Thursday

NATURE OF BUSINESS		
Please tick yes/no as appropriate to your business	Yes	No
Are you a small food business? ('Small food business' is a business that employs less than 50 people in the manufacturing sector or less than 10 people in the food services sector)		
Is the food that you provide, produce or manufacture ready-to eat when sold to the customer?		
('Ready to eat' means food that is ordinarily consumed in the same state as in which it is sold		
Do you process the food that you produce or provide before sale or distribution? ('Process' (in relation to food) is an activity conducted to prepare food for sale including chopping, cooking, drying, fermenting, heating, pasteurising, thawing and washing, or a combination of these activities)		
Do you directly supply or manufacture food for organisations that cater to vulnerable persons ? ('Vulnerable persons' are those listed in the Schedule to Standard 3.3.1 of the Australia New Zealand Food Standards Code)		
Do you sell ready-to-eat food at a different location from where it is prepared? (e.g. catering, temporary food stall)		
(e.g. catering, temporary food stair)		
To be answered by manufacturing/processing businesses only	Yes	No
Do you manufacture or produce products that are not shelf stable? ('Shelf stable' means non-perishable food with a shelf life of many months, to years)		
Do you manufacture or produce fermented meat products such as salami?		
Do you manufacture or produce dairy products? (e.g. cheese, yoghurt, ice-cream)		
Do you manufacture or produce ready to eat manufactured meats?

Manufacturing secrets and confidential processes are protected from disclosure under Section 142 of the Food Act 2008	
Examples of labelling (for importers and manufacturers) If you are selling packaged food, you must submit copies of your labels for review. Please see the Food Standards <u>User Guides</u> to Labelling Requirements under <u>Food Standard Code Chapter 1.2</u> , particularly the <u>Overview of Food</u> <u>Labelling</u> guide	
Evidence of shelf life testing (date marking for manufacturers) Verification of your date markings is required to be undertaken by a NATA accredited laboratory. This may take some time depending on the shelf stability of your products so it is preferred that you do not submit your application until you have completed testing.	
Food recall plan (for importers, distributors and manufacturers) If you are manufacturing or importing food products you are legally required to have a food recall plan. Please visit FSANZ Food Recalls website information on what this must contain	
Food safety plan This is required for businesses that service or process ready to eat food to vulnerable people; for seafood businesses (primary production/processing); and for businesses producing manufactured and fermented meats. Please visit FSANZ for further information and guidance.	

DECLARATION

I declare that the information contained in this application is true and correct, that I will notify the City's Health Services of any variation to details provided within this application prior to trading and the appropriate approvals from the City's Planning and Building Services sections have been obtained **prior** to lodging this application.

Further, I acknowledge that as I am utilising a share kitchen there may be additional food safety risks associated with sharing fixtures, fittings, equipment and storage facilities at the premises. As the proprietor of the Food Business I will implement measures, so far as practicable, to mitigate these risks. These risks include, but are not limited to:

- cleaning and sanitising of workstations pre-post use
- allergen cross contamination
- protecting food from contamination (processing, storage and transport).

Name of applicant(s)	
Position of applicant(s) (In the case of a company, the signing officer must be a Director of the company or provide evidence of their delegated authority to sign)	
Signature of applicant(s)	
Date	

NOTE:

- Incomplete applications that lack detail will not be accepted by the City.
- A final inspection will be required prior to the business commencing operation.

To submit your application please email this form to mail@vincent.wa.gov.au

FEES	
These fees are applicable for the 2023/2024 financial year. You will be sent an invoice for the appropriate fees.	
Notification only	\$52.00
Notification & registration	\$208.00
Food safety program verification	\$333.00
Assessment of manufacturing premises	\$333.00

NOTE:

• Registered food businesses are routinely inspected by the City. Businesses are charged an assessment fee on each occasion, as and when these fall due. Please contact our Health Services at mail@vincent.wa.gov.au for further information.
