Vincent Festival Launches in Mt Hawthorn

The Town of Vincent is delighted to announce that it has partnered with The Mezz shopping centre to stage the first Vincent Cappuccino Festival for 2008.

On Saturday 18 October, from 9.00am to 5.00pm, The Mezz and surrounding businesses of Scarborough Beach Road will play host to a fun-filled family day.

"Our Cappuccino Festival is now in its third year and because of the popularity this year we are holding two festivals with more planned for next year", said Mayor Nick Catania.

"Mt Hawthorn is one of our most popular, cosmopolitan and family-oriented town centres and the perfect location to hold this community event. It will also be a way of welcoming our newest residents – those from the former east Glendalough – into our Town. With something for everyone with food tastings, cooking demonstrations, entertainment including face painting and balloon twisters for the kids and prize giveaways, this is a day not to be missed", enthused Mayor Catania.

Mayor Catania will open the Festival and the majority of activities will take place on the internal road at The Mezz shopping centre, allowing visitors to browse various food stalls and check out demonstrations at their leisure.

"We are delighted that we have been able to partner with the Hawaiian Group, who own The Mezz, to bring this event to the community", concluded Mayor Catania.

The second Vincent Cappuccino Festival event will be held on 30 November in Angove Street, North Perth.
