Nominating for	Councillor for North Ward
Election Type	Ordinary

FOTAKIS, Joanne

Our community is strong, inclusive and has great heart. I am immensely proud to be part of, and to work hard for our Vincent community.

I have a record on Council for being hardworking, active and accessible. I will continue to champion the incredible work of our sports and community groups, creatives and small businesses.

As a local government I believe it is critical to deliver positive and transparent leadership, to be forward thinking and to get the basics right.

I will continue to build strong engagement with our community, and to be inclusive in decision making especially with development.

I am a strong voice for greening and sustainability, like our FOGO three bin system, creating more inviting parks, safe streets for people of all ages, and our commitment to zero emissions by 2030.
