### 3. CONFIRMATION OF MINUTES

3.1 Rebound Roundtable Meeting Minutes – 24 March 2021

### 4. New Business

- 4.1 Smoke Free Town Centres (CD) – Postponed until May 2021.
- 4.2 Proposed 2021/22 town centre streetscape improvements (GL)
- 4.3 Review town centre street cleaning services including street furniture and pavement cleaning and graffiti maintenance (YP)

- The following town centre/precinct pavement “deep cleans” have been undertaken YTD:
  - Leederville Town Centre (9-10 February - overnight) – Cost: \$6,900
  - William Street Precinct (22-23 February - overnight) – Cost: \$7,100
  - Mount Hawthorn (SBR - The Boulevard to Fairfield Street - scheduled for overnight 26/27 April. Cost: \$9,500

The budget was increased at mid-year to allow for all precincts to be “deep cleaned”. Our Street Cleaning Supervisor is obtaining quotes and liaising with Place Managers to confirm scheduling of the outstanding precincts before financial year end (i.e. Beaufort Street, Fitzgerald Street and Angrove Street).

- In terms of Waste Management and Street Cleaning functions, we have daily Precinct Cleaning Schedules, which is inclusive of waste/litter removal, street sweeping (early morning before peak traffic) and graffiti removal at the main precincts and known ‘hot spots’.
- Our Graffiti Officer resource is currently stretched dealing mainly with graffiti removal requests (CRM’s). However, an additional Graffiti Removal Officer is proposed in the 2021-22 budget, to facilitate more a proactive inspection and removal schedule in precincts, hotspots and laneways (this is subject to Council approval).
- Monthly bin enclosure (street litter bins) cleaning is undertaken monthly – incorporating all precincts and some parks/reserves, as listed below.
  - Angrove St x 4
  - William St x 9
  - Beaufort St x 20
  - Fitzgerald St x 6
  - Oxford St x 12
  - Oxford Reserve x 14
  - Scarborough Beach Rd x 9
