b>Priority</b>	<b>LTCN</b>
<b>8</b>	Investigate options to improve clarity and safety of pedestrian and cyclist priority crossing Loftus Street left turn slip lane into Graham Farmer Freeway on ramp. Consider road signage and pavement markings as per the Loftus Street left turn slip lane into Railway Street.	High	Secondary
<b>9</b>	City to contact Main Roads WA to inform them of community concerns regarding the section of Mitchell Freeway PSP to the south of Old Aberdeen Place where the PSP makes a sharp 90 degree bend and splits between a connection to Newcastle Street and connection to Aberdeen Street/Fitzgerald Street. City to raise concerns over the poor maintenance of the pavement anti-skid coating and tree roots impacting the surface at either end of the transition into the sharp bend.	High	Primary
<b>10</b>	Investigate options to improve clarity and safety of pedestrian and cyclist crossing of Newcastle Street between the Strathcona Street and Golding Street sections of the Safe Active Street route.	Medium	Local
<b>11</b>	Investigates options to improve the conditions for cycling along the Vincent Street corridor between the Mitchell Freeway PSP and Charles Street. Including enhanced bike parking at key destinations such as the town centre and Beatty Park.	High	Secondary
<b>12</b>	Investigate options to provide for pedestrian and cyclist priority crossing at the existing Bourke Street raised path connection between Charles Veryard Reserve and Smiths Lake Reserve.	Medium	Local
<b>13</b>	On Bourke Street between Scott Street (end of the Safe Active Street treatment) and Charles Street, consider options to improve the visibility of cyclists along the street. Consider pavement markings as a minimum (such as yellow bike symbols).	Low	Secondary
<b>14</b>	Monitor path debris and flooding issues at the Richmond Street connection to the Mitchell Freeway PSP. Seek to resolve path debris and flooding issues if identified as a consistent issue.	Low	Local
<b>15</b>	Investigate options to improve safety of pedestrian and cyclist crossing of Loftus Street at Richmond Street.	Medium	Secondary-Local
<b>16</b>	Continue on-street bike lanes on Oxford Street between Vincent Street and Richmond Street.	Medium	Local
<b>17</b>	Investigate options to improve clarity and safety of pedestrian and cyclist priority crossings at left turn slip lanes at the Vincent Street and Leederville Parade and Mitchell Freeway ramp intersection. Consider road signage and pavement markings as per the Lake Monger Drive and Southport Street and Mitchell Freeway ramp intersection.	High	Secondary-Local
<b>18</b>	City to contact Main Roads WA to seek a review of the pedestrian signal phases at the Loftus Street intersections with Vincent Street and Newcastle Street. To seek to provide pedestrian and cyclists crossings in a single phase with sufficient green time.	Low	Secondary

The City's projects to action, to improve its cycle network in the Leederville neighbourhood, are outlined in the table above and correspond to the map in Figure 9. It is the City's intent to continue to work with the local communities in each neighbourhood (residents and business owners alike) to refine these neighbourhood plans to tailor them to the community priorities.

Figure 8 shows 10 minute and 15 minute cycling catchments from the Leederville Town Centre for an inexperienced young rider. It shows that even within a modest 1.5-2.5 kilometre catchment, all residents across the Leederville neighbourhood are able to access four of the five town centres within the City.

**FIGURE 8**  
**LEEDERVILLE CYCLING CATCHMENTS**

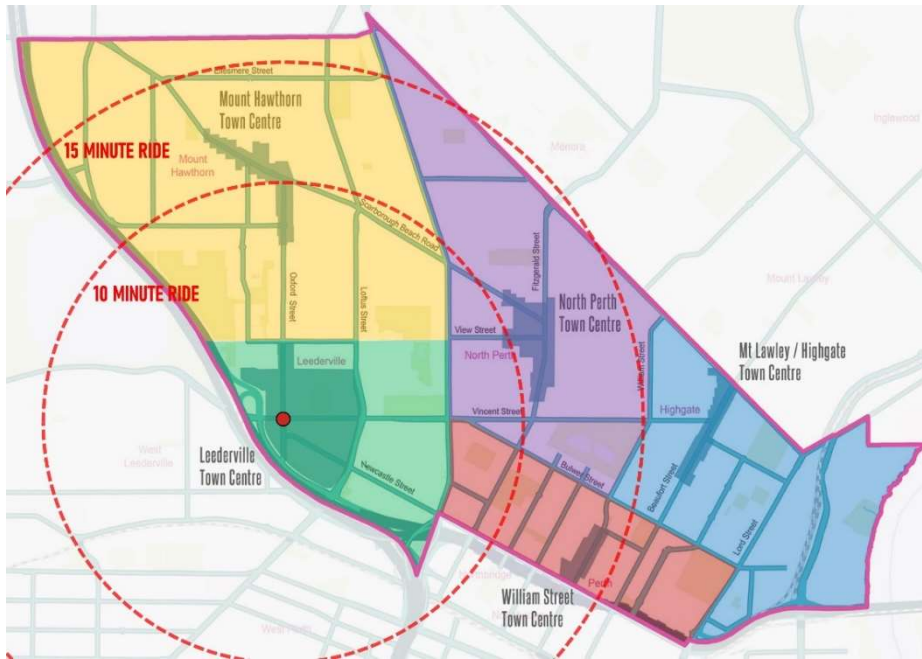

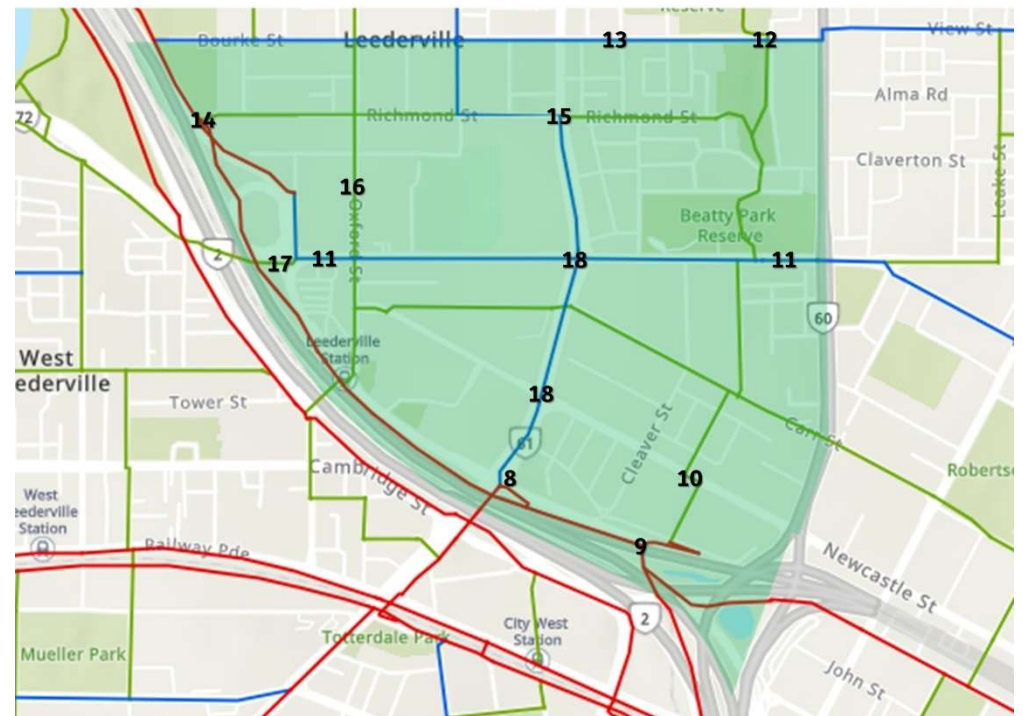

Figure 9 shows the location of the projects that the City will action as outlined in the Leederville neighbourhood projects table.

**FIGURE 9**  
**LEEDERVILLE NEIGHBOURHOOD PROJECTS**

# MT HAWTHORN NEIGHBOURHOOD PLAN

Mount Hawthorn Town Centre is defined by its unique landscape character and rich history. It extends from Braithwaite Park in the west to Britannia Road in the south and incorporates Axford Park. Traditional fine-grain shops front Scarborough Beach Road with an emerging mix of businesses along the northern end of Oxford Street.

## Mt Hawthorn Snapshot

**CITY OF VINCENT TO  
PROVIDE MT HAWTHORN  
SNAPSHOT INFOGRAPHIC**

## CITY ACTIONS: projects in the Mt Hawthorn neighbourhood

<b>CITY ACTIONS: projects in the Mt Hawthorn neighbourhood</b>		<b>Priority</b>	<b>LTCN</b>
<b>19</b>	Investigate options to provide for safe cycling along the eastern side of Britannia Reserve to provide a link between Britannia Road and Bourke Street.	Medium	Community Route
<b>20</b>	Investigates options to improve the conditions for cycling along the Britannia Road corridor between the Mitchell Freeway PSP and Oxford Street.	High	Local
<b>21</b>	Investigate opportunities for a Community Route connecting local communities and a number of school sites from Britannia Road to Angove Street (North Perth Town Centre) via Watertree Pl-Bennelong Pl-Marian St-Chamberlain St-Pennant St-Kadina St-Tay Pl-Albert St.	Medium	Community Route
<b>22</b>	As part of the planning for a Community Route (Project No.21) from Britannia Road to Angove Street (North Perth Town Centre) options should be considered for a safe pedestrian and cyclist crossing of Loftus Street between Marian Street and Chamberlain Street. Consideration should be given to the relocation and replacement of the existing school crossing with a permanent signal controlled crossing.	Medium	Community Route
<b>23</b>	Investigate options to improve clarity and safety of cycling connection between Scarborough Beach Road on-street bike lanes at Eucla Street and Mitchell Freeway PSS/Glendalough Station.	Medium	Secondary
<b>24</b>	Provide kerb ramp at end of southbound on-street bike lane adjacent to Mt Hawthorn Primary School - to provide access from the on-street bike lane to school bike parking area and to avoid cyclists along Scarborough Beach Road from having to join the general traffic lane for a short distance to access the school site.	Medium	Secondary
<b>25</b>	Consider seeking Main Roads WA approval for introducing a 30km/h speed limit through Mt Hawthorn Town Centre to improve safety of on-street cycling through the town centre and pedestrian crossing of Scarborough Beach Road.	Medium	Secondary
<b>26</b>	Investigate options to extend westbound bike lane on Scarborough Beach Road up to Loftus Street intersection.	Low	Secondary
<b>27</b>	Review clarity of green bike lane pavement marking eastbound on Scarborough Beach Road on approach to Charles Street - to avoid cyclists being directed towards a raised kerb.	Low	Secondary

The City's projects to action, to improve its cycle network in the Mt Hawthorn neighbourhood, are outlined in the table above and correspond to the map in Figure 11. It is the City's intent to continue to work with the local communities in each neighbourhood (residents and business owners alike) to refine these neighbourhood plans to tailor them to the community priorities.

Figure 10 shows 10 minute and 15 minute cycling catchments from the Mt Hawthorn Town Centre for an inexperienced young rider. It shows that even within a modest 1.5-2.5 kilometre catchment, all residents across the Mt Hawthorn neighbourhood are able to access three of the five town centres within the City.

**FIGURE 10**  
**MT HAWTHORN CYCLING CATCHMENTS**

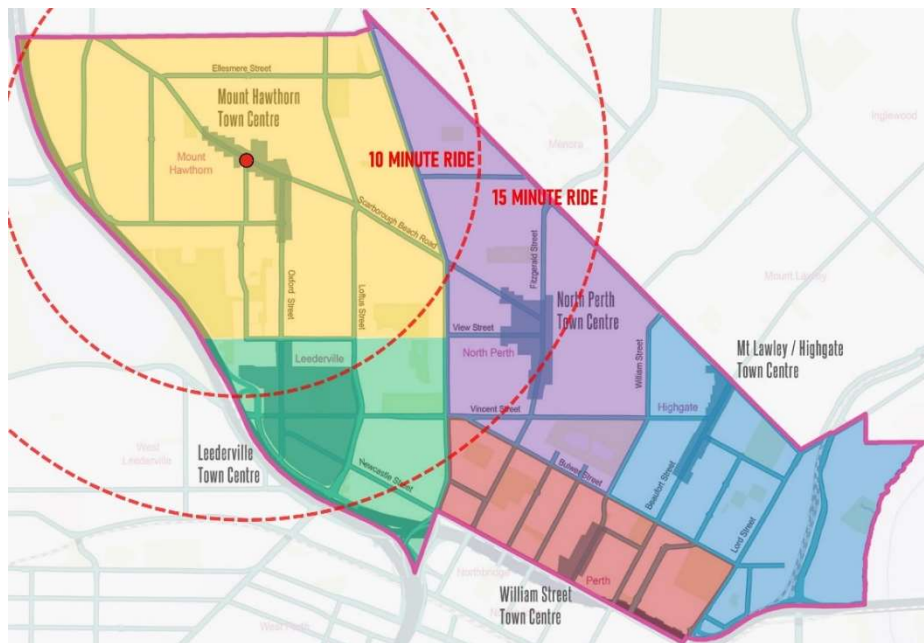

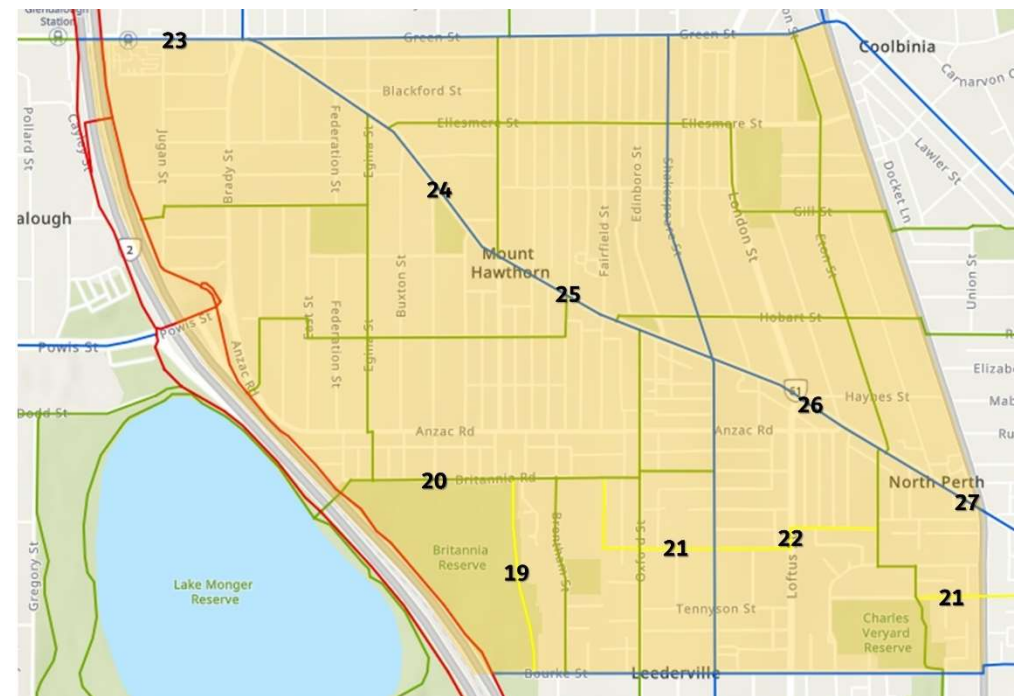

Figure 11 shows the location of the projects that the City will action as outlined in the Mt Hawthorn neighbourhood projects table.

**FIGURE 11**  
**MT HAWTHORN NEIGHBOURHOOD PROJECTS**

# MT LAWLEY/HIGHGATE NEIGHBOURHOOD PLAN

The Beaufort Street Town Centre is situated largely in the City of Vincent with the portion north of Walcott Street located in the City of Stirling. Although a primary arterial route connecting Inglewood, Mount Lawley, Highgate, and extending through to Perth, Beaufort Street is home to some of Perth's most eclectic restaurants, bars and shops.

## Mt Lawley/Highgate Snapshot

### Community

Mount Lawley/Highgate households have a slightly higher proportion of high income households (more than \$2500/wk) at **27.8%** compared to **24.8% in Greater Perth**.

Mount Lawley population is **3,343** and Highgate population is **2,543**, combined **5,886**.

### Transport

**9.6% of Mount Lawley / Highgate residents** do not own a car compared to **4.7% in Greater Perth**.

**19.4% of residents** travel to work on train or bus compared to **10.2% in Greater Perth**.

**11.7% of residents** commute using active modes compared to **3.1% in Greater Perth**.

## CITY ACTIONS: projects in the Mt Lawley/Highgate neighbourhood

<b>CITY ACTIONS: projects in the Mt Lawley/Highgate neighbourhood</b>		<b>Priority</b>	<b>LTCN</b>
<b>28</b>	Investigate options to improve clarity and safety of pedestrian and cyclist crossing of William Street east-west between the traffic signal controlled intersections of Walcott Street/William Street and Vincent Street/William Street. Crossing of William Street should be located to support a future LTCN Local Route - possibly in vicinity of Raglan Road.	Medium	Local
<b>29</b>	Continue eastbound on-street bike lane along Bulwer Street to the east of the Beaufort Street and Bulwer Street intersection (adjacent to existing fuel station).	Medium	Secondary
<b>30</b>	Conduct a review of the Bulwer Street and Stirling Street intersection with focus on the movement and safety of pedestrians and cyclists. Review pedestrian and cyclist conflicts across the Bulwer Street bike lanes, review location and utilisation of bike parking adjacent to Woolworths and road safety of on-street parking and cyclists conflicts, and vehicle conflicts with pedestrian and cyclist movements. Develop options to address any issues and safety concerns identified.	Medium	Secondary
<b>31</b>	Conduct a review of the existing Bulwer Street bike lanes channelising cyclists into a narrow traffic lane on approach to the Brisbane Street/Smith Street and Bulwer Street roundabout. Develop options to address the conflicts of cyclists merging into traffic lanes without sufficient warning for bike riders or drivers.	Medium	Secondary
<b>32</b>	Investigate options to continue existing eastbound Bulwer Street bike lane up to the Lord Street intersection. Consider installing cyclist advanced stopline to assist with bike riders adopting a safe position to cross ahead to Summer Street and be visible to drivers of left turning vehicles.	Medium	Secondary
<b>33</b>	Investigate options to improve clarity and safety of cyclist movements between the end of the PSP at Lord Street and the desire to continue along Parry Street (consider both eastbound and westbound cycle movements).	Low	Local
<b>34</b>	City to monitor the use of the Swan River Shared Path between the Windan Bridge and Bardon Park and the increasing pressure on the path with high pedestrian and cyclist volumes. City to consider locations where separate pedestrian and cyclist paths may be required in the future.	Medium	Primary
<b>35</b>	City to advocate for enhanced pedestrian and cyclists facilities and network connections through the area where Guildford Road, East Parade, Whatley Crescent, Railway Parade and the Midland Line rail bridge intersect.	Medium	Primary-Secondary
<b>36</b>	Review the proposed LTCN Local Route connection along Broome Street between Beaufort Street and West Parade. Consider the merits of the Harold Street corridor forming the Local Route connection between Beaufort Street and West Parade in this locality. If Harold Street is considered to form a better long term connection and provide access to key local destination, then the City to request for the Harold Street corridor to be added to the LTCN in place of or in addition to the Broome Street corridor.	Medium	Local

The City's projects to action, to improve its cycle network in the Mt Lawley/Highgate neighbourhood, are outlined in the table above and correspond to the map in Figure 13. It is the City's intent to continue to work with the local communities in each neighbourhood (residents and business owners alike) to refine these neighbourhood plans to tailor them to the community priorities.

Figure 12 shows 10 minute and 15 minute cycling catchments from the Mt Lawley/Highgate Town Centre for an inexperienced young rider. It shows that even within a modest 1.5-2.5 kilometre catchment, all residents across the Mt Lawley/Highgate neighbourhood are able to access three of the five town centres within the City.

**FIGURE 12**

**MT LAWLEY/HIGHGATE CYCLING CATCHMENTS**

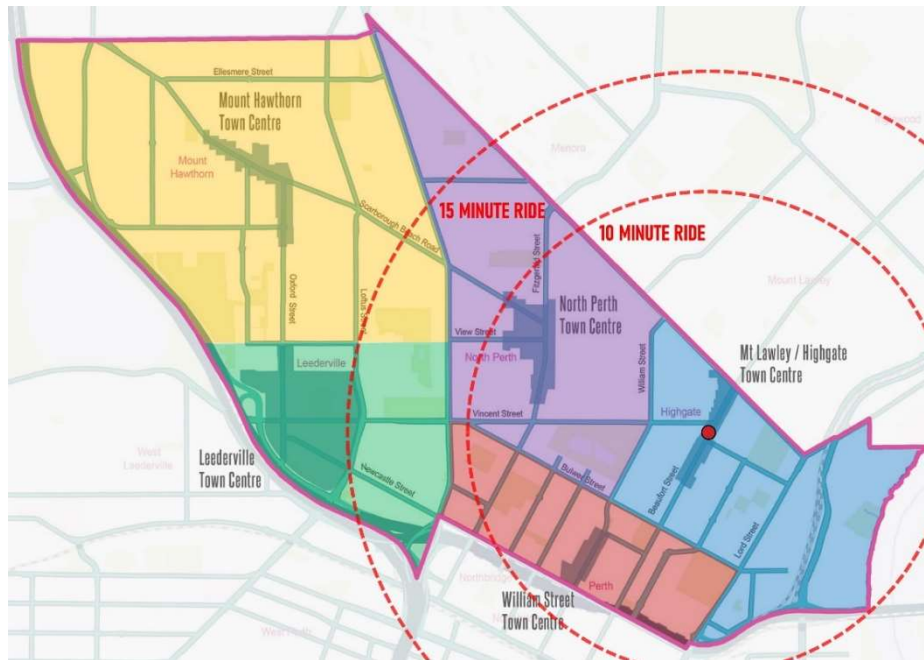

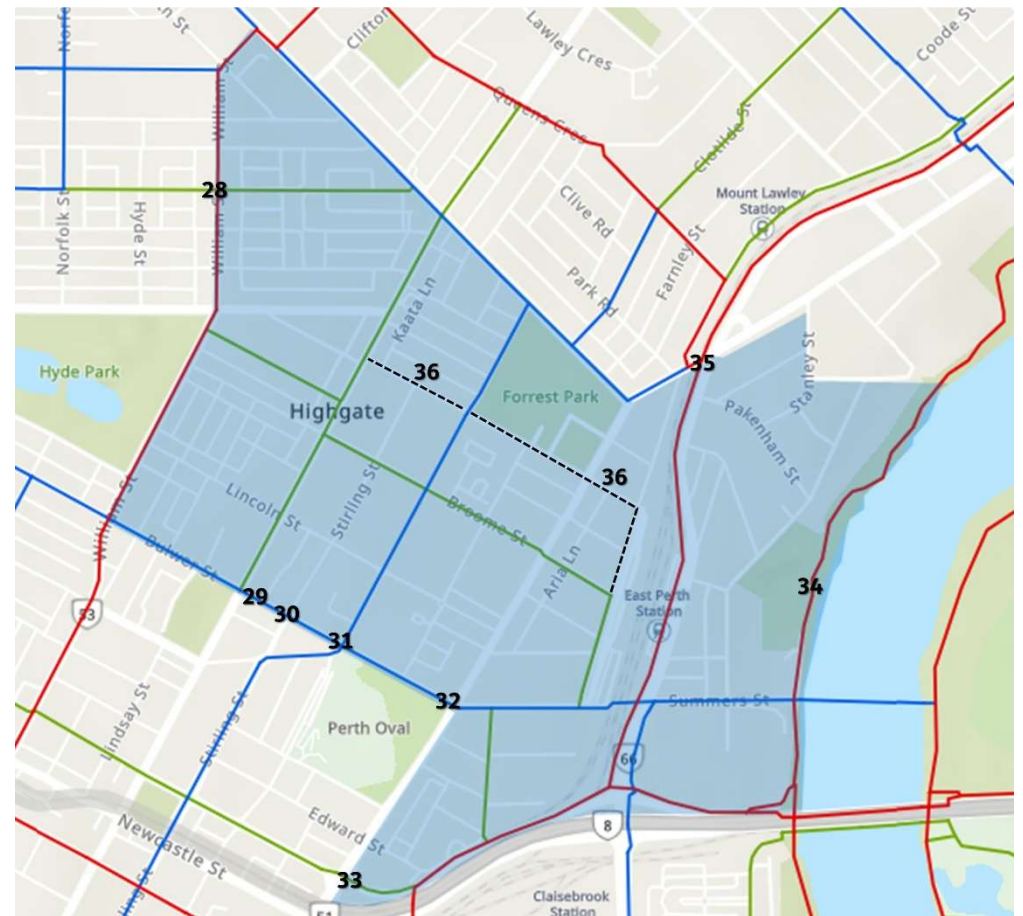

Figure 13 shows the location of the projects that the City will action as outlined in the Mt Lawley/Highgate neighbourhood projects table.

**FIGURE 13**

# NORTH PERTH NEIGHBOURHOOD PLAN

North Perth Town Centre is defined by its unique character, diverse mix of businesses and rich cultural history. Its characters, iconic businesses and heritage buildings contribute to its distinct sense of identity and are why it is like no other place.

## North Perth Snapshot

**CITY OF VINCENT TO  
PROVIDE NORTH PERTH  
SNAPSHOT INFOGRAPHIC**

## CITY ACTIONS: projects in the North Perth neighbourhood

<b>CITY ACTIONS: projects in the North Perth neighbourhood</b>		<b>Priority</b>	<b>LTCN</b>
<b>37</b>	City to work with the City of Stirling to consider options for a safe pedestrian and cyclist signal controlled crossing of Walcott Street between the existing traffic signal controlled intersections at Charles Street and Alexander Drive/Fitzgerald Street. Consider location(s) for crossing(s) to support the proposed LTCN Local Route(s) across Walcott Street at Hunter Street/Adair Parade and Redfern Street/McPherson Street.	High	Local
<b>38</b>	Provide bike parking within Kyilla Park (near to playgrounds) to avoid users locking bikes to the school fence and blocking the path network along the northern side of the park.	Medium	N/A
<b>39</b>	Investigate options to contain verge run-off at Redfern Street at the mouth of the path connection south through to Blake Street/Norham Street. Regular debris washed into the mouth of the path access on Redfern Street causing a safety concern for path users.	Low	Local
<b>40</b>	Review the proposed LTCN Local Route connection along Norham Street between Redfern Street and Farmer Street. Consider the merits of the Hunter Street corridor forming the Local Route connection between Redfern Street and Farmer Street in this locality. If Hunter Street is considered to form a better long term connection and provide access to key local destination, then the City to request for the Hunter Street corridor to be added to the LTCN in place of the Norham Street corridor.	Medium	Local
<b>41</b>	As part of the future Norfolk Street Safe Active Street project, the City to ensure a safe form of cycle crossing is provided across Vincent Street between Ethel Street and Throssell Street.	High	Secondary
<b>42</b>	As part of the future Norfolk Street Safe Active Street project, the City to investigate options to reduce the carriageway width of Glendower Street between Fitzgerald Street and Throssell Street to reduce vehicle speeds and rat running in proximity to the Safe Active Street route. To ensure these adverse impacts do not impact on the safety and use of the Safe Active Street route.	Low	N/A
<b>43</b>	Consider options for safe pedestrian and cyclist signal controlled crossing of the Charles Street corridor. Consider location(s) for crossing(s) to support the proposed LTCN route(s) across Charles Street at Hobart Street/Redfern Street (Local Route) and Bourke Street/View Street (Secondary Route).	High	Secondary-Local
<b>44</b>	Consider LTCN route connections to North Perth Primary School and potential plans for Albert Street to support east-west cycling access to the school site and North Perth Town Centre as part of a wider Community Route outlined in Project No.21.	Medium	Community Route

The City's projects to action, to improve its cycle network in the North Perth neighbourhood, are outlined in the table above and correspond to the map in Figure 15. It is the City's intent to continue to work with the local communities in each neighbourhood (residents and business owners alike) to refine these neighbourhood plans to tailor them to the community priorities.

Figure 14 shows 10 minute and 15 minute cycling catchments from the North Perth Town Centre for an inexperienced young rider. It shows that even within a modest 1.5-2.5 kilometre catchment, all residents across the North Perth neighbourhood are able to access all five of the town centres within the City.

**FIGURE 14**  
**NORTH PERTH CYCLING CATCHMENTS**

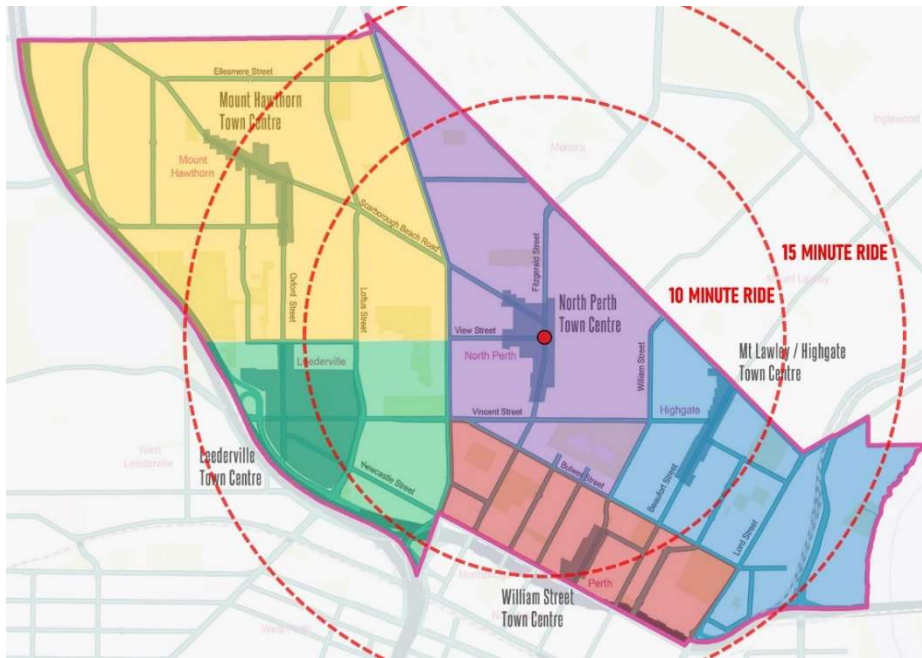

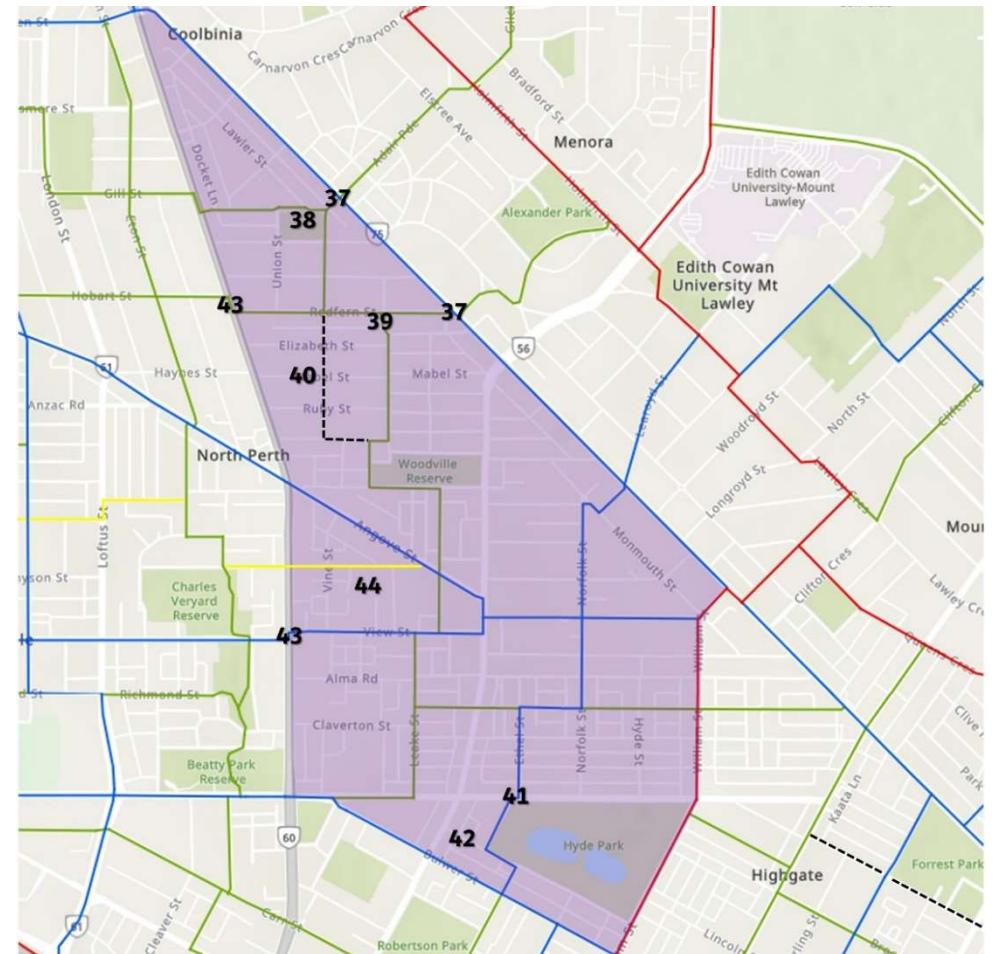

Figure 15 shows the location of the projects that the City will action as outlined in the North Perth neighbourhood projects table.

**FIGURE 15**  
**NORTH PERTH NEIGHBOURHOOD PROJECTS**

# WILLIAM STREET (NORTHBRIDGE) NEIGHBOURHOOD PLAN

Northbridge Town Centre is located on William Street.

William Street connects the City of Vincent to the City of Perth. This area is our most demographically diverse Town Centre - a cultural hot pot brimming with restaurants and culinary delights from around the world.

## William St (Northbridge) Snapshot

**CITY OF VINCENT TO  
PROVIDE WILLIAM ST  
(NORTHBRIDGE)  
SNAPSHOT INFOGRAPHIC**

## CITY ACTIONS: projects in the William Street (Northbridge) neighbourhood

<b>CITY ACTIONS: projects in the William Street (Northbridge) neighbourhood</b>		<b>Priority</b>	<b>LTCN</b>
<b>45</b>	Continue on-street bike lanes between Stirling Street/Brisbane Street intersection and Bulwer Street either via Brisbane Street or Stirling Street (depending on the long term plans for the north-south route through this area) - to include safe pedestrian and cyclist crossing of Bulwer Street.	Medium	Secondary
<b>46</b>	Investigate options to improve clarity and safety of cyclist crossing of Beaufort Street between Parry Street and Little Parry Street. Consider widening the gaps between the yellow base of the existing Beaufort Street central median bollards.	Medium	Local
<b>47</b>	Provide bike kerb ramp at the Brisbane Street cul-de-sac to enable bike riders to access the signal controlled crossing at the Beaufort Street/Brisbane Street intersection.	Low	N/A
<b>48</b>	Investigate options for LTCN Primary Route infrastructure along the William Street corridor to support safe cycling access to Northbridge and Perth CBD from the north.	High	Primary
<b>49</b>	Investigate options to improve clarity and safety of cyclist crossing of William Street between Little Parry Street and Forbes Road.	Medium	Local

The City's projects to action, to improve its cycle network in the William Street (Northbridge) neighbourhood, are outlined in the table above and correspond to the map in Figure 17. It is the City's intent to continue to work with the local communities in each neighbourhood (residents and business owners alike) to refine these neighbourhood plans to tailor them to the community priorities.

Figure 16 shows 10 minute and 15 minute cycling catchments from the William Street (Northbridge) Town Centre for an inexperienced young rider. It shows that even within a modest 1.5-2.5 kilometre catchment, all residents across the William Street (Northbridge) neighbourhood are able to access four of the five town centres within the City.

**FIGURE 16**  
**WILLIAM STREET CYCLING CATCHMENTS**

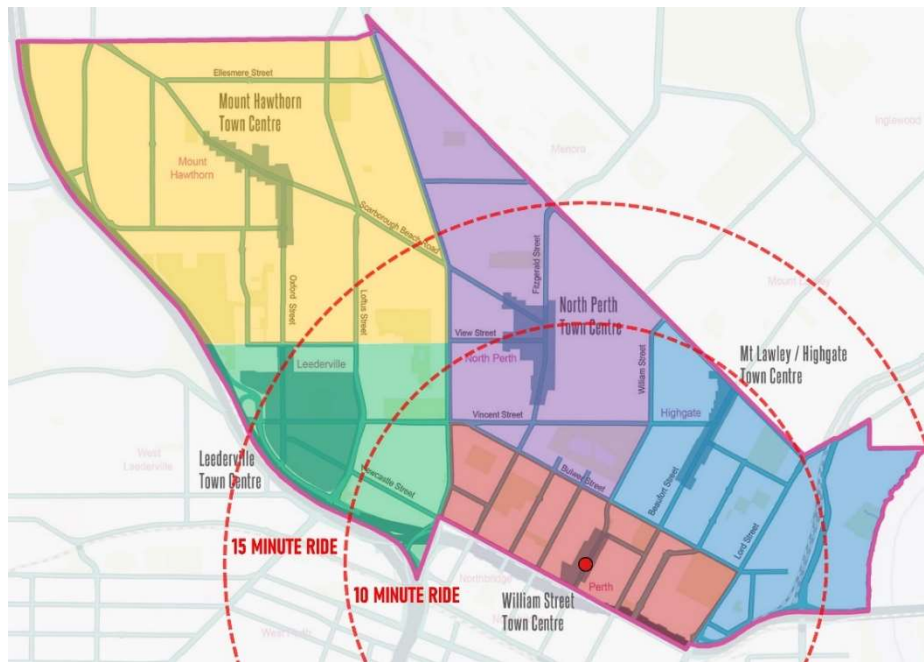

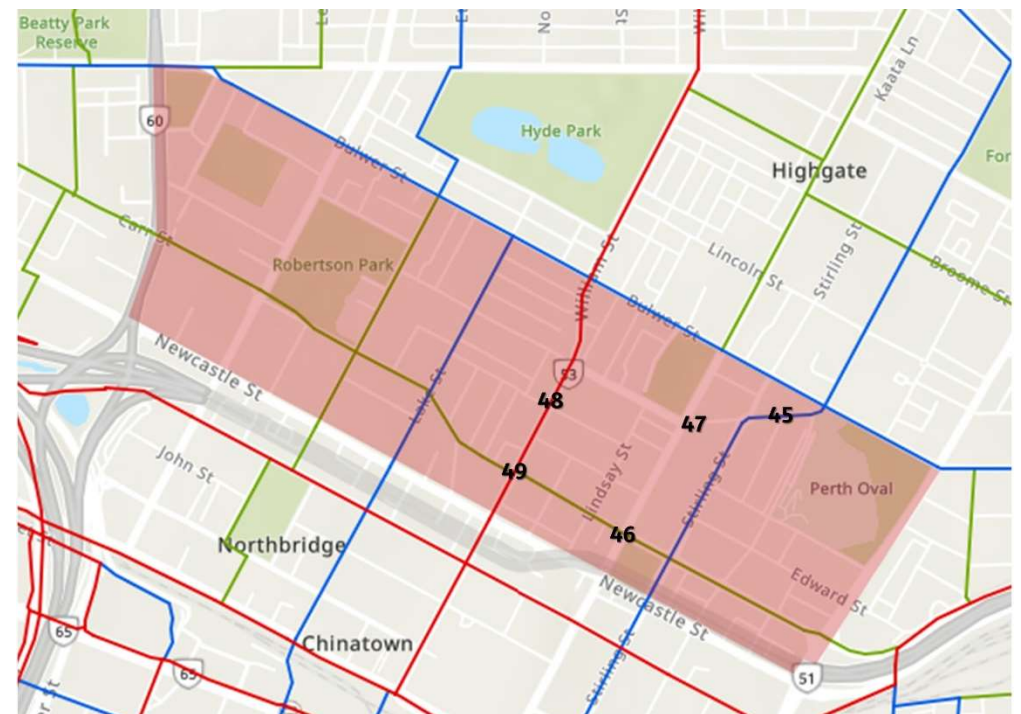

Figure 17 shows the location of the projects that the City will action as outlined in the William Street (Northbridge) neighbourhood projects table.

**FIGURE 17**  
**WILLIAM STREET NEIGHBOURHOOD PROJECTS**

# COMMUNITY ROUTES AND SUGGESTED LONG TERM CYCLE NETWORK ADJUSTMENTS

## Community Routes

The community consultation undertaken to develop this Bike Plan has identified a number of Community Routes that the City will seek to investigate further over the coming years - these routes are outlined as follows:

- Project No.19 - Investigate options to provide for safe cycling along the eastern side of Britannia Reserve to provide a link between Britannia Road and Bourke Street.
- Project No.21 - Investigate opportunities for a Community Route connecting local communities and a number of school sites from Britannia Road to Angove Street (North Perth Town Centre) via Watertree Pl- Bennelong Pl-Marian St-Chamberlain St-Pennant St-Kadina St-Tay Pl-Albert St.

## LTCN Route Adjustments

The community consultation also identified a number of existing LTCN Local Routes that should be reviewed to

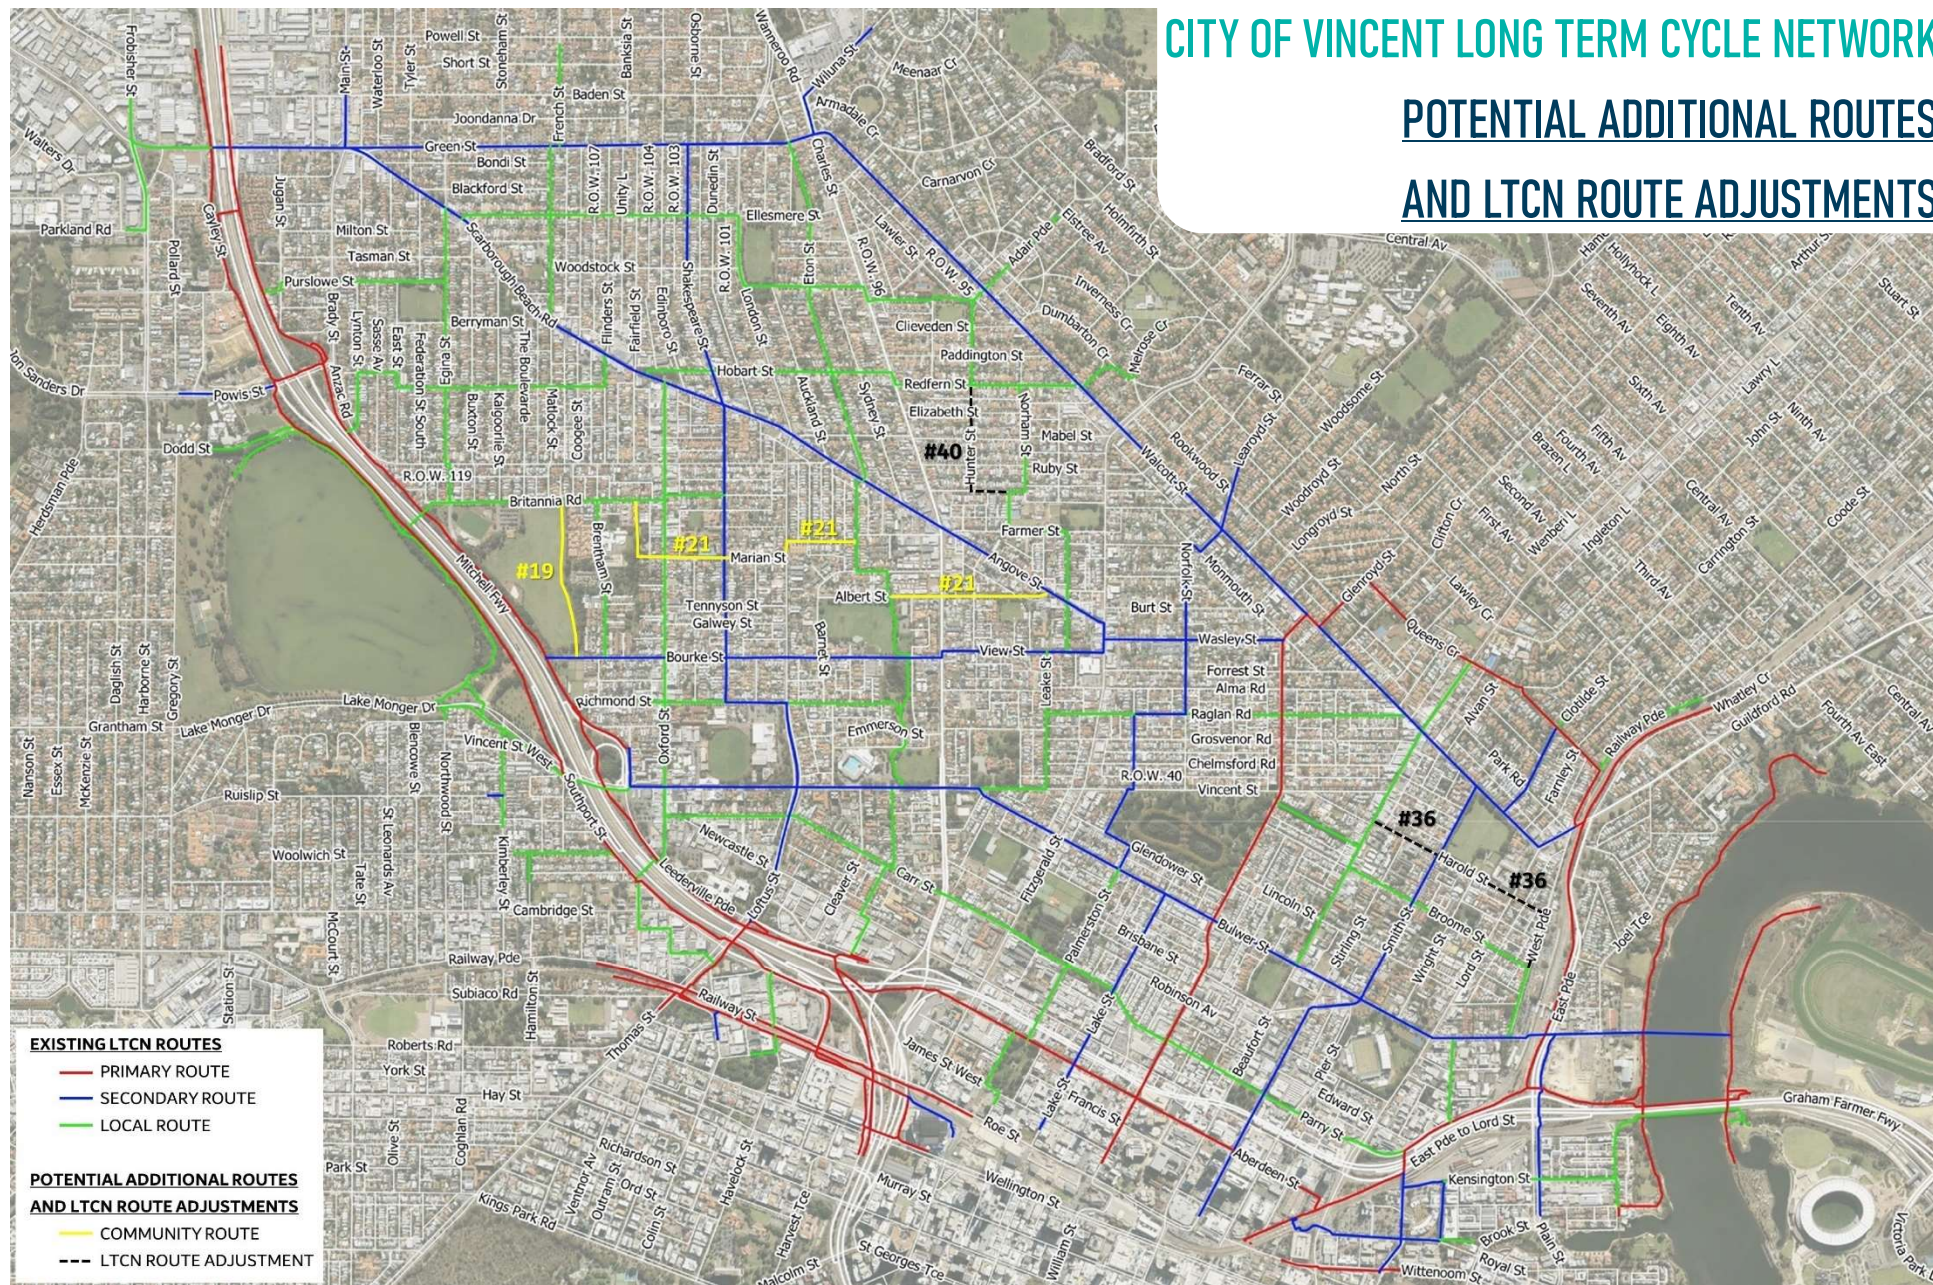

determine if a parallel route provides a better long term option to forming part of the City's LTCN - with the City's existing LTCN to be adjusted accordingly to accommodate the parallel route - these routes are outlined as follows:

- Project No.36 - Review the proposed LTCN Local Route connection along Broome Street between Beaufort Street and West Parade. Consider the merits of the Harold Street corridor forming the Local Route connection between Beaufort Street and West Parade in this locality. If Harold Street is considered to form a better long term connection and provide access to key local destination, then the City to request for the Harold Street corridor to be added to the LTCN in place of or in addition to the Broome Street corridor.
- Project No.40 - Review the proposed LTCN Local Route connection along Norham Street between Redfern Street and Farmer Street. Consider the merits of the Hunter Street corridor forming the Local Route connection between Redfern Street and Farmer Street in this locality. If Hunter Street is considered to form a better long term connection and provide access to key local destination, then the City to request for the Hunter Street corridor to be added to the LTCN in place of the Norham Street corridor.

Figure 18 shows the location of the potential additional routes and LTCN route adjustments.

FIGURE 18

# CITY OF VINCENT LONG TERM CYCLE NETWORK POTENTIAL ADDITIONAL ROUTES AND LTCN ROUTE ADJUSTMENTS

# PROMOTE WALKING AND RIDING – ENCOURAGE BEHAVIOUR CHANGE

## Behaviour Change

How people feel about walking and riding plays an important role in whether they decide to walk or ride. Changing people's perceptions of active transport will encourage more sustainable travel.

Road user behaviour has a critical influence on the successful implementation of cycling infrastructure projects, whilst also being the main factor to increasing the uptake of walking and riding.

Individual travel choices are often complex, with many interrelated factors – and the City recognises that making walking and riding the choice for localised trips requires a combination of good planning and design, safe and supportive environments, education and behaviour change.

The City will encourage more people to walk and ride and promote safer road sharing through public education and campaigns.

The City will promote walking and riding at the event we host – including outlining walking and riding access and parking to event attendees.

The City will include active transport promotion in its event schedule each year. These events will include activities and engagement developed with behaviour change principles in mind, whether related to the delivery of specific projects or broader objectives (Share the Space, Open Streets, Safe Routes to School etc.).

The City will use events such as Bike Month, City sponsored cycling events and other City community events to promote active transport choices. This will be accompanied by communication, advertising and engagement materials that focus on the many benefits of active transport (health and wellbeing, safety, reduced congestion and parking, functionality and fun). These will be advertised via the City's communication channels and through the production of marketing material as appropriate.

The City will continue to promote and participate in the Your Move program which is a community based behaviour change program run by DoT that supports schools, workplaces and individual participants to reduce their car use and instead try walking, bike riding, and public transport to get around the city and local area.

In addition, both WABN funded and City funded projects will include behaviour change approaches and objectives as part of the activation elements of its consultation strategy.

## Enabling Independent Mobility for Children

Outside of their home, the school is the place where children spend most of their time. For children, walking and riding a bike to school along a familiar and frequent route provides independence within and beyond their neighbourhood, improves health and self-confidence, and sets life-long sustainable travel habits patterns.

Reaching children and families by engaging with and through the major institutional influence in their lives - the child's school - is an important avenue to provide targeted support for children's independent mobility.

In 2021, DoT released the paper *The Declining Rate of Walking and Cycling to School in Perth* highlighting the low participation in walking and riding to school and the impact it is having on the transport network (in particular streets in close proximity to school sites) and mental and physical wellbeing of children. The DoT paper notes:

- The national rate of walking and riding to school has dropped from 75% to 25% over the past 40 years, and in Perth the rate is as low as 20%.
- Travel to school comprises approximately 18% of morning peak transport trips in the Perth metropolitan area and is estimated to cost the economy over \$186 million per year.
- The impacts of declining walking and riding to school are immediate and long-term including increased travel time, more traffic congestion, less opportunity for skills development and self-efficacy and associated lower return on investment in cycling infrastructure, childhood obesity and chronic disease, and road infrastructure costs.

To aim to reverse the declining rate of walking and riding to school in Perth, DoT have released the *Active Travel Roadmap 2023-2030*. The Roadmap seeks to address key urban planning, policy, individual and social factors, and enable more children to walk, bike ride, scoot and catch public transport to school.

The Roadmap was developed by a dedicated Active Travel to School Working Group, which was established by the Bicycle Riding Reference Group, and has been endorsed by the Departments of Transport, Education and Health, the Road Safety Commission, the Western Australian Local Government Association and the Institute of Public Works and Engineering Australasia.

The Roadmap identifies the following barriers to walking and riding to school in Perth:

- Poor pedestrian and shared path accessibility
- Traffic around schools
- Safety and parent/carer perceptions
- Distance between home and school
- Increased car affordability
- Parent/carer time constraints

The Roadmap seeks to address these barriers to walking and riding to school, as well as supports initiatives that encourage children to switch from private car to public transport trips.

The proposed Roadmap initiatives to address the barriers to walking and riding to school, have been grouped according to the four social-ecological factors of school travel:

1. Urban environment - land use and transport planning
2. Policy and regulation - road rules and safety
3. Individual - personal values, attitudes and behaviours
4. Social - shared values and social norms

This model is important for addressing the problem of declining walking and riding to school as it systematically identifies all factors that influence behaviour. The model explores causal, interacting and reinforcing links between these factors and facilitates the identification of appropriate measures that will lead to sustained increases in active travel to school if applied consistently.

The Roadmap identifies a total of 24 initiatives across the four social-ecological factors. The following initiatives are most relevant to the City and our community:

FACTOR	REF NO.	INITIATIVE
<b>Urban Environment</b>	3	Provide Connecting Schools Grants for wayfinding, riding education and end of trip facilities.
	5	Deliver School Connectivity Improvement Projects.
	9	Provide WA Bicycle Network Plan grants to connect Long Term Cycling Network to schools.
<b>Policy and Regulation</b>	3	Research and develop new initiative trials including exclusion zones, park and walk/ride, and staggered school start and finish times.
<b>Individual</b>	3	Provide bike education at WA Schools.
<b>Social</b>	1	Research parent safety perceptions.
	2	Develop positive attitudes and behaviours towards walking, riding and public transport.

## **CITY ACTIONS: to promote walking and riding and encourage behaviour change**

<b>CITY ACTIONS: to promote walking and riding and encourage behaviour change</b>		Timing
<b>50</b>	City to partner with local schools and DoT to pilot infrastructure and traffic management initiatives, including temporary restricted vehicle access on roads adjacent to schools.	<input checked="" type="checkbox"/> <input checked="" type="checkbox"/>
<b>51</b>	City to partner with local schools and review location, form, and use of active transport end-of-trip facilities in schools.	<input checked="" type="checkbox"/> <input checked="" type="checkbox"/>
	City to support schools with grant funding applications for additional end-of-trip facilities as identified by the review.	
<b>52</b>	City to support DoT with delivering initiatives outlined in the <i>Active Travel Roadmap 2023-2030</i> .	<input checked="" type="checkbox"/> <input checked="" type="checkbox"/>
	<ul style="list-style-type: none"> <li>City to run walking and bike riding promotions at schools alongside any formal bike education program delivered by DoT or others.</li> </ul>	
<b>53</b>	City to include active transport promotion in all its event schedule each year. City to continue to attract and facilitate events that promote walking and cycling.	<input checked="" type="checkbox"/> <input type="checkbox"/>
	City to work with other parties including state agencies and stakeholders to attract such events.	
<b>54</b>	City to review wayfinding information and signage for walking and cycling in the town centres.	<input type="checkbox"/> <input checked="" type="checkbox"/>
	City to develop consistent and up to date walking and cycling wayfinding material for the town centres.	

Short term action (completed or initiated **within 2-3 years**)  
 Longer term action (completed or initiated **after 2-3 years**)

# IMPLEMENTATION AND MEASURING OUR PROGRESS

## Investment in Active Transport

Successful active transport infrastructure requires significant community engagement, planning and investment.

The City is determined to ensure its own investment, as well as its applications for State Government funding grants, are towards projects best reflecting community aspirations and seeking to provide for safe environments for riders of all ages and abilities.

Utilising funds on the right projects has the greatest potential to increase the number of people walking and cycling within the city, as well as enhance the safety and quality of the overall experience.

The City will consider projects outlined in this Bike Plan as part of its annual budget review process, focusing on high and medium priority projects in the initial phase. Projects that are to be implemented as part of other major projects will be scheduled accordingly.

## Grant Funding Opportunities

It is anticipated that funding opportunities will be available from DoT for projects that fall within the LTCN. An additional layer of routes that are important to the City but are not on the LTCN, have been termed Community Routes.

Projects that fall within the identified Community Routes are more likely to be funded by the City and through private developments rather than through the DoT's bike grant funding process.

It is important that the projects delivered under this plan serve a genuine benefit to the community, and in order to do so the community must have input throughout all stages of project development.

The DoT has developed an Activation, Consultation and Engagement Plan (ACE) that is an integral part of all WABN funded projects. The plan provides guidance and structure to community-based consultation and engagement initiatives that seek to promote the project and measure its success as a community asset.

ACE Guidance has been developed by DoT to assist in the planning, delivering and recording of the engagement and evaluation aspects of all DoT grant funded projects. These are essential aspects of projects that have been embedded into delivery to ensure that projects can be implemented successfully, more fully serve the needs of local communities, attract different types of users, and leverage better returns on investment.

Resources are assigned to undertake:

- Activation - promotion of grant project through local media and/or stories.
- Consultation - consultation summary and connectivity map.
- Evaluation - bike video survey (construction projects only).

## Measuring Our Progress

Our progress in delivering this Bike Plan will be evaluated and tracked against the actions below. The City will annually review and evaluate the Bike Plan and our progress. Where needed, we will update the Bike Plan, our actions and outcomes accordingly.

The desired outcomes for this Bike Plan are:

### Increases In:

- Percentage of short trips made by people walking and riding in the city.
- People riding their bike in the city.
- Percentage of school children walking and riding their bike to and from school in the city.
- Perception of cycling safety, connectivity and effectiveness in the city.

### Decreases In:

- Percentage of short trips made by people using a vehicle in the city.
- Rate of crashes involving a pedestrian or bike rider in the city.

**CITY ACTIONS: to implement the Bike Plan and measure our progress**

<b>CITY ACTIONS: to implement the Bike Plan and measure our progress</b>		<b>Timing</b>
<b>55</b>	All of the City's active transport projects (both WABN funded projects and City funded projects) to follow the ACE plan.	<input checked="" type="checkbox"/> <input type="checkbox"/>
<b>56</b>	City to work with DoT and other State Government partners to identify available annual datasets which the City can use to monitor movement trends: <ul style="list-style-type: none"> <li>• Percentage of short walk trips within the city (&lt;1 kilometre).</li> <li>• Percentage of short bike trips within the city (&lt;3 kilometres).</li> <li>• Percentage of short vehicle trips within the city (&lt;3 kilometres).</li> <li>• Total number of walk trips within the city</li> <li>• Total number of bike trips within the city</li> </ul>	<input checked="" type="checkbox"/> <input type="checkbox"/>
<b>57</b>	City to request DoT to provide annual data from the Your Move 'Hands Up' surveys conducted at schools within the city. City to monitor annually how children are travelling to school across the city.	<input checked="" type="checkbox"/> <input checked="" type="checkbox"/>
<b>58</b>	City to use the Level of Traffic Stress (LOTS) assessment tool during the design development stage of all new cycling infrastructure projects. City to ensure that the project scores a LOTS 1 or LOTS 2 as a minimum (the City to provide additional justification for any project that is progressed with a higher LOTS score): <ul style="list-style-type: none"> <li>• LOTS 1 - comfortable for all ages and abilities</li> <li>• LOTS 2 - comfortable for most adults</li> </ul>	<input checked="" type="checkbox"/> <input checked="" type="checkbox"/>

<b>CITY ACTIONS: to implement the Bike Plan and measure our progress</b>		<b>Timing</b>
<b>59</b>	City to use Main Roads WA crash data to annually monitor crashes within the city involving a pedestrian or bike rider.	<input checked="" type="checkbox"/> <input checked="" type="checkbox"/>
<input checked="" type="checkbox"/> Short term action (completed or initiated <b>within 1 year</b> ) <input checked="" type="checkbox"/> Longer term action (completed or initiated <b>after 1 year</b> )		

**Leederville Neighbourhood Projects**

All Criteria Scored: 3 = High Impact  
2 = Medium Impact  
1 = Low Impact

Total Project Scored 14-18 = High Priority  
9-13 = Medium Priority  
<8 = Low Priority

Project	Priority	Safety Improvement	Community Support	Access to Destinations	Network Completeness	Anticipated Usage	Value for Money	Total	LTCN
8 Investigate options to improve clarity and safety of pedestrian and cyclist priority crossing Loftus Street left turn slip lane into Graham Farmer Freeway on ramp. Consider road signage and pavement markings as per the Loftus Street left turn slip lane into Railway Street.	High	3	3	2	1	2	3	14	Secondary
9 City to contact Main Roads WA to inform them of community concerns regarding the section of Mitchell Freeway PSP to the south of Old Aberdeen Place where the PSP makes a sharp 90 degree bend and splits between a connection to Newcastle Street and connection to Aberdeen Street/Fitzgerald Street. City to raise concerns over the poor maintenance of the pavement anti-skid coating and tree roots impacting the surface at either end of the transition into the sharp bend.	High	3	3	2	1	3	3	15	Primary
10 Investigate options to improve clarity and safety of pedestrian and cyclist crossing of Newcastle Street between the Strathcona Street and Golding Street sections of the Safe Active Street route.	Medium	1	1	2	2	1	2	9	Local
11 Investigates options to improve the conditions for cycling along the Vincent Street corridor between the Mitchell Freeway PSP and Charles Street. Including enhanced bike parking at key destinations such as the town centre and Beatty Park.	High	3	3	3	1	2	2	14	Secondary
12 Investigate options to provide for pedestrian and cyclist priority crossing at the existing Bourke Street raised path connection between Charles Veryard Reserve and Smiths Lake Reserve.	Medium	1	2	2	1	2	2	10	Local
13 On Bourke Street between Scott Street (end of the Safe Active Street treatment) and Charles Street, consider options to improve the visibility of cyclists along the street. Consider pavement markings as a minimum (such as yellow bike symbols).	Low	1	1	2	1	2	1	8	Secondary
14 Monitor path debris and flooding issues at the Richmond Street connection to the Mitchell Freeway PSP. Seek to resolve path debris and flooding issues if identified as a consistent issue.	Low	1	1	2	1	2	1	8	Local
15 Investigate options to improve safety of pedestrian and cyclist crossing of Loftus Street at Richmond Street.	Medium	3	1	2	2	2	2	12	Secondary-Local
16 Continue on-street bike lanes on Oxford Street between Vincent Street and Richmond Street.	Medium	2	1	2	1	2	2	10	Local
17 Investigate options to improve clarity and safety of pedestrian and cyclist priority crossings at left turn slip lanes at the Vincent Street and Leederville Parade and Mitchell Freeway ramp intersection. Consider road signage and pavement markings as per the Lake Monger Drive and Southport Street and Mitchell Freeway ramp intersection.	High	3	3	2	1	2	3	14	Secondary-Local
18 City to contact Main Roads WA to seek a review of the pedestrian signal phases at the Loftus Street intersections with Vincent Street and Newcastle Street. To seek to provide pedestrian and cyclists crossings in a single phase with sufficient green time.	Low	1	2	2	1	1	1	8	Secondary

**Mt Hawthorn Neighbourhood Projects**

9-13 = Medium Priority  
<8 = Low Priority

Project	Priority	Safety Improvement	Community Support	Access to Destinations	Network Completeness	Anticipated Usage	Value for Money	Total	LTCN
28 Investigate options to improve clarity and safety of pedestrian and cyclist crossing of William Street east-west between the traffic signal controlled intersections of Walcott Street/William Street and Vincent Street/William Street. Crossing of William Street should be located to support a future LTCN Local Route - possibly in vicinity of Raglan Road.	Medium	2	2	1	2	2	2	11	Local
29 Continue eastbound on-street bike lane along Bulwer Street to the east of the Beaufort Street and Bulwer Street intersection (adjacent to existing fuel station).	Medium	2	1	1	1	2	2	9	Secondary
30 Conduct a review of the Bulwer Street and Stirling Street intersection with focus on the movement and safety of pedestrians and cyclists. Review pedestrian and cyclist conflicts across the Bulwer Street bike lanes, review location and utilisation of bike parking adjacent to Woolworths and road safety of on-street parking and cyclists conflicts, and vehicle conflicts with pedestrian and cyclist movements. Develop options to address any issues and safety concerns identified.	Medium	2	3	2	1	2	2	12	Secondary
31 Conduct a review of the existing Bulwer Street bike lanes channelising cyclists into a narrow traffic lane on approach to the Brisbane Street/Smith Street and Bulwer Street roundabout. Develop options to address the conflicts of cyclists merging into traffic lanes without sufficient warning for bike riders or drivers.	Medium	2	3	2	1	2	2	12	Secondary
32 Investigate options to continue existing eastbound Bulwer Street bike lane up to the Lord Street intersection. Consider installing cyclist advanced stopline to assist with bike riders adopting a safe position to cross ahead to Summer Street and be visible to drivers of left turning vehicles.	Medium	1	2	2	1	2	2	10	Secondary
33 Investigate options to improve clarity and safety of cyclist movements between the end of the PSP at Lord Street and the desire to continue along Parry Street (consider both eastbound and westbound cycle movements).	Low	1	1	1	1	2	1	7	Local
34 City to monitor the use of the Swan River Shared Path between the Windan Bridge and Bardon Park and the increasing pressure on the path with high pedestrian and cyclist volumes. City to consider locations where separate pedestrian and cyclist paths may be required in the future.	Medium	1	2	2	1	3	1	10	Primary
35 City to advocate for enhanced pedestrian and cyclists facilities and network connections through the area where Guildford Road, East Parade, Whatley Crescent, Railway Parade and the Midland Line rail bridge intersect.	Medium	2	3	2	1	3	2	13	Primary-Secondary
36 Review the proposed LTCN Local Route connection along Broome Street between Beaufort Street and West Parade. Consider the merits of the Harold Street corridor forming the Local Route connection between Beaufort Street and West Parade in this locality. If Harold Street is considered to form a better long term connection and provide access to key local destination, then the City to request for the Harold Street corridor to be added to the LTCN in place of or in addition to the Broome Street corridor.	Medium	1	1	2	2	2	1	9	Local

North Perth Neighbourhood Projects

All Criteria Scored: 3 = High Impact  
2 = Medium Impact  
1 = Low Impact

Total Project Scored 14-18 = High Priority  
9-13 = Medium Priority  
<8 = Low Priority

Project	Priority	Safety Improvement	Community Support	Access to Destinations	Network Completeness	Anticipated Usage	Value for Money	Total	LTCN
37 City to work with the City of Stirling to consider options for a safe pedestrian and cyclist signal controlled crossing of Walcott Street between the existing traffic signal controlled intersections at Charles Street and Alexander Drive/Fitzgerald Street. Consider location(s) for crossing(s) to support the proposed LTCN Local Route(s) across Walcott Street at Hunter Street/Adair Parade and Redfern Street/McPherson Street.	High	3	2	2	3	2	2	14	Local
38 Provide bike parking within Kyilla Park (near to playgrounds) to avoid users locking bikes to the school fence and blocking the path network along the northern side of the park.	Medium	1	2	1	1	2	3	10	N/A
39 Investigate options to contain verge run-off at Redfern Street at the mouth of the path connection south through to Blake Street/Norham Street. Regular debris washed into the mouth of the path access on Redfern Street causing a safety concern for path users.	Low	1	2	1	1	1	2	8	Local
40 Review the proposed LTCN Local Route connection along Norham Street between Redfern Street and Farmer Street. Consider the merits of the Hunter Street corridor forming the Local Route connection between Redfern Street and Farmer Street in this locality. If Hunter Street is considered to form a better long term connection and provide access to key local destination, then the City to request for the Hunter Street corridor to be added to the LTCN in place of the Norham Street corridor.	Medium	1	2	1	2	2	1	9	Local
41 As part of the future Norfolk Street Safe Active Street project, the City to ensure a safe form of cycle crossing is provided across Vincent Street between Ethel Street and Throssell Street.	High	2	2	3	2	3	2	14	Secondary
42 As part of the future Norfolk Street Safe Active Street project, the City to investigate options to reduce the carriageway width of Glendower Street between Fitzgerald Street and Throssell Street to reduce vehicle speeds and rat running in proximity to the Safe Active Street route. To ensure these adverse impacts do not impact on the safety and use of the Safe Active Street route.	Low	2	1	1	1	1	1	7	N/A
43 Consider options for safe pedestrian and cyclist signal controlled crossing of the Charles Street corridor. Consider location(s) for crossing(s) to support the proposed LTCN route(s) across Charles Street at Hobart Street/Redfern Street (Local Route) and Bourke Street/View Street (Secondary Route).	High	3	2	2	3	2	2	14	Secondary-Local
44 Consider LTCN route connections to North Perth Primary School and potential plans for Albert Street to support east-west cycling access to the school site and North Perth Town Centre as part of a wider Community Route outlined in Project No. 21.	Medium	2	1	3	2	2	2	12	Community Route

**William Street (Northbridge) Neighbourhood Projects**

All Criteria Scored: 3 = High Impact  
2 = Medium Impact  
1 = Low Impact

<8 = Low Priority

Project	Priority	Safety Improvement	Community Support	Access to Destinations	Network Completeness	Anticipated Usage	Value for Money	Total	LTCN
8 Investigate options to improve clarity and safety of pedestrian and cyclist priority crossing Loftus Street left turn slip lane into Graham Farmer Freeway on ramp. Consider road signage and pavement markings as per the Loftus Street left turn slip lane into Railway Street.	High	3	3	2	1	2	3	14	Secondary
9 City to contact Main Roads WA to inform them of community concerns regarding the section of Mitchell Freeway PSP to the south of Old Aberdeen Place where the PSP makes a sharp 90 degree bend and splits between a connection to Newcastle Street and connection to Aberdeen Street/Fitzgerald Street. City to raise concerns over the poor maintenance of the pavement anti-skid coating and tree roots impacting the surface at either end of the transition into the sharp bend.	High	3	3	2	1	3	3	15	Primary
10 Investigate options to improve clarity and safety of pedestrian and cyclist crossing of Newcastle Street between the Strathcona Street and Golding Street sections of the Safe Active Street route.	Medium	1	1	2	2	1	2	9	Local
11 Investigates options to improve the conditions for cycling along the Vincent Street corridor between the Mitchell Freeway PSP and Charles Street. Including enhanced bike parking at key destinations such as the town centre and Beatty Park.	High	3	3	3	1	2	2	14	Secondary
12 Investigate options to provide for pedestrian and cyclist priority crossing at the existing Bourke Street raised path connection between Charles Veryard Reserve and Smiths Lake Reserve.	Medium	1	2	2	1	2	2	10	Local
13 On Bourke Street between Scott Street (end of the Safe Active Street treatment) and Charles Street, consider options to improve the visibility of cyclists along the street. Consider pavement markings as a minimum (such as yellow bike symbols).	Low	1	1	2	1	2	1	8	Secondary
14 Monitor path debris and flooding issues at the Richmond Street connection to the Mitchell Freeway PSP. Seek to resolve path debris and flooding issues if identified as a consistent issue.	Low	1	1	2	1	2	1	8	Local
15 Investigate options to improve safety of pedestrian and cyclist crossing of Loftus Street at Richmond Street.	Medium	3	1	2	2	2	2	12	Secondary-Local
16 Continue on-street bike lanes on Oxford Street between Vincent Street and Richmond Street.	Medium	2	1	2	1	2	2	10	Local
17 Investigate options to improve clarity and safety of pedestrian and cyclist priority crossings at left turn slip lanes at the Vincent Street and Leederville Parade and Mitchell Freeway ramp intersection. Consider road signage and pavement markings as per the Lake Monger Drive and Southport Street and Mitchell Freeway ramp intersection.	High	3	3	2	1	2	3	14	Secondary-Local
18 City to contact Main Roads WA to seek a review of the pedestrian signal phases at the Loftus Street intersections with Vincent Street and Newcastle Street. To seek to provide pedestrian and cyclists crossings in a single phase with sufficient green time.	Low	1	2	2	1	1	1	8	Secondary

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Visiting friends or family Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Very uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Neutral
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Very uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

I can ride everywhere however commuting to City limits (ie. top end Beaufort St, towards Mt Lawley/Bedford) from Fitzgerald St/ Blake St is not fun as traffic is torrid and getting worse.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Fitzgerald St is a nightmare and Alexander St to Central Ave is a death trap.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

- More bike repair stations along the bike paths
  - Knowing how to maintain my bike better
  - Seeing more people bike riding in my neighbourhood
  - A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic
  - More information about bike paths in my local area
  - Somewhere to park my bike at the places I want to go
- 

**Q18. What gender do you currently identify as?**

Female

---

**Q19. Age Bracket**

46-55 years

- 
- Q4. **How new are you to riding a bike?** I have been riding regularly for more than 12 months
- 
- Q5. **In the past two years, have you ridden a bike while on holiday?** Yes, I always ride a bike when on holiday
- 
- Q6. **In the past 12 months, why have you ridden a bike? (please select all that apply)** Commuting to or from work  
Accompanying children to or from school  
For leisure, recreation or to get outdoors  
For shopping / appointments / other errands  
To get around when on holiday
- 
- Q7. **What phrase best describes your attitude towards bike riding?** I'm happy to ride in most circumstances
- 
- Q8. **How comfortable are you riding on the following types of cycle paths?**  
Off-road shared paths Very comfortable
- 
- Q9. **How comfortable are you riding on the following types of cycle paths?**  
Off-road cycle-only paths Very comfortable
- 
- Q10. **How comfortable are you riding on the following types of cycle paths?**  
Shared bus and bike lanes Very uncomfortable
- 
- Q11. **How comfortable are you riding on the following types of cycle paths?**  
On the road in a shared space Somewhat uncomfortable
- 
- Q12. **How comfortable are you riding on the following types of cycle paths?**  
On-road protected bike lanes Somewhat comfortable
- 
- Q13. **How comfortable are you riding on the following types of cycle paths?**  
On-road painted lanes Neutral
- 
- Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes
-

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

The main issue is probably travelling east-west and getting across the main thoroughfares with a kids trailer; most median breaks are not wide enough to provide safe refuge. Also, in my experience, drivers generally do not keep to the 30km limit on the Safe Active Streets, particularly the thoroughfares like Bourke St and these routes are less safe and appealing as a result. The City might like to consider installing the digital speed check signs as a way of getting drivers to realise that they are speeding.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

The signal phasing at the Loftus St/Graham Farmer Freeway entrance heavily favours cars (double cycle for right turn), making this a difficult and time-consuming barrier to cross when cycling. Also, I cycle in laneways rather than on busy roads due to low traffic volumes and speeds (i.e. Alto Ln rather than Loftus St). The traffic calming/speed humps/drainage that gets installed in laneways make these less comfortable/appealing to use (particular when cycling with a kids trailer). Finally, as a general comment, it would be great to see the City consider changing the profile of existing carriageways when doing maintenance work and not simply replacing the asphalt and kerbing as is (i.e. BAU). On the streets with wide pavements, the opportunity exists to reduce the pavement and include dedicated cycle lanes and/or widened verges for more tree planting and WSUD purposes. On the narrow streets, there is generally a greater need for more greenery, not just full asphalt.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Somewhere to park my bike at the places I want to go

**Q18. What gender do you currently identify as?**

Male

**Q19. Age Bracket**

26-35 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

North Perth

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

**Q23. Which of the following best describes your household?**

Couple, with eldest child 12 or under

Q1. What modes of active transport do you usually use?	Bike
Q2. Do you own a bike?	Yes
Q3. How often do you ride a bike?	A few times a week (1-3 times a week)
Q4. How new are you to riding a bike?	I have been riding regularly for more than 12 months
Q5. In the past two years, have you ridden a bike while on holiday?	Yes, but I rarely ride a bike when on holiday
Q6. In the past 12 months, why have you ridden a bike? (please select all that apply)	Commuting to or from work For leisure, recreation or to get outdoors For sport, health or fitness
Q7. What phrase best describes your attitude towards bike riding?	I would ride more if I felt more comfortable
Q8. How comfortable are you riding on the following types of cycle paths? Off-road shared paths	Very uncomfortable
Q9. How comfortable are you riding on the following types of cycle paths? Off-road cycle-only paths	Somewhat uncomfortable
Q10. How comfortable are you riding on the following types of cycle paths? Shared bus and bike lanes	Very uncomfortable
Q11. How comfortable are you riding on the following types of cycle paths? On the road in a shared space	Somewhat uncomfortable
Q12. How comfortable are you riding on the following types of cycle paths? On-road protected bike lanes	Somewhat comfortable
Q13. How comfortable are you riding on the following types of cycle paths? On-road painted lanes	Very comfortable
Q14. Would you like more options for safe and connected bike riding facilities in the City?	Yes
Q15. Where would you like to ride in the City that you cannot ride to currently and why?	not answered

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Bike path along the freeway in Leederville area is very damaged and bumpy. Very dangerous when people riding in high speeds especially down the hills

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
More bike repair stations along the bike paths  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic

**Q18. What gender do you currently identify as?**

Female

Q1. <b>What modes of active transport do you usually use?</b>	Bike
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands For sport, health or fitness To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'll ride no matter what
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Very comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Very comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

I would like more facilities like Britannia Road Reserve where kids can ride their bikes that are local, fun and safe. If they enjoy riding their bikes then they are more likely to do so. Also, please consider supporting other inner city councils that have sufficient space for a criterium track, such as Manning Park, City of South Perth or Perry Lakes in Cambridge.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Include facilities that allow kids to play the sport of cycling.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

- Better paths, facilities and on-road safety features for all ages and cycling abilities
- Seeing more people bike riding in my neighbourhood
- Seeing more people bike riding in my neighbourhood
- Other (please specify)

**Q18. What gender do you currently identify as?**

Male

**Q19. Age Bracket**

14-17 years

**Q20. Are you a resident or visitor?**

Visitor / tourist

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

not answered

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

**Q23. Which of the following best describes your household?**

Couple, with eldest child 13 or over

**Q24. Would you like to hear the results of the survey?

- Q1. **What modes of active transport do you usually use?** Walk or run
- 
- Q2. **Do you own a bike?** Yes
- 
- Q3. **How often do you ride a bike?** I have ridden a few times in the last 12 months
- 
- Q4. **How new are you to riding a bike?** Other (please specify)
- 
- Q5. **In the past two years, have you ridden a bike while on holiday?** Yes, but I rarely ride a bike when on holiday
- 
- Q6. **In the past 12 months, why have you ridden a bike? (please select all that apply)** For leisure, recreation or to get outdoors  
For sport, health or fitness
- 
- Q7. **What phrase best describes your attitude towards bike riding?** I would ride more if I felt more comfortable
- 
- Q8. **How comfortable are you riding on the following types of cycle paths?**  
Off-road shared paths Very comfortable
- 
- Q9. **How comfortable are you riding on the following types of cycle paths?**  
Off-road cycle-only paths Very comfortable
- 
- Q10. **How comfortable are you riding on the following types of cycle paths?**  
Shared bus and bike lanes Very uncomfortable
- 
- Q11. **How comfortable are you riding on the following types of cycle paths?**  
On the road in a shared space Very uncomfortable
- 
- Q12. **How comfortable are you riding on the following types of cycle paths?**  
On-road protected bike lanes Very comfortable
- 
- Q13. **How comfortable are you riding on the following types of cycle paths?**  
On-road painted lanes Somewhat comfortable
- 
- Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes
- 
- Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**  
I would like to bike from my home to my childrens' school, to the shops, and to Beatty Park on proper bike lanes. The footpath isn't practical, especially using a family/cargo bike, and I don't feel safe on the road.
-

Q16. Please describe any walking and bike riding routes in the City that could be improved

not answered

Q17. What might encourage you to ride a bike more?  
(please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Dedicated riding to school routes  
Seeing more people bike riding in my neighbourhood  
Somewhere to park my bike at the places I want to go

Q18. What gender do you currently identify as?

Female

Q19. Age Bracket

36-45 years

Q20. Are you a resident or visitor?

Resident

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

North Perth

Q22. Which of the following best describes you?  
(please select all that apply)

Homes duties

Q23. Which of the following best describes your household?

Couple, with eldest child 12 or under

Q24. Would you like to hear the results of the survey?

- 
- Q14. **Would you like more options for safe and connected bike riding facilities in the City?** No
- 
- Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**  
Is there anywhere you cannot ride? if a road or path leads to a destination, its accessible should I want to go I would.
-

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Lord street, Traffic Lights at Parry street. East side there is a crossing over road. After crossing this then becomes bike path heading East. Travel through here 5 am nice and quiet heading to Gilford. When on return journey 5 pm 'ish traffic is heavier. For some bizarre reason cars pull up short of junction and stop over the crossing, this is a constant occurrence. Don't know if its the sign poles that obscure drivers view of junction, too many drivers do it for it just to be a shit driver. Make it well marked and obvious its a crossing and make it a keep clear zone. East Perth station at the car park on East Parade entrance/exit is well marked to keep clear and have found that drivers are always considerate at holding back and not blocking path despite it being a very busy road and limited opportunity to pull out they do the right thing and hold back for cyclists.

Q1. <b>What modes of active transport do you usually use?</b>	Electric bike (e-bike) Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Somewhat uncomfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Very uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Along Vincent street, for example from my home in Kingston avenue to Hyde park. This is because Vincent street has no cycle lanes and you have to cycle on the footpath, risking the safety of pedestrians and cars coming out of driveways. The footpaths are also badly maintained and curvy which is tricky when on a bike.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

There are lots of good cycle paths in the city but they could be improved to be made safer. It's so dangerous sharing the path with pedestrians as they are unpredictable and unprepared for bikes. Cars are just aggressive. I love the cycle path from Loftus/Newcastle street to Aberdeen street because it is totally separate from the roads and footpaths, but even that one has a very unsafe underpass with a blind turn and no mirrors or way to see what's coming. I would love to ride much more on direct routes but the only true way to be safe from cars and pedestrians is a separated cycle path/on road protected bike lane. This is best practice and should be adopted everywhere. Can I also say here that my response to question 17 below would be 'more community driving skills for adults'. It's not bike skills that are lacking. It's unsafe drivers that are the problem.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities

More information about bike paths in my local area

Somewhere to park my bike at the places I want to go

**Q18. What gender do you currently identify as?**

Female

**Q19. Age Bracket**

26-35 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

West Perth

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

**Q23. Which of the following best describes your household?**

Couple, no children

**Q24. Would you like to hear the results of the survey?  
Please enter your email below.**

not answered

**Respondent No:** 10

- 
- Q3. **How often do you ride a bike?** I have not ridden in the last 12 months
- 
- Q4. **How new are you to riding a bike?** I have been riding regularly for more than 12 months
- 
- Q5. **In the past two years, have you ridden a bike while on holiday?** Yes, I sometimes ride a bike when on holiday
- 
- Q6. **In the past 12 months, why have you ridden a bike? (please select all that apply)** not answered
- 
- Q7. **What phrase best describes your attitude towards bike riding?** I would ride more if I felt more comfortable
- 
- Q8. **How comfortable are you riding on the following types of cycle paths?**  
Off-road shared paths Somewhat uncomfortable
- 
- Q9. **How comfortable are you riding on the following types of cycle paths?**  
Off-road cycle-only paths Very comfortable
- 
- Q10. **How comfortable are you riding on the following types of cycle paths?**  
Shared bus and bike lanes Very uncomfortable
- 
- Q11. **How comfortable are you riding on the following types of cycle paths?**  
On the road in a shared space Very uncomfortable
- 
- Q12. **How comfortable are you riding on the following types of cycle paths?**  
On-road protected bike lanes Somewhat comfortable
- 
- Q13. **How comfortable are you riding on the following types of cycle paths?**  
On-road painted lanes Very uncomfortable
- 
- Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes
- 
- Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**  
Oxford Street to city centres. Parked cars and centre island with trees make it too narrow to cycle safely
-

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Walking is generally okay except that drivers do not know the road rules regarding giving way to pedestrians when turning.  
Cycling is patchy as there is a lack of safe connected cycle paths.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Feeling more confident to ride my bike whenever I need to go  
More community bike skills training for adults  
Seeing more people bike riding in my neighbourhood  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area  
Somewhere to park my bike at the places I want to go

**Q18. What gender do you currently identify as?**

Female

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness To get around when on holiday Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Neutral
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Neutral

Q14. Would you like more options for safe and connected bike riding facilities in the City?	Yes
Q15. Where would you like to ride in the City that you cannot ride to currently and why?	Any route heading East-West. It is safer and often not much slower to loop down to the CBD on the PSP than to cross east-west in the CoV.
Q16. Please describe any walking and bike riding routes in the City that could be improved	not answered
Q17. What might encourage you to ride a bike more? (please select all that apply)	<p>Better paths, facilities and on-road safety features for all ages and cycling abilities</p> <p>Seeing more people bike riding in my neighbourhood</p> <p>Seeing more people bike riding in my neighbourhood</p> <p>Somewhere to park my bike at the places I want to go</p>
Q18. What gender do you currently identify as?	Female
Q19. Age Bracket	36-45 years
Q20. Are you a resident or visitor?	Regular visitor (e.g. I work in the City)
Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)	Leederville
Q22. Which of the following best describes you? (please select all that apply)	<p>Working – part time</p> <p>Homes duties</p>
Q23. Which of the following best describes your household?	Single, no children
Q24. Would you like to hear the results of the survey? Please enter your email below.	not answered

Q1. What modes of active transport do you usually use?	Bike Electric bike (e-bike) Walk or run
Q2. Do you own a bike?	Yes
Q3. How often do you ride a bike?	A few times a week (1-3 times a week)
Q4. How new are you to riding a bike?	I have started to ride again after a break of 12 months or more
Q5. In the past two years, have you ridden a bike while on holiday?	Yes, I sometimes ride a bike when on holiday
Q6. In the past 12 months, why have you ridden a bike? (please select all that apply)	Commuting to or from work Commuting to or from a place of study (e.g. school, university, TAFE) For shopping / appointments / other errands Visiting friends or family Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. What phrase best describes your attitude towards bike riding?	I'm happy to ride in most circumstances I would ride more if I felt more comfortable
Q8. How comfortable are you riding on the following types of cycle paths?	
Off-road shared paths	Very comfortable
Q9. How comfortable are you riding on the following types of cycle paths?	
Off-road cycle-only paths	Very comfortable
Q10. How comfortable are you riding on the following types of cycle paths?	
Shared bus and bike lanes	Somewhat comfortable
Q11. How comfortable are you riding on the following types of cycle paths?	
On the road in a shared space	Somewhat comfortable
Q12. How comfortable are you riding on the following types of cycle paths?	
On-road protected bike lanes	Very comfortable
Q13. How comfortable are you riding on the following types of cycle paths?	
On-road painted lanes	Somewhat uncomfortable

Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b>	Loftus street, no cycle lanes, fast traffic and thin sidewalks with lots of driveways. Similarly with Charles Street
Q16. <b>Please describe any walking and bike riding routes in the City that could be improved</b>	Oxford Street near the TAFE, SIDE and intersection of with Vincent street. The bike lanes suddenly disappear here and you are left having to share the road with vehicles that are speeding to get to the lights. Makes riding quite uncomfortable and I am quite often forced to ride on the pavement. Oxford would be also be better as a whole if it had protected cycle lanes instead of just paint as they feel significantly safer and stop cars from parking in the bike lanes.
Q17. <b>What might encourage you to ride a bike more? (please select all that apply)</b>	<p>Better paths, facilities and on-road safety features for all ages and cycling abilities</p> <p>Seeing more people bike riding in my neighbourhood</p> <p>Seeing more people bike riding in my neighbourhood</p> <p>A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic</p> <p>More information about bike paths in my local area</p> <p>Having a bike that suits my needs (e.g. comfortable, a basket to carry my things, in good working order)</p>
Q18. <b>What gender do you currently identify as?</b>	Non-Binary / gender diverse
Q19. <b>Age Bracket</b>	18-25 years
Q20. <b>Are you a resident or visitor?</b>	Resident
Q21. <b>In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)</b>	Mount Hawthorn
Q22. <b>Which of the following best describes you? (please select all that apply)</b>	<p>Casual worker</p> <p>Full time tertiary student</p>
Q23. <b>Which of the following best describes your household?</b>	Couple, with eldest child 13 or over

Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Very comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b>	not answered

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

The route from Charles street to Fitzgerald street could have safer cycling access. The route past the Mezz on Scarborough beach road.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

- Better paths, facilities and on-road safety features for all ages and cycling abilities
- Feeling more confident to ride my bike whenever I need to go
- Seeing more people bike riding in my neighbourhood
- More information about bike paths in my local area
- Somewhere to park my bike at the places I want to go

**Q18. What gender do you currently identify as?**

Male

**Q19. Age Bracket**

46-55 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

North Perth

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

**Q23. Which of the following best describes your household?**

Single, no children

**Q24. Would you like to hear the results of the survey?  
Please enter your email below.**

not answered

**Respondent No:** 16

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

When transporting children on the bike I feel more uncomfortable riding on roads. Connecting suburbs such as North perth to the existing bike paths that go into the city (ie along the freeway via Leederville) would allow me to take the kids to the city on bike.

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

not answered

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)** Better paths, facilities and on-road safety features for all ages and cycling abilities

---

Q18. **What gender do you currently identify as?** Male

---

Q19. **Age Bracket** 26-35 years

---

Q20. **Are you a resident or visitor?** Resident

---

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)** North Perth

---

Q22. **Which of the following best describes you? (please select all that apply)** Working – full time

---

Q23. **Which of the following best describes your household?** Couple, with eldest child 12 or under

---

**Last Seen:** Dec 10, 2022 00:12:55 am

Q1. <b>What modes of active transport do you usually use?</b>	Electric bike (e-bike)
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, but I rarely ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For shopping / appointments / other errands Visiting friends or family Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station) Other (please specify)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Neutral
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Huge lack of safe lockup facilities in major entertainment centres eg not a lot of options around Oxford St and the Pickle District, and very very poor in City of Perth/Northbridge!

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Drop kerbs and buttons for road crossings are always too far from each other, eg you need to wheel up to the button, then reverse to align with the drop kerbs. Annoying for cyclists and no doubt verging on completely unsuitable for wheelchair users!!

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
More bike repair stations along the bike paths  
Knowing how to maintain my bike better  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**

Non-Binary / gender diverse

---

**Q19. Age Bracket**

36-45 years

---

**Q20. Are you a resident or visitor?**

Resident

---

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

West Perth

---

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

---

**Q23. Which of the following best describes your household?**

Couple, no children

---

**Q24. Would you like to hear the results of the survey?

<b>Q6. In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	For leisure, recreation or to get outdoors
<b>Q7. What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
<b>Q8. How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
<b>Q9. How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
<b>Q10. How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat uncomfortable
<b>Q11. How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
<b>Q12. How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
<b>Q13. How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat uncomfortable
<b>Q14. Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
<b>Q15. Where would you like to ride in the City that you cannot ride to currently and why?</b>	East Perth. Roe St is still an absolute mess, other options scary.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Make Norfolk St into a safe active street like Shakespeare. Slow down traffic on Parry St, Northbridge with speed bumps and reduced speed limit.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Feeling more confident to ride my bike whenever I need to go  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
Somewhere to park my bike at the places I want to go

**Q18. What gender do you currently identify as?**

Male

**Q19. Age Bracket**

36-45 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

North Perth

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

**Q23. Which of the following best describes your household?**

Couple, with eldest child 12 or under

**Q24. Would you like to hear the results of the survey?  
Please enter your email below.**

not answered

Q1. <b>What modes of active transport do you usually use?</b>	Electric bike (e-bike) Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Very uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

I would love to see improved facilities (i.e. safe, separated infrastructure) on and around Beaufort St to get to/from the many cafes, restaurants and shops there. Beaufort St is too busy with cars to feel safe, and the footpaths are not a good alternative as they are too busy with foot traffic.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

not answered

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Seeing more people bike riding in my neighbourhood  
Seeing more people bike riding in my neighbourhood  
Somewhere to park my bike at the places I want to go

**Q18. What gender do you currently identify as?**

Female

**Q19. Age Bracket**

26-35 years

**Q20. Are you a resident or visitor?**

Regular visitor (e.g. I work in the City)

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

East Perth  
Highgate  
Leederville  
Mount Lawley  
North Perth  
Perth

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

**Q23. Which of the following best describes your household?**

Couple, no children

Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Scarborough beach road activity centre. The part of Mt Hawthorn where there are no lanes is exactly where they are needed most. Too many cars pulling out of parking and buses make it feel unsafe

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Better connections to PSP Bike lanes should have physical protection- cars often veer into them on Oxford street

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Feeling more confident to ride my bike whenever I need to go  
Seeing more people bike riding in my neighbourhood  
Seeing more people bike riding in my neighbourhood  
Somewhere to park my bike at the places I want to go

Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	No

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

The cars in north perth between Fitzgerald and Charles street now go soo much slower than bikes that I find I'm constantly interacting with cars there now where I wasn't earlier in the year and feel far less safe. If people are riding a bike at less than 25km/hr then they should stick to the pedestrian path and your money would be better spent upgrading the pedestrian path than trying to integrate these people into the road network. It's 100x safer to be separated from cars than anything else and this narrowing lanes nonsense where the cars are forced into my space makes me feel unsafe mainly because I've had more near misses where you've done this.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Add a seperate bike lane adjacent to asphalt on Bourke street and Norfolk street with priority for cyclists at intersections. The idea of making Ethel street mixed is nuts. It's too steep for cyclists which is why no one uses it. Not only a hard ride but dangerous for young cyclists and impossible to fix the steepness of the terrain.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

- Motivation
- More bike repair stations along the bike paths
- Knowing how to maintain my bike better
- Feeling more confident to ride my bike whenever I need to go
- More community bike skills training for adults
- Seeing more people bike riding in my neighbourhood
- A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic
- More information about bike paths in my local area
- Somewhere to park my bike at the places I want to go
- Having a bike that suits my fitness level (e.g. electric bike)

**Q18. What gender do you currently identify as?**

Male

**Q19. Age Bracket**

36-45 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

- Leederville
- Mount Hawthorn
- Mount Lawley
- North Perth
- Perth

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

- 
- Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**  
I don't understand this question. There's nowhere that you can't ride to.
-

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Anywhere in the city of Vincent where a cycle lane has been separate from a vehicle lane by hard kerbs needs the kerbs removed. They fill up with broken glass, other rubbish and sand. The ToV does not clean them. They are basically puncture traps and high risk of skidding on sand leading to falls.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**      Motivation  
Having the time

---

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Neutral
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

A safe way for kids to cycle to the local high school (Mt Lawley High School). A good cycle route between Mount Lawley, North Perth, and Leederville. A good route for kids to get to Primary School (ie Leederville to North Perth Primary School)

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Improved cycling signage around the city and good spaces to park bikes at major/minor nodes. (ie a family of bikes!) 2 adult and 2 kids bikes.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
More community bike skills training for children  
Dedicated riding to school routes  
More information about bike paths in my local area  
Somewhere to park my bike at the places I want to go

---

Q1. <b>What modes of active transport do you usually use?</b>	Bike Electric bike (e-bike)
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Commuting to or from a place of study (e.g. school, university, TAFE) Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'll ride no matter what
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Neutral
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Neutral
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Very comfortable

Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b>	Parking is the biggest issue that I face. I'll cycle anywhere, but there are places that I could definitely feel safer on the road.
Q16. <b>Please describe any walking and bike riding routes in the City that could be improved</b>	Direct routes, eg. Charles street, Fitzgerald. It would be great if the most direct route was safe. Intersections could be improved. More visual reminders for drivers that they need to share the road and give priority to vulnerable road users. Roundabouts are terribly unsafe for cyclists and there ought to be NONE on designated cycle routes (eg Norfolk street). More safe crossings on busy roads. Why can't we have zebra crossings? Pelican crossing on Fitzgerald takes so long to turn green and I frequently see people choose not to wait for the green indicator. Can the council ask Main Roads to change the timing of this?
Q17. <b>What might encourage you to ride a bike more? (please select all that apply)</b>	<p>Better paths, facilities and on-road safety features for all ages and cycling abilities</p> <p>More community bike skills training for adults</p> <p>More community bike skills training for children</p> <p>Dedicated riding to school routes</p> <p>A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic</p> <p>Somewhere to park my bike at the places I want to go</p>
Q18. <b>What gender do you currently identify as?</b>	Female
Q19. <b>Age Bracket</b>	36-45 years
Q20. <b>Are you a resident or visitor?</b>	Resident
Q21. <b>In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)</b>	North Perth
Q22. <b>Which of the following best describes you? (please select all that apply)</b>	<p>Working – full time</p> <p>School student</p>
Q23. <b>Which of the following best describes your household?</b>	Couple, with eldest child 13 or over
Q24. <b>Would you like to hear the results of the survey? Please enter your email below.</b>	not answered

**Respondent No:** 35

Q1. <b>What modes of active transport do you usually use?</b>	Bike
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands For sport, health or fitness To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

not answered

Q16. Please describe any walking and bike riding routes in the City that could be improved

End of cycle lanes can be very dangerous - eg. Angove and Charles. Riding Scarborough Beach road is great except for the stop start nature of the lanes, then you nearly get taken out at the junction across to Angove or the narrowing of the road into Mount Hawthorn. Hate the way the bike boulevard has the v shaped areas as cars still try and overtake you at those points and don't always see the V - they just think you are suddenly pulling out. Kids riding to Mount Lawley High school from streets behind Walcott have a hard time crossing Walcott safely.

Q17. What might encourage you to ride a bike more?  
(please select all that apply)

Knowing how to maintain my bike better  
More community bike skills training for children  
Dedicated riding to school routes  
Seeing more people bike riding in my neighbourhood

Q18. What gender do you currently identify as?

Female

Q19. Age Bracket

46-55 years

Q20. Are you a resident or visitor?

Resident

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

Highgate  
Mount Hawthorn  
Mount Lawley  
North Perth  
Perth

Q22. Which of the following best describes you?  
(please select all that apply)

Self employed

Q23. Which of the following best describes your household?

Couple, with eldest child 13 or over

Q24. Would you like to hear the results of the survey?  
Please enter your email below.

not answered

Q11. How comfortable are you riding on the following types of cycle paths?	
On the road in a shared space	Somewhat uncomfortable
Q12. How comfortable are you riding on the following types of cycle paths?	
On-road protected bike lanes	Somewhat comfortable
Q13. How comfortable are you riding on the following types of cycle paths?	
On-road painted lanes	Somewhat comfortable
Q14. Would you like more options for safe and connected bike riding facilities in the City?	Yes
Q15. Where would you like to ride in the City that you cannot ride to currently and why?	I would like to ride to the Swan River, which is currently difficult to do due to the lack of dedicated bike lanes going east-west across the City. Currently, the only option is Bulwer Street.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

#1 - The shared bus and bike lane on Fitzgerald Street is highly dangerous, especially in peak hour. It is not a feasible option when commuting to and from work on bicycle. #2 - The section of on-road protected bike lane on Bulwer Street near Stirling St cnr (outside Woolworths Highgate) is very dangerous for cyclists, as cars turning into Stirling St cannot see cyclists riding along the bike lane.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities

---

**Q18. What gender do you currently identify as?**

Male

---

**Q19. Age Bracket**

26-35 years

---

**Q20. Are you a resident or visitor?**

Resident

---

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

North Perth

---

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

---

**Q23. Which of the following best describes your household?**

Couple, with eldest child 12 or under

---

**Q24. Would you like to hear the results of the survey?  
Please enter your email below.**

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	No, I have not ridden a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Neutral
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very uncomfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Very uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	not answered
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b>	not answered

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Bulwer Street, Oxford Street, Scarborough Beach Road. Vincent makes things difficult because they don't have one type of cycle path which confuses people who never cycle. Like putting bins or cars parking in the bike lanes on Bulwer Street. I appreciate the good intent but the older roads are too narrow to accommodate cars and bikes. The problem is where people are used to parking or there is a bus stop in the bike lane it is more problematic because others aren't looking for a cyclist. Its not confined to Vincent - Aberdeen Street is similarly a nightmare to bike on because other road users are not culturally attuned to cyclists. The cycle way "parallel" to the Freeway is great - its the other road users that are the problem.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)** Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?** Male

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run Other (please specify)
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	About one a month
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	No, I haven't been on holiday in the last two years
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would take up riding if I felt more comfortable with it
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Very uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Neutral
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Leederville, Mt Hawthorn, Mt Lawley. Not comfortable riding on roads or shared spaces on roads due to previous close calls nearly being hit by cars

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Any and all

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities

Feeling more confident to ride my bike whenever I need to go

A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic

More information about bike paths in my local area

Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**

Male

---

**Q19. Age Bracket**

26-35 years

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness To get around when on holiday Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat uncomfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

Can't ride along Fitzgerald, William, Beaufort and Lord St because I feel unsafe

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

In relation to question 18 i have selected "other (please specify)" but there is nowhere to specify so I am writing my response here. I have just moved into a new apartment building on Money St and it is a pain to get my bicycle in and out of the building when I ride. The designated bicycle parking is on level one, has no shelter so my bicycle gets blasted by the sun and rain so rusts and degrades faster and the seat gets wet and/or dusty, and only provides those wall mounted bicycle racks that requires you to raise you bicycle vertically to hang your front wheel in them. My bicycle has mudguards so I can't use these racks as they would bend and damage them. Luckily at the moment I am fit and able so can lift my bicycle but if i was injured/frail/older or had a heavier electric bicycle for example I also wouldn't be able to use them. There should be a dedicated fob controlled bicycle cage in the ground floor garage near the building entrance. currently i need to haul my bike up and down via the lift which only fits one bicycle comfortably. If I ride somewhere with my partner or another resident wants to also use the lift at the same time we have to cram in and risk grease on clothes and sprockets in shins. The building codes need to be updated so that these sort of bicycle racks are unacceptable. It is no wonder that no one in my building uses them. It's a pretty significant barrier to choosing to cycle.

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)** Better paths, facilities and on-road safety features for all ages and cycling abilities  
Seeing more people bike riding in my neighbourhood  
Other (please specify)

---

Q18. **What gender do you currently identify as?** Male

---

Q19. **Age Bracket** 26-35 years

---

Q20. **Are you a resident or visitor?** Resident

---

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)** Perth

---

Q22. **Which of the following best describes you? (please select all that apply)** Working – full time

---

Q23. **Which of the following best describes your household?** Couple, no children

---

Q24. **Would you like to hear the results of the survey?**

Q1. <b>What modes of active transport do you usually use?</b>	Bike
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, but I rarely ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Very uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Neutral

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

I am not sure which parts constitute City of Vincent but WILLIAM STREET. Oh my god William St is a nightmare. To get from Elizabeth Quay to Yagan Square you have to ride either in traffic, or on the footpath with a million pedestrians. Lord St as well is chaotic, trying to get from my home on Smith St down to the bike paths that connect East Perth Stadium / river can be hard when trying to cross Lord, and the footpaths aren't very friendly. I appreciate the Bulwer St and Stirling St bike paths, I use Stirling St constantly and Bulwer St sometimes.

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

not answered

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
More bike repair stations along the bike paths  
Knowing how to maintain my bike better  
Feeling more confident to ride my bike whenever I need to go  
More community bike skills training for adults  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
Somewhere to park my bike at the places I want to go

Q18. **What gender do you currently identify as?** Non-Binary / gender diverse

Q19. **Age Bracket** 26-35 years

Q20. **Are you a resident or visitor?** Resident

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)** Highgate

Q22. **Which of the following best describes you? (please select all that apply)** Working – part time  
Self employed

Q23. **Which of the following best describes your household?** Single, no children

Q24. **Would you like to hear the results of the survey? Please enter your email below.** not answered

- Q1. **What modes of active transport do you usually use?** Bike  
Walk or run
- 
- Q2. **Do you own a bike?** Yes
- 
- Q3. **How often do you ride a bike?** A few times a week (1-3 times a week)
- 
- Q4. **How new are you to riding a bike?** I have been riding regularly for more than 12 months
- 
- Q5. **In the past two years, have you ridden a bike while on holiday?** Yes, but I rarely ride a bike when on holiday
- 
- Q6. **In the past 12 months, why have you ridden a bike? (please select all that apply)** For leisure, recreation or to get outdoors  
Visiting friends or family  
For sport, health or fitness
- 
- Q7. **What phrase best describes your attitude towards bike riding?** I'm happy to ride in most circumstances
- 
- Q8. **How comfortable are you riding on the following types of cycle paths?**  
Off-road shared paths Somewhat uncomfortable
- 
- Q9. **How comfortable are you riding on the following types of cycle paths?**  
Off-road cycle-only paths Very comfortable
- 
- Q10. **How comfortable are you riding on the following types of cycle paths?**  
Shared bus and bike lanes Somewhat comfortable
- 
- Q11. **How comfortable are you riding on the following types of cycle paths?**  
On the road in a shared space Somewhat uncomfortable
- 
- Q12. **How comfortable are you riding on the following types of cycle paths?**  
On-road protected bike lanes Very comfortable
- 
- Q13. **How comfortable are you riding on the following types of cycle paths?**  
On-road painted lanes Somewhat uncomfortable
- 
- Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes
- 
- Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**  
Down Fitzgerald or Charles all the way to train station
-

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Crossing Charles St to access Hyde Park , either walking or cycling

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**

Female

---

**Q19. Age Bracket**

56-65 years

---

**Q20. Are you a resident or visitor?**

Resident

---

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

North Perth

---

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – part time

---

**Q23. Which of the following best describes your household?**

Single, no children

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Very comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	not answered

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

Down London, lift us, Thomas to UWA

---

Q16. Please describe any walking and bike riding routes in the City that could be improved

The pathway along the freeway adjacent to where oxford st and Britannia reserve is, is very rough on the body. Tree roots are an issue. Also need more signs for pedestrians to stay left especially when wearing ear buds.

---

Q17. What might encourage you to ride a bike more?  
(please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area

---

Q18. What gender do you currently identify as?

Female

---

Q19. Age Bracket

56-65 years

---

Q20. Are you a resident or visitor?

Resident

---

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

North Perth

---

Q22. Which of the following best describes you?  
(please select all that apply)

Working – part time

---

Q23. Which of the following best describes your household?

Couple, no children

---

Q24. Would you like to hear the results of the survey?

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	About once a fortnight
Q4. <b>How new are you to riding a bike?</b>	I have started to ride again after a break of 12 months or more
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	not answered
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat uncomfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Somewhat uncomfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Very comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very uncomfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

To the CBD and East Perth. Current routes do not feel safe as you are required to interact with a lot of traffic and cross a number of busy roads.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Crossing Fitzgerald Street to get to North Perth Primary school is hazardous for young children.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Knowing how to maintain my bike better  
More community bike skills training for adults  
More community bike skills training for children  
Dedicated riding to school routes  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area

---

**Q18. What gender do you currently identify as?**

Female

---

**Q19. Age Bracket**

36-45 years

Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

To Glendalough station along a safe bike route from north of Scarborough beach road. The approach along Scarborough Beach road is unsafe to ride on the road, crossing the intersection at main street/green street/Scarborough Beach Road is very unsafe and even riding on the footpath west of Brady street is unsafe due to its disrepair and narrowness.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Oxford Street at both ends - painting a bike on the road doesn't make the road safer for bikes at all. The bike path along the freeway really needs to be wider to cater for the commuter bike/scooter traffic along it at peak hours.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Seeing more people bike riding in my neighbourhood

---

**Q18. What gender do you currently identify as?**

Female

---

**Q19. Age Bracket**

46-55 years

Q1. <b>What modes of active transport do you usually use?</b>	Electric bike (e-bike)
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Commuting to or from a place of study (e.g. school, university, TAFE) For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Very comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Very comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

not answered

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

Near Trinity school. Path very uneven. Burswood by river separate paths for bikes and pedestrians

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
More bike repair stations along the bike paths  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area  
Somewhere to park my bike at the places I want to go

---

Q18. **What gender do you currently identify as?** Female

Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Everywhere. On road lanes are just too dangerous to ride comfortably. Always worried someone will pull out or open door. But City of Vincent didn't listen first time so I don't expect them to listen this time.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

All. Need to separate pedestrians, bikes & e-vehicles, & cars/vans/trucks.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Other (please specify)

---

**Q18. What gender do you currently identify as?**

Male

---

**Q19. Age Bracket**

66-75 years

---

**Q20. Are you a resident or visitor?**

Resident

---

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

North Perth

---

**Q22. Which of the following best describes you?  
(please select all that apply)**

Prefer not to say

---

**Q23. Which of the following best describes your household?**

Prefer not to say

---

**Q24. Would you like to hear the results of the survey?  
Please enter your email below.**

not answered

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week) I never ride a bike
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness To get around when on holiday Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'll ride no matter what
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Very comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Very comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

Elizabeth Quay is still very uncomfortable to commute with a bicycle, it slows down a lot

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

Almost all shared paths should be double: one path for pedestrians and one for cyclists. They don't mix! Especially not where there is lots of pedestrian traffic.

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)** Other (please specify)

---

Q18. **What gender do you currently identify as?** Female

---

Q19. **Age Bracket** 56-65 years

---

Q20. **Are you a resident or visitor?** Regular visitor (e.g. I work in the City)

---

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)** East Perth  
Leederville  
Perth  
West Perth

---

Q22. **Which of the following best describes you? (please select all that apply)** Casual worker

---

Q23. **Which of the following best describes your household?** Couple, no children

---

Q24. **Would you like to hear the results of the survey? Please enter your email below.** not answered

On-road protected bike lanes Neutral
- 
- Q13. **How comfortable are you riding on the following types of cycle paths?**  
On-road painted lanes Somewhat comfortable
- 
- Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes
- 
- Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**  
I don't feel confident riding across the City from Mount Hawthorn to Highgate. Charles & Fitzgerald Streets are not friendly for cyclists.
-

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

The bike path along the freeway between Leederville and Northbridge could do with some maintenance in sections. Very bumpy in some spots due to tree roots.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

More bike repair stations along the bike paths  
Feeling more confident to ride my bike whenever I need to go

**Q18. What gender do you currently identify as?**

Male

**Q19. Age Bracket**

26-35 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

Mount Hawthorn

- 
- Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes
- 
- Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**  
Very difficult to cross the city from North to South as for example when you reach the end of the "Mitchell Freeway " bike path south at Fitzgerald Street. Going towards the Narrows Bridge from there on a bike is very difficult.
-

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

There is a non-existent bike route parallel to the railway line through Northbridge. Another example further to the one above of a "blockage" through the city.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Feeling more confident to ride my bike whenever I need to go  
More information about bike paths in my local area

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

The connections to/from the major off road bike infrastructure is intermittent at best and dangerous at worst. There are few major road crossings that are safe for children, so I choose to ride on back streets to get to/from the major cycling infrastructure. The connections to these are unsafe for children and we simply drive to the cycle paths to ride to the day. Specifically, from anywhere around the Charles st & Scarborough Beach road intersection to the cycle path next to the freeway needs careful backroad planning.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Oxford st painted path is okay but as the road is narrow it is not safe except for very confident riders. This could definitely be improved to a protected bike lane.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
More information about bike paths in my local area

**Q18. What gender do you currently identify as?**

Male

**Q19. Age Bracket**

36-45 years

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

Would be nice if there was a way from leederville to Kings Park - the only option is down loftus to thomas to kings park road.

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

need more cycling only paths. and currently most on road shared space are used by car pool operators to drop off and pick up forcing cyclist onto the centre of the road - especially during busy times.

---

Q17. **What might encourage you to ride a bike more?**  
(please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Somewhere to park my bike at the places I want to go

---

Q18. **What gender do you currently identify as?**

Male

---

Q19. **Age Bracket**

36-45 years

---

Q20. **Are you a resident or visitor?**

Resident

---

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

Leederville

---

Perth

---

Q22. **Which of the following best describes you?**  
(please select all that apply)

Working – full time

---

Q23. **Which of the following best describes your household?**

Couple, no children

---

Q24. **Would you like to hear the results of the survey?**

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, but I rarely ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat uncomfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

Along Charles St. It's the thorough fare very near my house but it's unsafe. The footpaths along it are also too narrow and the verge is unusable

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

At traffic lights, Have the pedestrian lights go green whenever it's safe to cross, not just when someone presses the button especially along Loftus St

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Somewhere to park my bike at the places I want to go

---

Q18. **What gender do you currently identify as?**

Female

---

Q19. **Age Bracket**

56-65 years

---

Q20. **Are you a resident or visitor?**

Resident

---

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

North Perth

---

Q22. **Which of the following best describes you? (please select all that apply)**

Volunteer / carer  
Retired or pensioner

---

Q23. **Which of the following best describes your household?**

Couple, no children

---

Q24. **Would you like to hear the results of the survey? Please enter your email below.**

Q1. <b>What modes of active transport do you usually use?</b>	Electric bike (e-bike) Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	About once a fortnight
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Neutral
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Any of the major shopping strips other than Leederville (which is easy enough to get to by bike). All of the other shopping strips seem very unsafe to get to by bike.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

1. Scarborough Beach Road - the existing bike lane should be extended 2. Bulwer Street - the bike lane should be moved to the kerb side of parked cars, and extended through intersections 3. Vincent Street west of Bulwer Street - to connect it up to Leederville 4. Walcott Street - calling it a bike route in its current state is a sick joke 5. All of the east-west bike routes that must cross the major arterials - the current lack of crossing facilities is a serious barrier

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities

Feeling more confident to ride my bike whenever I need to go

**Other (please specify)**

Changes to the law to so there are consequences for drivers who hit cyclists - e.g. strict liability

---

**Q18. What gender do you currently identify as?**

Male

---

**Q19. Age Bracket**

26-35 years

---

**Q20. Are you a resident or visitor?**

Visitor / tourist

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat uncomfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

More access points to freeway bike path

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

There is a bike Lane along Bulwer St in front of Woolworths. If you are cycling east on that path, it doesn't continue through the junction with Stirling Street. As a result, car drivers believe they have a right to cut you off if they want to turn left from Bulwer into Stirling. Who has right of way there and in similar junctions ?

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**

Q1. <b>What modes of active transport do you usually use?</b>	Electric bike (e-bike) Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	For leisure, recreation or to get outdoors Visiting friends or family For sport, health or fitness To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

I can ride anywhere but would prefer to have separate bike lanes on roads like charles st, fitzgerald st, beaufort st.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

not answered

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
More community bike skills training for adults  
Seeing more people bike riding in my neighbourhood  
Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**

Female

---

**Q19. Age Bracket**

36-45 years

- Q1. **What modes of active transport do you usually use?** Bike  
Walk or run
- 
- Q2. **Do you own a bike?** Yes
- 
- Q3. **How often do you ride a bike?** A few times a week (1-3 times a week)
- 
- Q4. **How new are you to riding a bike?** I have been riding regularly for more than 12 months
- 
- Q5. **In the past two years, have you ridden a bike while on holiday?** Yes, I sometimes ride a bike when on holiday
- 
- Q6. **In the past 12 months, why have you ridden a bike? (please select all that apply)** Commuting to or from work  
For leisure, recreation or to get outdoors  
For sport, health or fitness
- 
- Q7. **What phrase best describes your attitude towards bike riding?** I would ride more if I felt more comfortable
- 
- Q8. **How comfortable are you riding on the following types of cycle paths?**  
Off-road shared paths Very comfortable
- 
- Q9. **How comfortable are you riding on the following types of cycle paths?**  
Off-road cycle-only paths Very comfortable
- 
- Q10. **How comfortable are you riding on the following types of cycle paths?**  
Shared bus and bike lanes Very uncomfortable
- 
- Q11. **How comfortable are you riding on the following types of cycle paths?**  
On the road in a shared space Very uncomfortable
- 
- Q12. **How comfortable are you riding on the following types of cycle paths?**  
On-road protected bike lanes Very comfortable
- 
- Q13. **How comfortable are you riding on the following types of cycle paths?**  
On-road painted lanes Very uncomfortable
- 
- Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes
- 
- Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**  
I can access everywhere ok but better smoother paths & more dedicated bike lanes would be great.
-

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Foot paths next to main roads being smoother & entry/exists onto roads less clunky to make for a more comfortable ride. Riding ON the roads is too scary/dangerous for me; Cars do not share roads so I stick to footpaths or dedicated bike lanes only. I have experienced: cars not giving way to bikes as the norm, loads of people on phones whilst driving & drivers not recognising a bikes right of way.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities

A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic

**Q18. What gender do you currently identify as?**

Female

**Q19. Age Bracket**

46-55 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

North Perth

**Q22. Which of the following best describes you?  
(please select all that apply)**

Self employed

**Q23. Which of the following best describes your household?**

Couple, with eldest child 12 or under

**Q24. Would you like to hear the results of the survey?

<b>Q1. What modes of active transport do you usually use?</b>	<b>Other (please specify)</b> The main mode of transport in our family is motor vehicle, the kids do have bikes but don't ride them everyday only on weekends.
<b>Q2. Do you own a bike?</b>	Yes
<b>Q3. How often do you ride a bike?</b>	A few times a week (1-3 times a week)
<b>Q4. How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
<b>Q5. In the past two years, have you ridden a bike while on holiday?</b>	No, I have not ridden a bike when on holiday
<b>Q6. In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	For leisure, recreation or to get outdoors
<b>Q7. What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
<b>Q8. How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat uncomfortable
<b>Q9. How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Somewhat uncomfortable
<b>Q10. How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
<b>Q11. How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Very uncomfortable
<b>Q12. How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
<b>Q13. How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat uncomfortable
<b>Q14. Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

William Street - is it possible to make William Street one lane each way instead of two lanes each way, then you could have protected bike paths and some carparking - all safely out of the way. It would be so much safer for pedestrians crossing William Street, especially near Sacred Heart Primary School and Hyde Park / Bakery and the various casual crossing that occurs to Highgate Primary School. The two lanes are often treated as a race track between traffic lights. I have lived in the area since 2010 and I have seen how dangerous William Street is for pedestrians (especially school children and the elderly) and cyclists - due to speeding cars (trying to catch green lights) as well as the odd international driver who becomes confused and drives the wrong way.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

There needs to be better walking / cycling access to Hyde Park - Vincent Street is still dangerous, especially for families getting out of cars with young children and prams and car doors being open on the drivers side. Quite often I see drivers driving to the left of speed humps so as to maintain speed and not slow down. Vincent Street is not anywhere near as safe as traffic engineers believe it to be, smart people can do silly things when getting in and out of cars.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)** Better paths, facilities and on-road safety features for all ages and cycling abilities

---

**Q18. What gender do you currently identify as?** Female

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'll ride no matter what
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Shakespeare St is a dedicated bike boulevard but then it just ends near Loftus Centre - there's no route to continue on cycling into the city. I'm unsure what the purpose of Shakespeare St is if there's not continuance of bike paths to popular destinations. Need safe passage to cross Loftus and join the cycle paths along it.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

- At the intersection of Vincent and Oxford St there needs to be better signage of the designated bike area at the front of the traffic lights on Oxford St. Too many cars stopping in that space and nowhere for bikes to go. Recommend painting green. - There's no safe passage to join Freeway bike path at the end of Oxford St. - Need better signage that north end of Oxford St is a shared zone for bikes and cars. Too many cars don't realise this and try to overtake. - Get rid of street parking on Oxford St in Leederville and create bike path to encourage cycling. There's no reason cars need to park on Oxford St when there is parking in the car park behind Oxford St and on Newcastle St. - Remove parking on Scarborough Beach Rd in Mt Hawthorn village and create designated bike path.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Feeling more confident to ride my bike whenever I need to go  
More community bike skills training for adults  
Dedicated riding to school routes  
Seeing more people bike riding in my neighbourhood  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area  
**Other (please specify)**  
fewer lunatic drivers. Need better paths that prioritise cycling so drivers understand that they have to give way. Too many psycho drivers out there trying to run over cyclists. It's dangerous. Get rid of all cars in Leederville precinct, it would make it much nicer.  
Otherwise implement protected bike lanes.

Q18. What gender do you currently identify as? Female

Q19. Age Bracket 36-45 years

Q20. Are you a resident or visitor? Resident

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live) Mount Hawthorn

Q22. Which of the following best describes you?  
(please select all that apply) Working – full time

Q23. Which of the following best describes your household? Couple, with eldest child 12 or under

Q24. Would you like to hear the results of the survey?

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	No, I have not ridden a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands For sport, health or fitness Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

\*Walcott St between Beaufort and Wanneroo Road \*A link between Mt Lawley and the Freeway PSP (at the moment I take Chelmsford/Richmond).

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

\*Angove St/ Scarborough Beach Road - protected bike lanes are great but traffic light intersections need improvement. Feels unsafe even with the bike boxes. \*Better line marking for bike lanes at roundabouts to remind cars to give way to cyclists \*Wider road medians at crossings so you can fit a bike in them! Lots of high traffic roads which have to be crossed; less confident cyclists use the road medians.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**

Male

---

**Q19. Age Bracket**

26-35 years

---

**Q20. Are you a resident or visitor?**

Resident

---

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

Mount Lawley

---

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

---

**Q23. Which of the following best describes your household?**

Couple, no children

---

**Q24. Would you like to hear the results of the survey?

Q1. What modes of active transport do you usually use?	Bike <b>Other (please specify)</b> Car
Q2. Do you own a bike?	Yes
Q3. How often do you ride a bike?	About one a month
Q4. How new are you to riding a bike?	<b>Other (please specify)</b> I'm a new-ish rider, only been riding for 4 years. Recent injury means that I am riding less at the moment, but hope to pick up km soon
Q5. In the past two years, have you ridden a bike while on holiday?	Yes, I sometimes ride a bike when on holiday
Q6. In the past 12 months, why have you ridden a bike? (please select all that apply)	Commuting to or from work For leisure, recreation or to get outdoors
Q7. What phrase best describes your attitude towards bike riding?	I would ride more if I felt more comfortable
Q8. How comfortable are you riding on the following types of cycle paths?	
Off-road shared paths	Very comfortable
Q9. How comfortable are you riding on the following types of cycle paths?	
Off-road cycle-only paths	Very comfortable
Q10. How comfortable are you riding on the following types of cycle paths?	
Shared bus and bike lanes	Somewhat uncomfortable
Q11. How comfortable are you riding on the following types of cycle paths?	
On the road in a shared space	Somewhat uncomfortable
Q12. How comfortable are you riding on the following types of cycle paths?	
On-road protected bike lanes	Very comfortable
Q13. How comfortable are you riding on the following types of cycle paths?	
On-road painted lanes	Neutral
Q14. Would you like more options for safe and connected bike riding facilities in the City?	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

not so much where as how - I live in Mt Hawthorn, with access to several shared lanes & painted lanes nearby but all of them are interrupted by motor-vehicle traffic lanes even if I'm heading somewhere like the city - put another way, despite living close to infrastructure, inner-city, high density living with a relatively high volume of cyclists, there's still not good transition from front door to cycle paths.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

not answered

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

More community bike skills training for adults  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
Somewhere to park my bike at the places I want to go

**Q18. What gender do you currently identify as?**

Female

**Q19. Age Bracket**

46-55 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

Mount Hawthorn

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

**Q23. Which of the following best describes your household?**

Couple, no children

Q1. <b>What modes of active transport do you usually use?</b>	Bike
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I am new to riding and started riding within the last 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors Visiting friends or family For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'll ride no matter what
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Neutral
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Very comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Neutral
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Neutral
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Charles St, too busy. Fitzgerald St, too busy.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Bulwer St, the bike lanes could be swept more often, a lot of debris lands in the protected bike lanes and stays there because the outer barrier keeps it there.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
More bike repair stations along the bike paths  
Feeling more confident to ride my bike whenever I need to go  
More community bike skills training for adults  
More community bike skills training for children  
Dedicated riding to school routes  
Seeing more people bike riding in my neighbourhood  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

not answered

Q16. Please describe any walking and bike riding routes in the City that could be improved

All of them! There are no marking indicating share paths in the Charles Veryard, Beatty park reserves. Marking have faded on Bulwer street, Aberdeen Street, Parlmerston Street and this means people park in the cycle paths, open their car doors into cycle traffic and use them to drive in. Some drivers are plain rude and belligerent, others don't realise there are dedicated cycle paths because you don't maintain the marking, or have any markings!! Plus the street sweepers dont clean up broken glass, leaf litter etc. Your lack of maintenance is shameful. How about getting back to basics by maintaining existing infrastructure and even checking/fining illegible parking. Even your photos above in this survey show the poor state of the City's cycle paths.

Q17. What might encourage you to ride a bike more?  
(please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities

**Other (please specify)**

Do some maintenance and make other road users (including pedestrians) realise that there are dedicated cycle paths and / or shared pedestrian / cycle paths

Q18. What gender do you currently identify as?

Prefer not to say

Q19. Age Bracket

Prefer not to say

Q20. Are you a resident or visitor?

Resident

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

North Perth

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'll ride no matter what
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Very comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat uncomfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

There is no way to ride efficiently and safely from Leederville to Mt Lawley. On road protected bike lanes unfortunately are not as safe as riding directly on road due to cars turning into cross roads without looking at flow of bikes.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

not answered

**Q17. What might encourage you to ride a bike more?** not answered  
(please select all that apply)

**Q18. What gender do you currently identify as?** Male

**Q19. Age Bracket** 26-35 years

**Q20. Are you a resident or visitor?** Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)** Mount Hawthorn

**Q22. Which of the following best describes you?** Working – full time  
(please select all that apply)

**Q23. Which of the following best describes your household?** Couple, with eldest child 12 or under

**Q24. Would you like to hear the results of the survey?** not answered  
Please enter your email below.

Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	No

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Connect from Northbridge to city without hassle or weaving people walking.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

From St George Tce to Northbridge

---

**Q17. What might encourage you to ride a bike more?** Having the time  
(please select all that apply)

---

**Q18. What gender do you currently identify as?** Male

---

**Q19. Age Bracket** 36-45 years

---

**Q20. Are you a resident or visitor?** Resident

---

Q1. <b>What modes of active transport do you usually use?</b>	Bike
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, but I rarely ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Commuting to or from a place of study (e.g. school, university, TAFE) For leisure, recreation or to get outdoors Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Neutral
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Neutral
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

not answered

---

Q16. Please describe any walking and bike riding routes in the City that could be improved

Would love to see the Oxford Road bike lanes become protected. They are very popular, but can be uncomfortable with cars pulling in and out of parking, and busses stopping.

---

Q17. What might encourage you to ride a bike more?  
(please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic

---

Q18. What gender do you currently identify as?

Male

---

Q19. Age Bracket

18-25 years

---

Q20. Are you a resident or visitor?

Resident

---

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

Mount Hawthorn

---

Q22. Which of the following best describes you?  
(please select all that apply)

Casual worker  
Full time tertiary student

---

Q23. Which of the following best describes your household?

Couple, with eldest child 13 or over

---

Q24. Would you like to hear the results of the survey?

Please enter your email below.

Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b>	You can ride anywhere, the greater issue is security once stopped with no lockable storage options. There's also zero dedication cycling racing facilities which is inconsistent with the number of sporting cyclists living in Vincent

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Oxford St has good sections and terrible sections from a safety perspective

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Somewhere to park my bike at the places I want to go

---

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands For sport, health or fitness Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Neutral
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

N/A - There's nowhere I won't put up with traffic.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

I have a little route from my home on Stirling Street to the North Perth Lesser Hall I make once or twice a week. There's no great way to get there - the Bulwer St. path is excellent but after the right onto Charles, it's a jungle, and it's where the hill gets steep so drivers are more impatient.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Seeing more people bike riding in my neighbourhood  
Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	About once a fortnight
Q4. <b>How new are you to riding a bike?</b>	I have started to ride again after a break of 12 months or more
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	For leisure, recreation or to get outdoors For sport, health or fitness To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b> not answered	

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

not answered

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Having the time  
Not having to worry about commuting to work  
Better paths, facilities and on-road safety features for all ages and cycling abilities  
More bike repair stations along the bike paths  
Feeling more confident to ride my bike whenever I need to go  
More community bike skills training for children  
More information about bike paths in my local area  
Somewhere to park my bike at the places I want to go

**Q18. What gender do you currently identify as?**

Female

**Q19. Age Bracket**

36-45 years

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have started to ride again after a break of 12 months or more
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from a place of study (e.g. school, university, TAFE) For leisure, recreation or to get outdoors For shopping / appointments / other errands For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

Beaufort St and William St

---

Q16. Please describe any walking and bike riding routes in the City that could be improved

Beaufort St and William St both need better biking infrastructure. These are the areas I ride in the most to do shopping / go to restaurants / visit Hyde Park, but feel very uncomfortable and unsafe. The footpath is too busy to ride on and the traffic is erratic and unpredictable.

---

Q17. What might encourage you to ride a bike more?  
(please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Feeling more confident to ride my bike whenever I need to go  
Dedicated riding to school routes  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area  
Somewhere to park my bike at the places I want to go

---

Q18. What gender do you currently identify as?

Male

---

Q19. Age Bracket

26-35 years

---

Q20. Are you a resident or visitor?

Resident

---

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

Highgate

Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Very comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

I would like a more connected ride to the beach and to Kings park. Why does the cycle lane/ shared path end once you get to train line. Thomas road is really dangerous to ride on. Also feel like Scarborough beach road there is an opportunity to connect the current bike lane with one to the beach. Furthermore I'm sure people would like the same when they live in one council and work or send kids to school in another council. Collaboration between councils is something that the department of transport could both facilitate and incentivise to create safer and more enjoyable and effective active transport routes.

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

The shared lane on Oxford street/ Scarborough beach road works ok but also feels dangerous as cars try to pass you or beep you occasionally. I would never ride on Beaufort or Fitzgerald street in the shared bike/ bus lane feels very very unsafe.

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic

Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Neutral

Q13. How comfortable are you riding on the following types of cycle paths?

On-road painted lanes

Somewhat uncomfortable

Q14. Would you like more options for safe and connected bike riding facilities in the City?

Yes

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

Everywhere. Streets should accommodate pedestrians, cyclist and active transport, not cars. Cars should be accommodated not prioritised. Access and safety should never be a reason not to walk or ride. Access from suburbs to city centre and north bridge. Sharing with cars is unfortunately not safe and quite unpleasant with car fumes and heat.

Q16. Please describe any walking and bike riding routes in the City that could be improved

Charles Street, all intersections in particular along Scarborough beach road where pedestrian crossing is not long enough to cross the road before cars start turning. All residential streets. Slow and limited vehicle movement in residential streets has great benefits to residents and commuters alike. Residential streets are not necessary for car commuting and subsequently have no need for through access for cars at speed.

Q17. What might encourage you to ride a bike more? (please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities

Feeling more confident to ride my bike whenever I need to go

Dedicated riding to school routes

Seeing more people bike riding in my neighbourhood

Seeing more people bike riding in my neighbourhood

More information about bike paths in my local area

Somewhere to park my bike at the places I want to go

**Other (please specify)**

Safety from cars. No one should fear injury or abuse for cycling or walking.

Q18. What gender do you currently identify as?

Male

Q19. Age Bracket

26-35 years

Q20. Are you a resident or visitor?

Resident

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

North Perth

Q22. Which of the following best describes you? (please select all that apply)

Working – full time

Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Easy access to Swan River from North Perth.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Riding for children - eg Ride from North Perth to Mt Hawthorn for children eg 6 year old in a safe manner. Current segregated route along Scarborough Beach Road does not seem consistently segregated from traffic to feel comfortable sending child of that age along route. Regulation and enforcement along cycle routes - eg Cycle route along Bulwer St regularly has vehicles double parked/standing along it and this is a material hazard to cycling that route. Cargo bikes - bike infrastructure to accommodate cargo bikes. We have an electric cargo bike that can carry 2 children and think that the cycle infrastructure could be improved to cater for those sorts of bikes. Eg wider bike lanes and longer refuges at traffic islands for crossing streets. Eg island on Scarborough Beach Road when crossing from Shakespeare is an example of a good island with plenty of length for a cargo bike.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Knowing how to maintain my bike better  
Dedicated riding to school routes

Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

There's nowhere I feel I cannot ride to in the City of Vincent

---

Q16. Please describe any walking and bike riding routes in the City that could be improved

It would be great if there was some kind of cycle lane or Path along Newcastle Street between Leederville and the CBD and on Charles St - preferably a shared footpath/bike path off the road.

---

Q17. What might encourage you to ride a bike more?  
(please select all that apply)

Having the time  
Better paths, facilities and on-road safety features for all ages and cycling abilities  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
Having a bike that suits my fitness level (e.g. electric bike)  
**Other (please specify)**  
More bike education for drivers - most Perth drivers don't know how to share the road with cyclists, and don't understand that the cycle lane is FOR cyclists - the Aberdeen St bike lane is often blocked by cars that have pulled over to let someone out or wait for someone to get in, and you have to be really careful not to get doored when drivers park and get out of the car - so many don't seem to realise the lane is for cyclists and so don't look before they open their door into the lane.

---

Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For shopping / appointments / other errands Visiting friends or family For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Neutral
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Very comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Loftus Street and Thomas Street. Near Beatty Park. Vincent Street between Oxford Street and freeway overpass towards Lake Monger.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Vincent Street between Oxford Street and freeway overpass towards Lake Monger. From Oxford Street towards Leederville Parade there's no bike path, you have to either go on the footpath or on the road - very unsafe. Also, cars exiting the service station are always blocking the footpath. Signs on the exit might help them consider cyclists/pedestrians. Then when you cross Leederville Parade, you need to push the bell button otherwise you won't get a green light. Then if you get green, cars wanting to turn are always blocking the road. There should be zebra crossings on Leederville Parade both on the service station and the freeway side, so cars notice they should make room for pedestrians and cyclists.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities

Somewhere to park my bike at the places I want to go

**Other (please specify)**

Not having to push bell buttons to get a green light. It is very frustrating to have to wait another round to get green after pushing the button. Especially when you are standing in the bright sunlight without any shadow.

---

**Q18. What gender do you currently identify as?**

Female

---

**Q19. Age Bracket**

46-55 years

---

**Q20. Are you a resident or visitor?**

Regular visitor (e.g. I work in the City)

---

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

Highgate  
Leederville  
North Perth  
Perth

---

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – part time

---

**Q23. Which of the following best describes your household?**

Couple, no children

---

**Q24. Would you like to hear the results of the survey?  
Please enter your email below.**

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors Visiting friends or family For sport, health or fitness To get around when on holiday Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'll ride no matter what
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Neutral
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Very comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

not answered

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

not answered

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
More bike repair stations along the bike paths  
Knowing how to maintain my bike better  
Somewhere to park my bike at the places I want to go

---

Q18. **What gender do you currently identify as?**

Male

---

Q19. **Age Bracket**

36-45 years

---

Q20. **Are you a resident or visitor?**

Resident

---

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

Highgate

---

Q22. **Which of the following best describes you? (please select all that apply)**

Working – full time

---

Q23. **Which of the following best describes your household?**

Couple, no children

---

Q1. <b>What modes of active transport do you usually use?</b>	Electric bike (e-bike)
Q2. <b>Do you own a bike?</b>	not answered
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have started to ride again after a break of 12 months or more
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b>	not answered

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Bike path between Loftus Street travelling north alongside Leederville Parade up to the Lake Monger Drive/Vincent Street overpass ramp. Surface is grossly uneven, broken with massive tree roots pushing asphalt up. Needs to be replaced/resurfaced properly.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area  
Somewhere to park my bike at the places I want to go

**Q18. What gender do you currently identify as?**

Female

**Q19. Age Bracket**

56-65 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

Mount Hawthorn

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – part time

**Q23. Which of the following best describes your household?**

Couple, with eldest child 13 or over

**Q24. Would you like to hear the results of the survey?  
Please enter your email below.**

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Very uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

More parts of Maylands particularly around Maylands Peninsula Primary school that are not connected to the river bike path or the railway bike path, to Mt Lawley Senior highschool, parts of Highgate, to Hyde Park. from the east, more parts of Mt Lawley particularly access to Beaufort St, Inglewood, Bayswater, Northbridge, North Perth and within the CBD. A safer crossing for bikes (and pedestrians) across Whatley Crescent between the 3rd Ave bridge and 1st Ave. Better bike friendly streets that connect to bike paths around the river part of Mt Lawley. I don't ride to these places now as would need to interact with cars in a way that doesn't feel safe.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

The bike path along the river between Maylands and Mt Lawley has a lot of bumps. More trees along the bike path along the railway from the city would make the ride much more pleasant in summer when it is very hot. More signage indicating routes and distances. Smoother grading of the hill opposite Mt Lawley railway station on the Whatley Crescent side. Designated safe crossing points from the railway bike path into the neighbourhood. Safe bike crossing location between the railway bike path across Guildford Rd. Better lighting on the river bike path along the Maylands Peninsula. Regulation of e-bike and e-scooter riders who go dangerously fast on the railway bike path. Regular maintenance of the bike paths to remove smashed glass.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

- Better paths, facilities and on-road safety features for all ages and cycling abilities
- More community bike skills training for adults
- More community bike skills training for children
- Dedicated riding to school routes
- Seeing more people bike riding in my neighbourhood
- A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic
- More information about bike paths in my local area
- Somewhere to park my bike at the places I want to go
- Having a bike that suits my needs (e.g. comfortable, a basket to carry my things, in good working order)
- Having a bike that suits my fitness level (e.g. electric bike)

**Q18. What gender do you currently identify as?** Female

**Q19. Age Bracket** 36-45 years

**Q20. Are you a resident or visitor?** Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)** Mount Lawley

**Q22. Which of the following best describes you?  
(please select all that apply)** Working – full time

**Q23. Which of the following best describes your household?** Couple, with eldest child 12 or under

Q24. Would you like to hear the results of the survey?

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week) A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	No, I have not ridden a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat uncomfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

East to West connections are terrible. There is a strong need for a link from Britannia reserve past the Aranmore schools past Charles Vernyard and up to North Perth primary. The fact the public North Perth primary school in particular is not served by any kid friendly bike paths is a big let down and is a deterrent for kids establishing a healthy bike riding habit.

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

Loftus Street bike paths are unfinished. Shakespeare Street shared road is poorly or even incorrectly signed for the 30kmh car speed limit. Oxford Street and Angove Street shared car/bike areas need better signage for cars - I regularly receive verbal abuse and aggressive driving when riding on these (even with kids in a bike trailer). Vincent Street shared footpath is not well signed and is not optimal for bikes at intersections. Crossing Leederville parade at the Loftus lights (West side) is challenging when on foot as cars routinely do not give way or yell abuse when people are crossing despite the lighted pedestrian crossing.

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

- Better paths, facilities and on-road safety features for all ages and cycling abilities
- Dedicated riding to school routes
- Seeing more people bike riding in my neighbourhood
- Somewhere to park my bike at the places I want to go

---

Q18. **What gender do you currently identify as?** Male

---

Q19. **Age Bracket** 36-45 years

---

Q20. **Are you a resident or visitor?** Resident

---

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)** Leederville

---

Q22. **Which of the following best describes you? (please select all that apply)** Working – full time

Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness To get around when on holiday Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'll ride no matter what
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

I'm quite confident to give everything a go. Don't have a car, only a bike, so make do :) Find everything relatively easy to access ♥ ACTUALLY just remembered. One time I tried to cycle from the city to zig zags and there was definitely a very difficult section towards the end where all biking infrastructure ran out. Bigger faster roads with space for cycle lanes but nothing available. Definitely felt exposed and not sure I'll try it again. A shame as it's not that far and a really beautiful spot.

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

- Easier connection from city centre to Kings Park. - The link between Leederville cycle path and Northridge ends abruptly and feels like it could continue even with road markings. - Not sure if this one is relevant as "city": but I love cycling from the city to city beach and there's a small section on the middle where the link runs out and you're on the road/very uneven path with driveways. It feels like a really good opportunity there is being missed as it gets quite difficult and exposed which would put off less experienced riders. - Also I feel quite uncomfortable cycling on Wellington Street both directions. A cycle lane/ shared induction for drivers would be AMAZING . Feels like people don't think I have the right to be there.

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
More bike repair stations along the bike paths  
Knowing how to maintain my bike better  
More community bike skills training for adults  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area  
Somewhere to park my bike at the places I want to go

Q18. **What gender do you currently identify as?** Female

Q19. **Age Bracket** 26-35 years

Q20. **Are you a resident or visitor?** Resident

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)** East Perth

Q22. **Which of the following best describes you? (please select all that apply)** Working – full time

Q23. **Which of the following best describes your household?** Single, no children

Q24. **Would you like to hear the results of the survey?**

Q1. <b>What modes of active transport do you usually use?</b>	Electric bike (e-bike) Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Commuting to or from a place of study (e.g. school, university, TAFE) For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family To get around when on holiday Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Very uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Neutral
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Very uncomfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

There are fantastic cafes north of the freeway that I'd like to visit from East Perth, but the cycle routes require me to get on the road. I've made the trip on occasion, but only when needed. Generally cycle paths in the area, if they exist at all, are a tiny lane next to traffic. Or there'll be a bus lane, and it'll be full of parked cars. Traffic makes me anxious, and I tend to make mistakes trying to get out as quickly as possible. I injured myself just mounting a driveway after Christmas (down in Mandurah, car honked behind me, I mounted the driveway and it turns out it's 90 degrees 5cm off the ground). Any investment to make cyclists feel safer pays off, even a placebo will do!

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

Transitioning from the south of the freeway to North (and back) is a common need, but generally difficult and hard to find. I've been using it a while and only recently found the way to switch from Railway Street to the Mitchell freeway cycle path without using an intersection. The Claisebrook suspension bridge is clearer, but it's still a fairly narrow shared path (and cyclists are Supposed to dismount in parts). It's not just the crossings themselves, they need good paths in the leadup for commuters to establish routes that use the arterial freeway cycle paths.

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities

More bike repair stations along the bike paths

Knowing how to maintain my bike better

A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic

More information about bike paths in my local area

Somewhere to park my bike at the places I want to go

Having a bike that suits my needs (e.g. comfortable, a basket to carry my things, in good working order)

Having a bike that suits my fitness level (e.g. electric bike)

**Other (please specify)**

I don't think people realise how good ebikes are. If they knew, people would only drive a fraction of the time. Hills are irrelevant to my journey.

Q18. **What gender do you currently identify as?** Male

Q19. **Age Bracket** 26-35 years

Q20. **Are you a resident or visitor?** Resident

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)** East Perth

Q22. **Which of the following best describes you? (please select all that apply)** Working – part time  
Casual worker

Q23. Which of the following best describes your household?

Single, no children

**Other (please specify)**

Share house with siblings

Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

I ride all over the city (and on trains to go further ) no problem except the unacceptable delays at every traffic light junction especially the lights at Vincent/Loftus could be reorganised in favour of cyclist and pedestrians NOT CARS! Do we need push button, can't they automatically show green when appropriate. But all traffic light junctions should be investigated and improved.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

not answered

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Knowing how to maintain my bike better  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
Somewhere to park my bike at the places I want to go

**Q18. What gender do you currently identify as?**

Male

**Q19. Age Bracket**

76-85 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

West Perth

**Q22. Which of the following best describes you?  
(please select all that apply)**

Retired or pensioner

**Q23. Which of the following best describes your household?**

Couple, with children not at home

**Q24. Would you like to hear the results of the survey?

Q1. What modes of active transport do you usually use?	Bike
Q2. Do you own a bike?	Yes
Q3. How often do you ride a bike?	A few times a week (1-3 times a week)
Q4. How new are you to riding a bike?	I have been riding regularly for more than 12 months
Q5. In the past two years, have you ridden a bike while on holiday?	Yes, I sometimes ride a bike when on holiday
Q6. In the past 12 months, why have you ridden a bike? (please select all that apply)	For leisure, recreation or to get outdoors For sport, health or fitness
Q7. What phrase best describes your attitude towards bike riding?	I would ride more if I felt more comfortable
Q8. How comfortable are you riding on the following types of cycle paths?	
Off-road shared paths	Somewhat comfortable
Q9. How comfortable are you riding on the following types of cycle paths?	
Off-road cycle-only paths	Very comfortable
Q10. How comfortable are you riding on the following types of cycle paths?	
Shared bus and bike lanes	Somewhat comfortable
Q11. How comfortable are you riding on the following types of cycle paths?	
On the road in a shared space	Very uncomfortable
Q12. How comfortable are you riding on the following types of cycle paths?	
On-road protected bike lanes	Very comfortable
Q13. How comfortable are you riding on the following types of cycle paths?	
On-road painted lanes	Somewhat comfortable
Q14. Would you like more options for safe and connected bike riding facilities in the City?	Yes
Q15. Where would you like to ride in the City that you cannot ride to currently and why?	not answered

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Cycle track at Leederville alongside motorway has many tree roots raising the track and quite dangerous in places.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area

---

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	About once a fortnight
Q4. <b>How new are you to riding a bike?</b>	I have started to ride again after a break of 12 months or more
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	For leisure, recreation or to get outdoors
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Very uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Very uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b>	When we lived in West Leederville we could ride to the city, south of the river, up and down the Freeway etc nearly all on safe cycle lanes. Not possible now we have moved to North Perth.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

See above.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Feeling more confident to ride my bike whenever I need to go  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area

**Q18. What gender do you currently identify as?**

Male

**Q19. Age Bracket**

76-85 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

North Perth

**Q22. Which of the following best describes you?  
(please select all that apply)**

Retired or pensioner

**Q23. Which of the following best describes your household?**

Couple, no children

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	not answered
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from a place of study (e.g. school, university, TAFE) For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat comfortable

Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b>	<p>Along Vincent Street - connecting Beaufort St. to Beatty Park and along toward the Joondalup-Perth Freeway cycle path.</p> <p>Leederville: The 'crossing' from Carr Street to Carr Place across Thomas Street. This is marked on the Make Your Move Vincent map but the crossing is actually really dangerous. Maylands: There needs to be a straighter line for bikes across Highgate from Hyde Park to the East Parade PSP.</p>
Q16. <b>Please describe any walking and bike riding routes in the City that could be improved</b>	Vincent Street (Highgate toward Leederville)
Q17. <b>What might encourage you to ride a bike more? (please select all that apply)</b>	<p>Better paths, facilities and on-road safety features for all ages and cycling abilities</p> <p>Knowing how to maintain my bike better</p> <p>More community bike skills training for adults</p> <p>Seeing more people bike riding in my neighbourhood</p> <p>Seeing more people bike riding in my neighbourhood</p> <p>A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic</p> <p>More information about bike paths in my local area</p> <p>Somewhere to park my bike at the places I want to go</p>
Q18. <b>What gender do you currently identify as?</b>	Female
Q19. <b>Age Bracket</b>	18-25 years
Q20. <b>Are you a resident or visitor?</b>	Resident
Q21. <b>In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)</b>	Highgate
Q22. <b>Which of the following best describes you? (please select all that apply)</b>	<p>Working – part time</p> <p>Casual worker</p> <p>Part time tertiary student</p>
Q23. <b>Which of the following best describes your household?</b>	<p>Single, no children</p> <p><b>Other (please specify)</b></p> <p>Share-house (3 friends)</p>

Q1. <b>What modes of active transport do you usually use?</b>	Bike Electric bike (e-bike) Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I am new to riding and started riding within the last 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	No, I have not ridden a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>  Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>  Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>  Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>  On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>  On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>  On-road painted lanes	Somewhat comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

On the road down Charles Street, which is a major thoroughfare for people commuting into the city.

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

Places where bike lanes disappear abruptly and with no ramp onto the footpath need to be fixed as they are dangerous. There needs to be enforcement of mixed zones/shared spaces because virtually no cars a bather 30 km/h limit.

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities

Somewhere to park my bike at the places I want to go

---

Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Neutral
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Neutral
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

I don't think it is easy to get into the city (say Yagan Square). Between Norfolk St and Loftus Street, I don't feel the bike routes are very inviting or efficient. Saying that (and bcz no where else in this survey), I do feel the City is very well served by bike paths generally and really love riding around the area.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Lotus Street - on road cycle lane (trim the trees), shade at stops (eg median strip, north east corner at Loftus\Vincent. Give more priority to pedestrians and bikes at lights (faster cycles). Would love to see more separation of cyclists and pedestrians in places (maybe more City of Perth). Median crossing to link Eton and Pennant St.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
Somewhere to park my bike at the places I want to go

Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday Yes, but I rarely ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat uncomfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Neutral
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Very comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat uncomfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Very comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	No
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b> not answered	

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

not answered

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Motivation  
Not having to worry about commuting to work  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips,  
which can tell me the route that is flattest, fastest or with the lowest  
volume of vehicle traffic

---

**Q18. What gender do you currently identify as?**

Male

---

**Q19. Age Bracket**

26-35 years

---

**Q20. Are you a resident or visitor?**

Resident

---

**Q21. In which suburb in the City do you live, work or  
visit (if you both live and work in the City please  
select the suburb in which you live)**

Mount Hawthorn  
Perth

---

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time  
Part time tertiary student

---

**Q23. Which of the following best describes your  
household?**

Couple, no children

---

Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

not answered

Q16. Please describe any walking and bike riding routes in the City that could be improved

Even the principal path along Britannia reserve is sooo bumpy and has been for years. With new paths either side this bit is bad. Can it be fixed?

Q17. What might encourage you to ride a bike more?  
(please select all that apply)

Motivation  
Not having to worry about commuting to work  
Better paths, facilities and on-road safety features for all ages and cycling abilities  
Knowing how to maintain my bike better  
Feeling more confident to ride my bike whenever I need to go  
More community bike skills training for adults  
More community bike skills training for children  
Dedicated riding to school routes  
Seeing more people bike riding in my neighbourhood  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area  
Somewhere to park my bike at the places I want to go  
Having a bike that suits my needs (e.g. comfortable, a basket to carry my things, in good working order)  
Having a bike that suits my fitness level (e.g. electric bike)

Q18. What gender do you currently identify as?

Male

Q19. Age Bracket

36-45 years

Q20. Are you a resident or visitor?

Regular visitor (e.g. I work in the City)

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

East Perth  
Highgate  
Leederville  
Mount Hawthorn  
Mount Lawley  
North Perth  
Perth  
West Perth

Q22. Which of the following best describes you?

Off-road cycle-only paths Very comfortable
- 
- Q10. **How comfortable are you riding on the following types of cycle paths?**  
Shared bus and bike lanes Somewhat uncomfortable
- 
- Q11. **How comfortable are you riding on the following types of cycle paths?**  
On the road in a shared space Somewhat uncomfortable
- 
- Q12. **How comfortable are you riding on the following types of cycle paths?**  
On-road protected bike lanes Very comfortable
- 
- Q13. **How comfortable are you riding on the following types of cycle paths?**  
On-road painted lanes Somewhat comfortable
- 
- Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes
- 
- Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**  
I could go anywhere but - I feel main roads are too dangerous to ride so I take back streets but have had near misses with people backing out of driveways and opening doors without looking
-

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

More bike protected bike lanes and off road cycle paths that connect with existing network would be good

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Having the time  
Better paths, facilities and on-road safety features for all ages and cycling abilities  
Knowing how to maintain my bike better  
Feeling more confident to ride my bike whenever I need to go  
Seeing more people bike riding in my neighbourhood  
Somewhere to park my bike at the places I want to go

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Commuting to or from a place of study (e.g. school, university, TAFE) For leisure, recreation or to get outdoors For sport, health or fitness To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Neutral
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Neutral
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Back roads of West Leederville are always dicey - feels like you're always going to get doored while riding in the back streets.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Anything in West Leederville. Also duplicating more active streets like Shakespeare St.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Having the time  
Seeing more people bike riding in my neighbourhood  
Somewhere to park my bike at the places I want to go

---

Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Very comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Very comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

I feel comfortable riding everywhere in the City of Vincent, however roads where there is little passing space for cars makes it less safe/comfortable.

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

not answered

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)** not answered

---

Q18. **What gender do you currently identify as?** Male

---

Q19. **Age Bracket** 36-45 years

---

Q20. **Are you a resident or visitor?** Regular visitor (e.g. I work in the City)

---

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)** Leederville  
North Perth  
Perth  
West Perth

---

Q22. **Which of the following best describes you? (please select all that apply)** Working – full time

---

Q1. <b>What modes of active transport do you usually use?</b>	Bike Electric bike (e-bike)
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b> Lack of decent routes north of city parallel to Fitzgerald / Alexander. Although difficult to fix	

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Greater coordination with other councils on routes and paths. Better signage on road routes informing car drivers this is a bike route. Recent changes to Norfolk St with small roundabouts has made this route worse as cycle way. Better connection to paths ie. Oxford St / Leederville to Mitchell PSP

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)** Better paths, facilities and on-road safety features for all ages and cycling abilities

---

Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

- most of the crossroads where cars turn and just run you off your socks. Car drivers need to be more safe with cyclist and give them way. They just don't see you, not expect you. More signs needed maybe. Same with roundabouts they don't give way to cyclist, you get to stand still in the middle of the roundabout very unsafe. - empire avenue

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

- Along the coast busy shared paths and busy roads - shared paths, make just cycle paths on the road -shared paths that are more like footpaths that are being disrupted from the road, cars don't see you. also dangerous around the driveways

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Dedicated riding to school routes  
Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**

Female

---

**Q19. Age Bracket**

26-35 years

---

**Q20. Are you a resident or visitor?**

Resident

---

Q1. <b>What modes of active transport do you usually use?</b>	Bike Other eRideable (e-skateboard or other)
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness To get around when on holiday Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

I feel I can ride anywhere by myself. When riding with my children (6 and 9), it is very difficult to cross William and Beaufort Streets anywhere south of Vincent Street, and Bulwer Street anywhere west of Lake Street

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

3 greatest challenges: 1. Poor conditions along route R35, especially crossing Beaufort and William Streets. This could be an excellent quality route with fairly limited investment and effort. There seems to be plenty of space in the road reserve on Parry Street to implement fully protected cycle lanes. Street parking in this area seems underutilised. There are quite a few families with young kids on Parry and Braid Streets. 2. Roundabout at Smith and Bulwer Streets. This is the main reason I will not allow my kids to cycle to school by themselves. 3. Crossing William Street near Hyde Park. Given the importance of Hyde Park it is shocking how unsafe this is.

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

- Better paths, facilities and on-road safety features for all ages and cycling abilities
- More community bike skills training for children
- Dedicated riding to school routes
- Other (please specify)**  
Better cycle infrastructure, especially at the locations I have identified.

---

Q18. **What gender do you currently identify as?** Male

---

Q19. **Age Bracket** 36-45 years

---

Q20. **Are you a resident or visitor?** Resident

---

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)** Perth

---

Q22. **Which of the following best describes you? (please select all that apply)** Working – full time

---

Q23. **Which of the following best describes your household?** Couple, with eldest child 12 or under

- 
- Q1. **What modes of active transport do you usually use?** Bike
- 
- Q2. **Do you own a bike?** Yes
- 
- Q3. **How often do you ride a bike?** Most days (over 4 times a week)
- 
- Q4. **How new are you to riding a bike?** I have been riding regularly for more than 12 months
- 
- Q5. **In the past two years, have you ridden a bike while on holiday?** No, I have not ridden a bike when on holiday
- 
- Q6. **In the past 12 months, why have you ridden a bike? (please select all that apply)** Commuting to or from work  
For shopping / appointments / other errands
- 
- Q7. **What phrase best describes your attitude towards bike riding?** I'm happy to ride in most circumstances
- 
- Q8. **How comfortable are you riding on the following types of cycle paths?**  
Off-road shared paths Very comfortable
- 
- Q9. **How comfortable are you riding on the following types of cycle paths?**  
Off-road cycle-only paths Very comfortable
- 
- Q10. **How comfortable are you riding on the following types of cycle paths?**  
Shared bus and bike lanes Somewhat comfortable
- 
- Q11. **How comfortable are you riding on the following types of cycle paths?**  
On the road in a shared space Neutral
- 
- Q12. **How comfortable are you riding on the following types of cycle paths?**  
On-road protected bike lanes Somewhat comfortable
- 
- Q13. **How comfortable are you riding on the following types of cycle paths?**  
On-road painted lanes Somewhat comfortable
- 
- Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes
- 
- Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**  
no problem in the city
-

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Very often there are some road crossing where the bike lane suddenly disappear and as a rider I am supposed to merge with car. It is sometimes hard to know where I am supposed to stop depending if I want to turn right or left. Having bike drawing on the ground at the stop/lights right and left lane will help riders and drivers to understand that this is where as a bike I should be when trying to cross right.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Not having to worry about commuting to work  
Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**

Female

---

**Q19. Age Bracket**

26-35 years

---

**Q20. Are you a resident or visitor?**

Resident

---

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

North Perth

---

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

---

**Q23. Which of the following best describes your household?**

Couple, no children

---

Q1. What modes of active transport do you usually use?	Bike
Q2. Do you own a bike?	Yes
Q3. How often do you ride a bike?	A few times a week (1-3 times a week)
Q4. How new are you to riding a bike?	I have been riding regularly for more than 12 months
Q5. In the past two years, have you ridden a bike while on holiday?	Yes, I always ride a bike when on holiday
Q6. In the past 12 months, why have you ridden a bike? (please select all that apply)	Commuting to or from work For sport, health or fitness
Q7. What phrase best describes your attitude towards bike riding?	I'm happy to ride in most circumstances
Q8. How comfortable are you riding on the following types of cycle paths?	
Off-road shared paths	Very comfortable
Q9. How comfortable are you riding on the following types of cycle paths?	
Off-road cycle-only paths	Very comfortable
Q10. How comfortable are you riding on the following types of cycle paths?	
Shared bus and bike lanes	Somewhat uncomfortable
Q11. How comfortable are you riding on the following types of cycle paths?	
On the road in a shared space	Somewhat comfortable
Q12. How comfortable are you riding on the following types of cycle paths?	
On-road protected bike lanes	Very comfortable
Q13. How comfortable are you riding on the following types of cycle paths?	
On-road painted lanes	Somewhat comfortable
Q14. Would you like more options for safe and connected bike riding facilities in the City?	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

The PSP that runs alongside the Freeway through Leederville eastbound ends at Fitzgerald Street and there is no PSP to connect from there to the PSP east of city. Would like to be able to safely ride from Mount Hawthorn and pick up the PSP that runs east (alongside the Midland train line).

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

The existing bike path/PSP that runs through Leederville along side the Mitchell Freeway southbound needs some serious repair from Vincent Street through to Loftus Street. Has been badly damaged by tree roots.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)** Better paths, facilities and on-road safety features for all ages and cycling abilities

---

**Q18. What gender do you currently identify as?** Male

---

**Q19. Age Bracket** 46-55 years

---

**Q20. Are you a resident or visitor?** Resident

Q1. <b>What modes of active transport do you usually use?</b>	Electric bike (e-bike) <b>Other (please specify)</b> Car
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	I have ridden a few times in the last 12 months
Q4. <b>How new are you to riding a bike?</b>	I have started to ride again after a break of 12 months or more
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, but I rarely ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	For leisure, recreation or to get outdoors
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Very comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b>	No secure bike lockers in Perth CBD

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

1 - Around the river without going over the bridge at Elizabeth Quay - it's bumpy and too busy with pedestrians and sightseeing - the other alternative is over the cobblestones. 2 - greater connectivity of bike paths ... each city had their own plans that don't connect.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Having the time  
Better paths, facilities and on-road safety features for all ages and cycling abilities  
Dedicated riding to school routes  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area  
Somewhere to park my bike at the places I want to go

**Q18. What gender do you currently identify as?**

Female

**Q19. Age Bracket**

46-55 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

Mount Lawley

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

Q1. <b>What modes of active transport do you usually use?</b>	Bike
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Accompanying children to or from school For leisure, recreation or to get outdoors For sport, health or fitness To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

East to west connections from Maylands to beach are difficult. Connections through city to north are fragmented too. Limited secure areas for bike storage mean it is unsafe to visit many areas for shopping etc.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

All bike lanes on roads need more regular cleaning. They are often unusable due to glass and debris or parked cars.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Seeing more people bike riding in my neighbourhood  
Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**

Female

---

**Q19. Age Bracket**

46-55 years

---

**Q20. Are you a resident or visitor?**

Regular visitor (e.g. I work in the City)

---

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

West Perth

---

Q1. What modes of active transport do you usually use?	Bike
Q2. Do you own a bike?	Yes
Q3. How often do you ride a bike?	A few times a week (1-3 times a week)
Q4. How new are you to riding a bike?	I have been riding regularly for more than 12 months
Q5. In the past two years, have you ridden a bike while on holiday?	Yes, I sometimes ride a bike when on holiday
Q6. In the past 12 months, why have you ridden a bike? (please select all that apply)	Commuting to or from work For leisure, recreation or to get outdoors For sport, health or fitness
Q7. What phrase best describes your attitude towards bike riding?	I'm happy to ride in most circumstances I would ride more if I felt more comfortable
Q8. How comfortable are you riding on the following types of cycle paths?	
Off-road shared paths	Very comfortable
Q9. How comfortable are you riding on the following types of cycle paths?	
Off-road cycle-only paths	Very comfortable
Q10. How comfortable are you riding on the following types of cycle paths?	
Shared bus and bike lanes	Very uncomfortable
Q11. How comfortable are you riding on the following types of cycle paths?	
On the road in a shared space	Very uncomfortable
Q12. How comfortable are you riding on the following types of cycle paths?	
On-road protected bike lanes	Somewhat uncomfortable
Q13. How comfortable are you riding on the following types of cycle paths?	
On-road painted lanes	Very uncomfortable
Q14. Would you like more options for safe and connected bike riding facilities in the City?	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Can't think of anything specific right now. Basically anywhere there's a possible cross over with cars, buses etc, not interested in riding. Unfortunately while most drivers are ok, there are too many that hate cyclist and it make it far to dangerous to ride on a road where's any cross over with road traffics.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Can't think of any right now.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Feeling more confident to ride my bike whenever I need to go  
Dedicated riding to school routes  
Seeing more people bike riding in my neighbourhood  
Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**

Male

---

**Q19. Age Bracket**

36-45 years

---

Q14. Would you like more options for safe and connected bike riding facilities in the City?	Yes
Q15. Where would you like to ride in the City that you cannot ride to currently and why?	not answered

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

The Freeway bikepath from Scarborough Baech Road to Thomas Street Flyover. The path is very bumpy due to significant underpath root growth. Also the path is narrow in places. Would be great to upgrade the path to be more like section north of Scarborough Baech Road.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**

Male

---

**Q19. Age Bracket**

On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Somewhat comfortable

Q13. How comfortable are you riding on the following types of cycle paths?

On-road painted lanes

Somewhat comfortable

Q14. Would you like more options for safe and connected bike riding facilities in the City?

Yes

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

I ride everywhere I need to. But Beaufort st from the city north often feels unsafe as cars still want to drive in the bus lane and do not share the road well, and there's no protected lane on that road. Vincent st could also do with a bike lane.

Q16. Please describe any walking and bike riding routes in the City that could be improved

Vincent st, Beaufort st.

Q17. What might encourage you to ride a bike more? (please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities

Seeing more people bike riding in my neighbourhood

Seeing more people bike riding in my neighbourhood

Q18. What gender do you currently identify as?

Male

Q19. Age Bracket

26-35 years

Q20. Are you a resident or visitor?

Resident

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

Highgate

Q22. Which of the following best describes you? (please select all that apply)

Working – full time

Q23. Which of the following best describes your household?

Couple, with eldest child 12 or under

Q24. Would you like to hear the results of the survey?

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Commuting to or from a place of study (e.g. school, university, TAFE) Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Very uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Somewhat uncomfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Very uncomfortable

Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b>	Into and out of the perth CBD without so much risk being on the road. It's very frightening and unsafe especially at peak hours
Q16. <b>Please describe any walking and bike riding routes in the City that could be improved</b>	Access into and out of the Perth cbd from the eastern side and northern sides. Other paths do not continue onto the cbd There is too much stop and starting of paths necessitating on road use or footpath use and neither are suitable.
Q17. <b>What might encourage you to ride a bike more? (please select all that apply)</b>	<ul style="list-style-type: none"> <li>Not having to worry about commuting to work</li> <li>Better paths, facilities and on-road safety features for all ages and cycling abilities</li> <li>Feeling more confident to ride my bike whenever I need to go</li> <li>Seeing more people bike riding in my neighbourhood</li> <li>Somewhere to park my bike at the places I want to go</li> </ul>
Q18. <b>What gender do you currently identify as?</b>	Female
Q19. <b>Age Bracket</b>	56-65 years
Q20. <b>Are you a resident or visitor?</b>	Resident
Q21. <b>In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)</b>	Mount Lawley
Q22. <b>Which of the following best describes you? (please select all that apply)</b>	<ul style="list-style-type: none"> <li>Working – full time</li> <li>Self employed</li> </ul>
Q23. <b>Which of the following best describes your household?</b>	Couple, with eldest child 13 or over
Q24. <b>Would you like to hear the results of the survey? Please enter your email below.</b>	not answered

Q1. <b>What modes of active transport do you usually use?</b>	Bike
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

Going north from Victoria Park, Getting through the CBD from the foreshore to Subiaco is a mystery with all the construction and breaks in the bike paths. Also, getting into the city on a bus or train all times of the day would be appreciate. It's confusing why I can't bring a bicycle on the train and no options for buses.

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

The CBD is most confusing and difficult.

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area  
Somewhere to park my bike at the places I want to go

Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	No, I have not ridden a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'll ride no matter what
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

I'm not keen on the posts they have put on some on the footpaths in Hyde Park

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

William St into the city is a bit messy, but it's probably not going to get better so I use Beaufort St more often. Bulwer St I have nearly been knocked off several times by drivers that don't see you on the bike path when they are turning, particularly when they are travelling in the same direction.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**      Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**      Male

---

**Q19. Age Bracket**      46-55 years

---

**Q20. Are you a resident or visitor?**      Resident

---

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**      North Perth

---

**Q22. Which of the following best describes you?  
(please select all that apply)**      Working – full time

---

**Q23. Which of the following best describes your household?**      Couple, no children

---

Q1. <b>What modes of active transport do you usually use?</b>	Electric bike (e-bike)
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have started to ride again after a break of 12 months or more
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	No, I have not ridden a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For shopping / appointments / other errands
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Very uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes
Q15. <b>Where would you like to ride in the City that you cannot ride to currently and why?</b>	I would just like to see more cycle-only paths or protected on-road cycle paths all over the city, in general.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

I'm really happy with the path along the freeway, down Oxford St and Scarborough Beach Road. These have gone a long way toward improving cycle-ability in the City. Unfortunately the path along Leederville Parade extending to Loftus St is extremely bumpy from tree roots. However, I certainly don't advocate for the trees to be removed - the shade is really important in summer. Perhaps there is another solution e.g. a raised platform laid over the path? Additionally, going down Loftus St between the Leederville Pde path and the Railway Pde path is pretty inconvenient and dangerous, crossing several major intersections and narrow bridges before you can get back to cycle-only. This could potentially be improved :)

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Seeing more people bike riding in my neighbourhood  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area

**Q18. What gender do you currently identify as?**

Prefer not to say

**Q19. Age Bracket**

26-35 years

**Q20. Are you a resident or visitor?**

Regular visitor (e.g. I work in the City)

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

not answered

The PSP area is showing some signs of tree roots under the surface and needs keeping an eye on or replacing. Graffiti is a big issue and some has been reported and not cleaned up. eg. "Free Assange" and anti-Israel painted on PSP surface more than a year ago - maybe this is acceptable graffiti in the city?

Q1. <b>What modes of active transport do you usually use?</b>	Bike
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors Visiting friends or family For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'll ride no matter what
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Neutral
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

not answered

---

Q16. Please describe any walking and bike riding routes in the City that could be improved

Section of path between Oxford St and FWY overpass has sections of sunken path or raised/broken pavement from tree roots.

---

Q17. What might encourage you to ride a bike more?  
(please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities  
More community bike skills training for adults  
Somewhere to park my bike at the places I want to go

---

Q18. What gender do you currently identify as?

Female

---

Q19. Age Bracket

26-35 years

---

Q20. Are you a resident or visitor?

Resident

---

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

Leederville

---

Q22. Which of the following best describes you?  
(please select all that apply)

Working – full time

---

Q23. Which of the following best describes your household?

Single, no children

---

Q24. Would you like to hear the results of the survey?  
Please enter your email below.

Q1. What modes of active transport do you usually use?	Bike
Q2. Do you own a bike?	Yes
Q3. How often do you ride a bike?	A few times a week (1-3 times a week)
Q4. How new are you to riding a bike?	I have started to ride again after a break of 12 months or more
Q5. In the past two years, have you ridden a bike while on holiday?	Yes, I sometimes ride a bike when on holiday
Q6. In the past 12 months, why have you ridden a bike? (please select all that apply)	Commuting to or from work Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family To get around when on holiday
Q7. What phrase best describes your attitude towards bike riding?	I would ride more if I felt more comfortable
Q8. How comfortable are you riding on the following types of cycle paths?	
Off-road shared paths	Very comfortable
Q9. How comfortable are you riding on the following types of cycle paths?	
Off-road cycle-only paths	Very comfortable
Q10. How comfortable are you riding on the following types of cycle paths?	
Shared bus and bike lanes	Somewhat uncomfortable
Q11. How comfortable are you riding on the following types of cycle paths?	
On the road in a shared space	Somewhat uncomfortable
Q12. How comfortable are you riding on the following types of cycle paths?	
On-road protected bike lanes	Very comfortable
Q13. How comfortable are you riding on the following types of cycle paths?	
On-road painted lanes	Somewhat uncomfortable
Q14. Would you like more options for safe and connected bike riding facilities in the City?	Yes

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

not answered

---

Q16. Please describe any walking and bike riding routes in the City that could be improved

not answered

---

Q17. What might encourage you to ride a bike more?  
(please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Dedicated riding to school routes  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic

---

Q18. What gender do you currently identify as?

Female

---

Q19. Age Bracket

36-45 years

---

Q20. Are you a resident or visitor?

Resident

---

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

Mount Hawthorn

---

Q22. Which of the following best describes you?  
(please select all that apply)

Self employed

---

Q23. Which of the following best describes your household?

Couple, with eldest child 12 or under

---

On-road protected bike lanes	Very uncomfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Once you get to Perth Arena, it's time to fight the traffic and look out for yourself. Milligan is hugely trafficked by bikes but is probably the worst road in the city for protection

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Milligan st, downhill on George st on the west end also has a very bad blind spot with cars exiting car park and the changes in the pavement make it quite dangerous to ride downhill.also

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**      Somewhere to park my bike at the places I want to go

---

**Q18. What gender do you currently identify as?**      Male

---

**Q19. Age Bracket**      36-45 years

---

Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

not answered

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

Better route connecting North Perth (east of Charles Street) to Northbridge (lots of cyclist use Norfolk Street and cut through Hyde Park but it could be a better established bike route). A very clear and efficient pathway into the CBD. I currently go via Norfolk and Northbridge. Quite a few cyclists use Charles Street which I think is FAR TO DANGEROUS for bicycles. Better path connecting Scarborough Beach road cycle path to the freeway path. For example, via Anzac road. The Scarborough beach cycle path just ends at the council limits which makes it un-usuable to get to the train station. Also, Anzac road is a little terrifying to cycle as the road narrows in some points and cars come very close to your elbow! I don't use the Scarborough beach cycle path through My Hawthorn anymore because I have had too many near misses. When the cycle path disappears and you have to ride on the road the cars come very close and are impatient - I think many people use it as a thoroughfare and are in a hurry. I do use Scarborough beach cycle path after Oxford Street though - where it is a designated cycle path. Please, please, please - NO SHARED BUS and BIKE lanes. If you have ever ridden a bike on a road you will understand that being in a shared lane with a bus is fucking scary! Why is it a good idea to put one of the largest vehicles (who constantly stop, start, pull out) with the most vulnerable road users???? I ride with my four year old son all the time. Please build bike paths for me, where we can feel safe riding with young children.

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Dedicated riding to school routes  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area  
Somewhere to park my bike at the places I want to go

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

not answered

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

crossing Anzac at the intersection near Buxton St in Mount Hawthorn is hazardous particularly with younger kids. There is consistently high traffic speeds along Anzac. access to Bob Hawke high via bike is undesirable via Thomas street with a number of crossings over high traffic areas. Alternative around Lake Monger is also impeded by crossing Lake Monger Drive and as such my child does not prefer to ride.

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)** Better paths, facilities and on-road safety features for all ages and cycling abilities  
Dedicated riding to school routes

---

Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

The city of Vincent is pretty good but city of Perth is poor with cycling paths not connecting. E.g. hard to get across Elizabeth quay and riding along the bike path from east perth station into the city and out towards suboaco, there is a section in the city where the path ends and forced onto roads or pedestrian paths

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

not answered

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

Motivation

Better paths, facilities and on-road safety features for all ages and cycling abilities

Seeing more people bike riding in my neighbourhood

A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic

Somewhere to park my bike at the places I want to go

---

Q18. **What gender do you currently identify as?**

Female

---

Q19. **Age Bracket**

36-45 years

---

Q20. **Are you a resident or visitor?**

Resident

---

Q21. **In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

Highgate

---

Q22. **Which of the following best describes you? (please select all that apply)**

Working – full time

---

Q23. **Which of the following best describes your household?**

Single, no children

---

On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Very uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

not answered

---

Q16. Please describe any walking and bike riding routes in the City that could be improved

not answered

---

Q17. What might encourage you to ride a bike more?  
(please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Seeing more people bike riding in my neighbourhood  
A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic  
More information about bike paths in my local area  
Somewhere to park my bike at the places I want to go

---

Q18. What gender do you currently identify as?

Female

---

Q19. Age Bracket

36-45 years

---

Q20. Are you a resident or visitor?

Resident

---

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

Leederville  
Perth

---

Q22. Which of the following best describes you?  
(please select all that apply)

Working – full time

---

Q23. Which of the following best describes your household?

Single, no children

---

Q24. Would you like to hear the results of the survey?

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness To get around when on holiday Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Very uncomfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

Riding, east (East Perth), west (Britannia) and north of North Perth is uncomfortable and inconvenient largely due to the insufficient infrastructure and crossing of busy roads.

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

Scarborough Beach Road and Bulwer Street Bike Lanes need protection and regularly swept on their entire lengths to be usable. Riders are very exposed at intersections and there are many potential conflicts with car parking. Alternatively, the City could consider alternative east-west routes utilising the roads with local vehicle traffic volumes.

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)** Better paths, facilities and on-road safety features for all ages and cycling abilities  
Somewhere to park my bike at the places I want to go

---

-

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Fitzgerald Street is very dangerous- shared bus/bike/taxi lane is never enforced, I've had several close calls in both morning and afternoon traffic. Fitzgerald Street southbound from the Walcott St intersection particularly dangerous- merging from three lanes to two on a curving, sloping road.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Feeling more confident to ride my bike whenever I need to go

**Q18. What gender do you currently identify as?**

Male

**Q19. Age Bracket**

36-45 years

**Q20. Are you a resident or visitor?**

Regular visitor (e.g. I work in the City)

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

West Perth

Q1. <b>What modes of active transport do you usually use?</b>	Bike
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'll ride no matter what
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very uncomfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very uncomfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Neutral
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat uncomfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Neutral
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

not answered

Q16. Please describe any walking and bike riding routes in the City that could be improved

The protected bike lanes on Bulwer street and Angove Street are terrible. Firstly the accumulate debris including glass that cause punctures. They don't allow escape from the lane she pedestrians step into them or parked cars to the right of the lane open their doors. Vehicles travelling in the same direction but are separate by parked cars such as seen on Bulwer near Stirling St have to visual of bikes travelling in the bike lane. Many times to the turn in front from Bulwer into Stirling St near the Woolworths. Approaching the round about at Smith St, cars because they don't see you re joining the main road cut in front or overtake too close. Due to parked cars on Bulwer cars trying to turn out of Stirling Street have to creep into the bike lane to see the traffic. That whole intersection/area is a terrible design and dangerous.

Q17. What might encourage you to ride a bike more?  
(please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities

Q18. What gender do you currently identify as?

Male

Q19. Age Bracket

46-55 years

Q20. Are you a resident or visitor?

Resident

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

Highgate

Perth

Q22. Which of the following best describes you?  
(please select all that apply)

Working – full time

Q23. Which of the following best describes your household?

Couple, with eldest child 13 or over

Q24. Would you like to hear the results of the survey?

Q3. <b>How often do you ride a bike?</b>	A few times a week (1-3 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	No, I have not ridden a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands For sport, health or fitness
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Very uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Very uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

Much of the City doesn't have bike lanes. I feel unsafe and very vulnerable in the City

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

I avoid the City as I feel it's dangerous to cycle there.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities

Knowing how to maintain my bike better

A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic

---

**Q18. What gender do you currently identify as?**

Male

---

**Q19. Age Bracket**

66-75 years

---

**Q20. Are you a resident or visitor?**

Resident

---

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

West Perth

---

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

---

**Q23. Which of the following best describes your household?**

Single, with children not at home

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Neutral
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

I live near Hyde Park and when I want to visit my friends who live further up north, I feel uncomfortable riding on big streets such as Beaufort Street, Charles Street and Fitzgerald Street. They are always busy with traffic and car drivers make me feel like I should be riding on the pedestrian path, but there I am scared of cars shooting out of driveways. I already had a few minor accidents that way because drivers sometimes don't check for pedestrians and cyclists when they come out of their driveway.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

As mentioned before, big roads like Beaufort Street, Charles Street and Fitzgerald Street need improvement to make it more safe for riders. I am lucky enough to live close to the city and don't have to commute daily via those roads because I find them quite scary to ride on.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

- Better paths, facilities and on-road safety features for all ages and cycling abilities
- Seeing more people bike riding in my neighbourhood
- More information about bike paths in my local area
- Somewhere to park my bike at the places I want to go

**Q18. What gender do you currently identify as?**

Female

**Q19. Age Bracket**

26-35 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

Highgate

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

**Q23. Which of the following best describes your household?**

Couple, no children

**Q24. Would you like to hear the results of the survey?**

Q1. <b>What modes of active transport do you usually use?</b>	Bike
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness To get around when on holiday Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'll ride no matter what
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Somewhat comfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Somewhat comfortable

Q14. **Would you like more options for safe and connected bike riding facilities in the City?** Yes

---

Q15. **Where would you like to ride in the City that you cannot ride to currently and why?**

Comments added to Map.

---

Q16. **Please describe any walking and bike riding routes in the City that could be improved**

Comments added to Map. Generally Bulwer St has been done well. Further east-west connectivity is required. Vincent St (south) connection between Charles St and Loftus St would be great.

---

Q17. **What might encourage you to ride a bike more? (please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Somewhere to park my bike at the places I want to go

Q1. <b>What modes of active transport do you usually use?</b>	Bike
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work For leisure, recreation or to get outdoors For shopping / appointments / other errands For sport, health or fitness To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Neutral
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Somewhat comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Neutral
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Very comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road painted lanes	Very comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

\* I would like to ride on better routes linking the City of Vincent to neighbouring cities and major cycling routes. This will allow me to safely and efficiently commute to work (outside of the City).

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

\* Charles Street - it's just a horrible road to ride with no alternative nearby north south routes. \* Loftus & London Street - the cycle lanes terminate at the Vincent Street intersection. the remainder of the route is ordinary, with tight lanes and heavy traffic. \* Anzac Rd- the median strip/ islands and street trees don't allow vehicles to safely overtake cyclists. The lanes are not narrow enough to prevent cars from overtaking but not wide enough to allow a safe overtaking distance. \* Intersection of Loftus Street and Vincent Street- There is no direct route from the cycle path on the east of Loftus Street link to the north bound lane on the west of Loftus Street.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

- Having the time
  - Better paths, facilities and on-road safety features for all ages and cycling abilities
  - Seeing more people bike riding in my neighbourhood
  - Seeing more people bike riding in my neighbourhood
  - More information about bike paths in my local area
  - Somewhere to park my bike at the places I want to go
- Other (please specify)**
- \* Signage directed at vehicle users i.e. signage requesting motorists to be cautious around bicycle paths and routes. Particularly at points of interface between cyclists and motorists, such as merge points at roundabouts and intersections. \* Informing vehicle users on protocols around cyclists. \* Fast primary routes i.e. routes that allow experienced cyclists to maintain speed such as routes with minimal stop signs, safe intersections and direct routes i.e. routes that don't zig-zag through suburban streets.

**Q18. What gender do you currently identify as?**

Male

**Q19. Age Bracket**

46-55 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

Mount Hawthorn

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

**Q23. Which of the following best describes your household?**

Prefer not to say

Q1. <b>What modes of active transport do you usually use?</b>	Bike Walk or run <b>Other (please specify)</b> Car
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	About once a fortnight
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I always ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	For leisure, recreation or to get outdoors To get around when on holiday
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Very comfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Very uncomfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Very comfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	No

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

On the existing roads eith bike lanes and safe street network with all traffic islands and speed humps and pinch points ans nibs removed so buses and cars can safely pass around cyclists with a wide berth.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Remove all traffic islands and slow points to stop car bike interaction in confined area. Maintenance! The current bike network is too rough due to tree roots. Fix this before buiding more.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)** Better paths, facilities and on-road safety features for all ages and cycling abilities

---

**Q18. What gender do you currently identify as?** Male

---

**Q19. Age Bracket** 46-55 years

---

**Q20. Are you a resident or visitor?** Resident

---

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)** Leederville

---

**Q22. Which of the following best describes you?  
(please select all that apply)** Self employed

---

**Q23. Which of the following best describes your household?** Couple, with eldest child 13 or over

---

**Q24. Would you like to hear the results of the survey?  
Please enter your email below.**

Q1. <b>What modes of active transport do you usually use?</b>	Electric scooter (e-scooter) Walk or run
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	I have ridden a few times in the last 12 months
Q4. <b>How new are you to riding a bike?</b>	<b>Other (please specify)</b> I rarely ride anymore
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, but I rarely ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	For leisure, recreation or to get outdoors
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road shared paths	Very comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b> Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b> Shared bus and bike lanes	Somewhat uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b> On the road in a shared space	Somewhat uncomfortable
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road protected bike lanes	Somewhat comfortable
Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

I can ride, but do not like to ride, on any of the major roads - drivers are dangerous to and unaware of cyclists/scooters and there is no suitable mechanism for reporting dangerous behaviour such as opening doors into active transport zones and turning left into active transport user paths. I get yelled at out of car windows semi-regularly with cars telling me to get off the road.

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Vincent street. Oxford street. Newcastle street.

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities

**Other (please specify)**

Better mechanisms for reporting unsafe drivers

**Q18. What gender do you currently identify as?**

Female

**Q19. Age Bracket**

46-55 years

**Q20. Are you a resident or visitor?**

Resident

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

Mount Hawthorn

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

**Q23. Which of the following best describes your household?**

Couple, with eldest child 13 or over

Q13. <b>How comfortable are you riding on the following types of cycle paths?</b> On-road painted lanes	Somewhat uncomfortable
Q14. <b>Would you like more options for safe and connected bike riding facilities in the City?</b>	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

I would like to be able to ride to East Perth using bike lanes. Currently this is impossible without riding on roads with no bike support.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

All through out Northbridge particularly William street, and lord street

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Not having to worry about commuting to work  
Better paths, facilities and on-road safety features for all ages and cycling abilities  
More bike repair stations along the bike paths  
Feeling more confident to ride my bike whenever I need to go  
Dedicated riding to school routes  
More information about bike paths in my local area

---

**Q18. What gender do you currently identify as?**

Male

Q1. What modes of active transport do you usually use?	Bike Walk or run
Q2. Do you own a bike?	Yes
Q3. How often do you ride a bike?	A few times a week (1-3 times a week)
Q4. How new are you to riding a bike?	I have been riding regularly for more than 12 months
Q5. In the past two years, have you ridden a bike while on holiday?	No, I have not ridden a bike when on holiday
Q6. In the past 12 months, why have you ridden a bike? (please select all that apply)	Commuting to or from work For shopping / appointments / other errands Visiting friends or family
Q7. What phrase best describes your attitude towards bike riding?	I would ride more if I felt more comfortable
Q8. How comfortable are you riding on the following types of cycle paths? Off-road shared paths	Somewhat uncomfortable
Q9. How comfortable are you riding on the following types of cycle paths? Off-road cycle-only paths	Very uncomfortable
Q10. How comfortable are you riding on the following types of cycle paths? Shared bus and bike lanes	Very comfortable
Q11. How comfortable are you riding on the following types of cycle paths? On the road in a shared space	Neutral
Q12. How comfortable are you riding on the following types of cycle paths? On-road protected bike lanes	Very uncomfortable
Q13. How comfortable are you riding on the following types of cycle paths? On-road painted lanes	Somewhat uncomfortable
Q14. Would you like more options for safe and connected bike riding facilities in the City?	Yes

**Q15. Where would you like to ride in the City that you cannot ride to currently and why?**

I ride from the top of walcott street (near dog swamp) to the City along Charles Street (on the path) as it is the most direct route and least 'hilly'. It is however, quite dangerous to ride.

---

**Q16. Please describe any walking and bike riding routes in the City that could be improved**

Although Charles Street is under a PCA for Main Roads, the City should designate the road as a primary bike route due to its connection to the City. This provides the City with more influence when planning of the Street occurs as it has a strong strategy base supporting better design. Excluding Charles Street from strategies prevents the City from influencing the future design of the Street.

---

**Q17. What might encourage you to ride a bike more?  
(please select all that apply)**

Better paths, facilities and on-road safety features for all ages and cycling abilities  
Feeling more confident to ride my bike whenever I need to go

---

**Q18. What gender do you currently identify as?**

Male

---

**Q19. Age Bracket**

26-35 years

---

**Q20. Are you a resident or visitor?**

Resident

---

**Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)**

North Perth

---

Perth

---

**Q22. Which of the following best describes you?  
(please select all that apply)**

Working – full time

---

**Q23. Which of the following best describes your household?**

Couple, no children

---

Q1. <b>What modes of active transport do you usually use?</b>	Electric bike (e-bike)
Q2. <b>Do you own a bike?</b>	Yes
Q3. <b>How often do you ride a bike?</b>	Most days (over 4 times a week)
Q4. <b>How new are you to riding a bike?</b>	I have been riding regularly for more than 12 months
Q5. <b>In the past two years, have you ridden a bike while on holiday?</b>	Yes, I sometimes ride a bike when on holiday
Q6. <b>In the past 12 months, why have you ridden a bike? (please select all that apply)</b>	Commuting to or from work Commuting to or from a place of study (e.g. school, university, TAFE) Accompanying children to or from school For leisure, recreation or to get outdoors For shopping / appointments / other errands Visiting friends or family For sport, health or fitness To get around when on holiday Multi-modal: as part of longer journeys (e.g. riding or walking to/from the train or bus station)
Q7. <b>What phrase best describes your attitude towards bike riding?</b>	I'm happy to ride in most circumstances I would ride more if I felt more comfortable
Q8. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road shared paths	Somewhat comfortable
Q9. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Off-road cycle-only paths	Very comfortable
Q10. <b>How comfortable are you riding on the following types of cycle paths?</b>	
Shared bus and bike lanes	Very uncomfortable
Q11. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On the road in a shared space	Neutral
Q12. <b>How comfortable are you riding on the following types of cycle paths?</b>	
On-road protected bike lanes	Somewhat comfortable

Q13. How comfortable are you riding on the following types of cycle paths?

On-road painted lanes

Somewhat uncomfortable

Q14. Would you like more options for safe and connected bike riding facilities in the City?

Yes

Q15. Where would you like to ride in the City that you cannot ride to currently and why?

I'd like to ride more places with my kid, and for her to be able to ride independently, but the streets are not safe because cars are given priority and are going too fast for her to feel safe. There are people taking short cuts and speeding through local streets.

Q16. Please describe any walking and bike riding routes in the City that could be improved

All our local streets should prioritise walking, cycling and wheeling. Traffic speeds and volumes should be lowered.

Q17. What might encourage you to ride a bike more? (please select all that apply)

Better paths, facilities and on-road safety features for all ages and cycling abilities

Knowing how to maintain my bike better

Feeling more confident to ride my bike whenever I need to go

More community bike skills training for adults

More community bike skills training for children

Seeing more people bike riding in my neighbourhood

A free journey planning 'app' that I can use to plan my bike trips, which can tell me the route that is flattest, fastest or with the lowest volume of vehicle traffic

More information about bike paths in my local area

Somewhere to park my bike at the places I want to go

Q18. What gender do you currently identify as?

Female

Q19. Age Bracket

36-45 years

Q20. Are you a resident or visitor?

Resident

Q21. In which suburb in the City do you live, work or visit (if you both live and work in the City please select the suburb in which you live)

North Perth

Q22. Which of the following best describes you? (please select all that apply)

Self employed

Q23. Which of the following best describes your household?

Single, with eldest child 12 or under

Q24. Would you like to hear the results of the survey?

Please enter your email below.
