# COMMUNITY FUNDING GRANTS

Transport Assistance

## TRANSPORT ASSISTANCE

The City of Vincent recognises that community funding provides a significant opportunity to work collaboratively with the local groups, organisations and individuals to deliver activities which increase social participation, promote social inclusion and strengthen connections within our community. A variety of funding initiatives are offered each year to meet the diverse range of interests, demands and priorities throughout the Vincent community.

Transport Assistance is provided to eligible residents who have difficulty accessing transport to and from medical appointments. Such assistance is provided through prepaid taxi vouchers.

Vincent provides Transport Assistance up to \$100 for individuals and \$150 for each couple annually.
