To whom it may concern,

This letter is to confirm that based on the drawings I was E-mailed on the 12th of January 2016 and the discussion with Myfanwy Zrinski. I am happy to allow and support the development on 124 Wright Street to be built up to the boundary line of my property on 15 Phelps lane.

Obviously I wish to retain all my rights in regard to any dispute with the final drawings and placement as and when they are produced.

Kind regards

A handwritten signature in black ink, appearing to read 'Henry Brown', with a long horizontal flourish extending to the right.
