2022 – 2024

Noongar people are the Traditional Owners of the South West of Western Australia. While Noongar is identified as a single language there are variations in both pronunciation and spelling – Noongar, Nyungar, Nyoongar, Nyoongah, Nyungah, Yungar and Noonga. The City of Vincent uses 'Noongar' which is reflected throughout this document except when specifically referring to an external organisation that utilises alternative spelling.

**Warning:** *Aboriginal and Torres Strait Islander readers are advised that this document may contain references to, or images of, people who are now deceased.*

### Acknowledgement Of Country

The City of Vincent acknowledges the Traditional Owners of the land, the Whadjuk people of the Noongar nation and pay our respects to Elders past and present.

We recognise the unique and incomparable contribution the Whadjuk people have made and continue to make to our culture and in our community. We will continue to seek the input of the Traditional Owners.

The land on which we live, meet and thrive as a community always was and always will be Noongar land.

## KAYA WANJU FROM THE VINCENT BOORDIYAS

We, the Vincent Boordiyas, endorse the City of Vincent Innovate Reconciliation Action Plan 2022 – 2024. We are proud to be part of this working group to share our knowledge and stories, and work towards genuine healing, trust, respect and connection.

The City of Vincent Boordiyas Elders group and City staff

*The City of Vincent Elders Advisory Group, the Vincent Boordiyas, was formed in 2021 as one of the actions of the Reconciliation Action Plan 2019 – 2021.*

*The Innovate Reconciliation Action Plan 2022 – 2024 reaffirms the City's commitment to continuing to work with the Vincent Boordiyas together with the Whadjuk Noongar community towards genuine reconciliation and truth-telling.*

---

In the words of the late Aunty Margaret, 'We were here first, we are still here and we aren't going anywhere'.

These words will forever ring true and as we move forward, we need to learn together, walk together and make change together.

Through our strong partnership with the City of Vincent and stakeholders, we can achieve great things for our community and turn our ideas into tangible outcomes. We want to see the interpretation, translation and implementation of actions through this Innovate RAP.

We want First Nations folk out there doing what everyone else is doing. We want to make changes so our kids walk hand-in-hand with the next generation.

To make those changes, we need to take young people on this journey of reconciliation. It is our hope that we can bring more young people into our group so our conversations and knowledge can be passed down. We need to learn together, walk together and make change together.

Change can't stop with this plan. We look forward to working with the City of Vincent into the future and building a community where Aboriginal people can stand up and be counted.

We acknowledge Aunty Doolann Leisha Eatts and Aunty Margaret Culbong, two of our original members who have sadly passed and we thank them for their important contribution. May they rest in peace.

## MAYOR'S MESSAGE

**The City of Vincent sits within the lands of the Whadjuk people of the Noongar nation, and many of the places and waterways surrounding us hold great significance to Noongar people.**

I would like to acknowledge and thank our local Aboriginal Elders and people for their valuable contribution to our community, passion and knowledge that they have shared with us all.

It has been an absolute pleasure meeting with our Boordiyas (bosses) to form this Reconciliation Plan, including Ben Taylor, Albert and Irene McNamara, Muriel Bowie, Rose Walley, Cheryl Martin, Cyril Yarran and Rodney Cox. I also acknowledge and pay my respects to Margaret Colbung who sadly passed away recently and played an important part in forming this plan.

The Boordiyas continue to provide their wisdom, depth of cultural and historic knowledge, truth

telling, guidance and good humour, and for this we are very grateful. The relationship between the Boordiyas and the City of Vincent is critical to our organisation and community progressing meaningful changes as we continue our commitment to reconciliation.

I would also like to thank Jonathan Ford from Kambarang, who has been instrumental in helping us progress the Reconciliation Action Plan and foster these very important relationships.

Our Reconciliation Action Plan Working Group, which includes community members Gordon Cole, Mikayla King, Maxine Brahim and Roslyn Harley, continues to support us to drive change and hold us to account on the delivery of our actions.

This Plan is our second Innovate Reconciliation Action Plan and is our most aspirational in what we strive to achieve.

Over the past three years, we have increased our organisation's knowledge and appreciation of Aboriginal culture, continued to strengthen relationships with the Boordiyas by meeting regularly and working with Aboriginal-owned businesses and suppliers.

Now, we are building on the success of our previous plans and we will continue to work closely with Aboriginal stakeholders, businesses and organisations to achieve greater opportunities for Aboriginal people.

We aim to increase both our Aboriginal procurement and employment to 3 per cent: a foundation from which to grow.

We want to support community understanding, value and recognition of Aboriginal and Torres Strait Islander cultures, histories, knowledge and rights through cultural learning and bring Noongar language, the six seasons and names into public places in Vincent.

We recognise that our borders have little meaning to Aboriginal people, with Whadjuk Noongar lands extending well beyond Vincent, and we will work together with neighbouring local governments on projects that will help build important connections and advance our shared paths to reconciliation.

Vincent Council and staff members, together with our Boordiyas and RAP Working Group, have furthered this reconciliation vision and we believe can achieve great things when we are talking and walking together.

Emma Cole

## CEO'S MESSAGE

**Over the past three years, our organisation has continued its journey with the community towards lasting reconciliation.**

This Innovate Reconciliation Action Plan marks our third reconciliation plan and builds on the work we have done since our last plan.

We will continue to build strong foundations and relationships that ensure sustainable and impactful outcomes for our local Aboriginal people.

Our Reconciliation Action Plan Working Group and our Boordiyas (bosses) have played an integral part to implementing our plans and providing staff with an understanding of 'doing it the right way'.

---

A key goal of this Innovate plan is to stand up by increasing Aboriginal procurement and employment to 3 per cent.

Providing supply opportunities for various Aboriginal businesses is something that is on the forefront of our staff members' minds during our procurement process as well as improving our attraction and retention strategies for Aboriginal staff.

As part of the plan, we will continue our commitment to understanding and respecting our local Aboriginal and Torres Strait Islander peoples and focusing on building relationships with Noongar Elders, businesses and community.

As a City, we run regular events and workshops to celebrate Aboriginal culture and history, with a commitment to run them throughout the year, not only during NAIDOC Week and Reconciliation Week.

We are also committed to working with our neighbouring local governments to do more, acknowledging that our local government borders have little meaning to Aboriginal people.

We value our regular meetings with our Boordiyas where we have meaningful yarns, get to know how we can improve their well-being and facilitate change.

I would like to acknowledge the RAP working group, Boordiyas, Council and staff members, particularly Gemma Carter and Gayatrii Surendorff, who have contributed to this plan which will guide us towards greater reconciliation outcomes.

## MESSAGE FROM RECONCILIATION AUSTRALIA CEO KAREN MUNDINE

**Reconciliation Australia commends City of Vincent on the formal endorsement of its second Innovate Reconciliation Action Plan (RAP).**

Since 2006, RAPs have provided a framework for organisations to leverage their structures and diverse spheres of influence to support the national reconciliation movement.

With over 2.3 million people now either working or studying in an organisation with a RAP, the program's potential for impact is greater than ever. City of Vincent continues to be part of a strong network of more than 1100 corporate, government and not-for-profit organisations that have taken goodwill and transformed it into action.

---

The four RAP types — Reflect, Innovate, Stretch and Elevate — allow RAP partners to continuously strengthen reconciliation commitments and constantly strive to apply learnings in new ways.

An Innovate RAP is a crucial and rewarding period in an organisation's reconciliation journey. It is a time to build the strong foundations and relationships that ensure sustainable, thoughtful, and impactful RAP outcomes into the future.

An integral part of building these foundations is reflecting on and cataloguing the successes and challenges of previous RAPs. Learnings gained through effort and innovation are invaluable resources that City of Vincent will continuously draw upon to create RAP commitments rooted in experience and maturity.

These learnings extend to City of Vincent using the lens of reconciliation to better understand its core business, sphere of influence and diverse community of staff and stakeholders.

The RAP program's emphasis on relationships, respect and opportunities gives organisations a framework from which to foster connections with Aboriginal and Torres Strait Islander peoples rooted in mutual collaboration and trust.

This Innovate RAP is an opportunity for City of Vincent to strengthen these relationships, gain crucial experience and nurture connections that will become the lifeblood of its future RAP commitments. By enabling and empowering staff to contribute to this process, City of Vincent will ensure shared and cooperative success in the long term.

Gaining experience and reflecting on pertinent learnings will ensure the sustainability of City of Vincent's future RAPs and reconciliation initiatives, providing meaningful impact toward Australia's reconciliation journey.

Congratulations City of Vincent on your second Innovate RAP and I look forward to following your ongoing reconciliation journey.

## OUR VISION FOR RECONCILIATION

To stand side by side as  
one community.

## OUR JOURNEY

The City of Vincent is located on the lands of the Whadjuk people of the Noongar nation, and many of the places and waterways in Vincent hold great significance to local Aboriginal people.

A community group called the Vincent Reconciliation Group formed in 2000 to advocate for reconciliation in the Vincent area.

The City of Vincent formally embarked on a journey of reconciliation in 2017 with the Reflect Reconciliation Action Plan, showing it was committed to taking part in organisational and community activities and initiatives to ensure greater reconciliation between Aboriginal and non-Aboriginal people.

We acknowledge the great contribution Aboriginal and Torres Strait Islander peoples make to our history, culture and country, and we celebrate the strength and resilience within our local Aboriginal communities.

As an organisation, we are committed to reaching greater reconciliation, building strong and meaningful relationships with the local Aboriginal community, attracting and retaining Aboriginal staff and supporting local Aboriginal businesses.

This RAP aims to continue to build on the meaningful relationships we have developed during the implementation of our Reflect RAP and our first Innovate RAP, and continue to grow our community's awareness and appreciation of Aboriginal culture, as well as our sense of pride in our rich Noongar history and tradition.

## OUR BUSINESS

The City of Vincent is an inner-city local government located on the land of the Whadjuk Noongar people, with access to the Derbal Yerrigan (Swan River) in East Perth. It covers over 11.3 square kilometres and encompasses North Perth, Leederville, Highgate, Mount Hawthorn and parts of East Perth, West Perth, Perth and Mount Lawley. The City has nine significant Noongar sites located within its local area, including:

- Weld Square
- Hyde Park
- East Perth Power Station
- The Derbal Yerrigan (Swan River) at Banks Reserve
- Stones Lake
- Robertson Park
- Carr Street
- Dog Swamp
- Former Lake Monger Velodrome

Our City's population is made up of a diverse mix of cultures, nationalities and household and family structures, all of which contribute to our vibrant

community. We aspire to celebrate as a community the things that make us unique and connect with those around us to enhance our quality of life, which includes acknowledging Noongar culture and history in our events, activities, open spaces and in our day-to-day conversations and interactions.

The City has five different work locations and employs 435 staff, three of which identify as Aboriginal or Torres Strait Islander.

## OUR RECONCILIATION JOURNEY

Since the launch of the Reflect RAP in May 2017, the City has strengthened its relationship with the local Noongar Elders, the community and celebrated Noongar culture and tradition through numerous events, activities and workshops.

We strive to create a more empathetic and culturally sensitive workplace with cultural awareness training for all staff, Acknowledgement of Country being included on all staff signatures, the Welcome to Country and Acknowledgement of Country Policy being revised and endorsed by Council, and numerous events and activities for staff to participate in cultural learning. Staff have participated in workshops that include Noongar language, Aboriginal procurement, Acknowledgment of Country and on country talks from Aboriginal representatives.

The City of Vincent's second 'Innovate' RAP continues our commitment to reconciliation, understanding and respect for Aboriginal and Torres Strait Islander peoples with a specific focus on building relationships with Noongar Elders, business and the local community.

Central to implementing our RAPs is the teaching and commitment from our RAP Working Group and recently with our Boordiyas (bosses) to provide City staff with an understanding of 'doing it the right way'.

We have learnt the importance of building solid foundations for relationships, respect and opportunities and the need for ongoing engagement with Aboriginal communities. Staff and council members truly believe in our reconciliation vision and that we can achieve great things when we are walking and talking together.

## STRATEGIC CONTEXT

Our commitment to Reconciliation is aligned to both the City's Corporate Business Plan 2020/21 – 2023/24 and the Strategic Community Plan 2018 – 2028. These strategic documents will support the development of improved services and outcomes for our community.

### Strategic Community Plan

#### CONNECTED COMMUNITY

As part of our Strategic Community Plan 2018 – 2028, one of our priorities is Connected Communities. One of the outcomes we will work towards is – We recognise, engage, and partner with the Whadjuk Noongar people and culture. To action this, we will acknowledge and celebrate the history of the Whadjuk Noongar people and develop partnerships with local Whadjuk Noongar organisations and community members.

### Reconciliation Australia

The City has been guided by the Reconciliation Australia guidelines for developing a Reconciliation Action Plan. All strategies and actions within the plan have been formulated under each of the following directions from Reconciliation Australia:

1. Relationships; Respectful relationships between Aboriginal and Torres Strait Islander peoples and the City are the foundation of effective working relationships and leadership of reconciliation outcomes.
2. Respect; Promoting respect for Aboriginal culture and communities to increase the City of Vincent's capacity to embrace diversity and create stronger relationships.
3. Opportunities; Providing opportunities for Aboriginal people to actively participate in the social, economic and political activities within the City of Vincent.

Aboriginal Artists workshop led by Jade Dolman

## OUR PARTNERSHIPS

**Since the establishment of our first RAP in 2017 the City of Vincent has grown its partnerships with local Aboriginal businesses and organisations.**

Evidence of these partnerships can be seen around the City with artwork by Jade Dolman displayed on our Ranger vehicles, public artworks such as the Moorditj Mural on Beaufort Street and uniforms for our customer service staff with artwork by Kevin Bynder.

The shirts worn by our customer service team can also be found on members of Noongar Radio. Our organisations share the same uniform design and proudly wear each other's logos. Noongar Radio is based in Vincent and we have been pleased to support them with festival funding to put on events that celebrate reconciliation in our community.

Our relationship with Nyoongar Outreach is a vital one that the City has invested in over many years to support Aboriginal and Torres Strait Islander peoples facing adversity, hardship and homelessness. City Rangers and Nyoongar Outreach staff have developed a close relationship over many years. Working together and working on that relationship has been a key aspect of every RAP the City has undertaken.

The City of Vincent has also established a partnership with Moorditj Footprints, a community led project to record the stories of people who lived in East Perth.

We are also strengthening our relationship with the Noongar Chamber of Commerce to increase our Aboriginal procurement, with a focus on supporting local businesses. The City engages with a range of workshop presenters and artists, as well as consultants on Aboriginal heritage, cultural awareness and employment.

## CIVIC PROTOCOLS

**The Aboriginal flag proudly flies outside the City of Vincent Administration Building and also at Axford Park in Mount Hawthorn.**

In 2018 Council approved changes to the 2010 Policy related to Welcome to Country and Acknowledgment of Country. The Policy known as 'Recognition of Noongar Boodjar, Culture and History through Welcome to Country and Acknowledgement of Country' incorporates Noongar language and ensures there is a Welcome to Country at major City events, including events where the City of Vincent has provided significant sponsorship or grant funding.

Our Mayor and CEO are present in meetings with the Boordiyas Elders to reflect the respect we have towards Elders in our community.

## THE ULURU STATEMENT FROM THE HEART

The City of Vincent wholeheartedly supports the Uluru Statement from the Heart adopted in 2017. This was officially endorsed by Council in 2020. We believe recognition of this statement is a national priority. The City has independently undertaken the following actions in support of this statement.

1. Acknowledging Aboriginal and Torres Strait Islander peoples as the Traditional Owners of this country and paying respect to their ongoing spiritual and cultural connections;
2. recognising the need for constitutional change that goes beyond the symbolic and gives breath to the benefits that a treaty offers all Australians as we move towards a reconciled Australia;
3. endorsing the Mayor submitting a letter to the Prime Minister and key Federal Parliamentarians expressing Council's support for the Uluru Statement from the Heart; and
4. requesting there is a focus on community engagement and awareness surrounding the Uluru Statement from the Heart as part of the annual NAIDOC and Reconciliation Week Events.
