Dear John

I am currently undertaking a review of old pieces of legislation for their relevance and continued application. This has revealed a number of pieces of legislation for possible repeal.

One of these is the *Tamala Park Land Transfer Act 2001* which transferred ownership share in land (as tenants in common) at Tamala Park from the City of Perth to the Towns of Cambridge, Victoria Park and Vincent.

It is our intention to repeal any unnecessary Acts in the next term of government. Please advise if the City of Vincent has any objection to this course of action in relation to this Act

Yours sincerely
