Nominating for	Councillor for North Ward
Election Type	Ordinary

CASTLE, Alex

As your local Vincent Councillor, I have championed the needs of young people, rolled out relief for the most vulnerable in our community during COVID-19 and supported sustainability projects, like the FOGO three-bin system to reduce rubbish going to landfill.

As a long-term Mt Hawthorn resident, with a legal background, small business owner, Mt Hawthorn Hub and school volunteer, I am deeply committed to our community.

I have worked hard to improve greening and safety in our neighbourhoods, investment in our town centres, parks and sports facilities. I will continue to drive positive engagement with our community, to make sure you are heard and the Vincent way of life is celebrated.

I bring experience, hard work and compassion to Council. I will continue to be accessible and happy to help!
