

COMMUNITY FUNDING – DONATIONS

The City of Vincent recognises that community funding provides a significant opportunity to work collaboratively with the local groups, organisations and individuals to deliver activities which increase social participation, promote social inclusion and strengthen connections within our community. A variety of funding initiatives are offered each year to meet the diverse range of interests, demands and priorities throughout the Vincent community.

General donations towards not-for-profit organisations and charities located in or servicing the local community will be considered where such assistance supports the delivery of projects, programs or services.

The applicant must identify the specific community need or benefit based upon local research or consultation.

The City of Vincent has available Community Funding through donations up to \$500.

Before starting your application, please contact the Community Development team to discuss the proposed activity, event or program.
