

Candidate Details

District	City of Vincent
Candidate Name	Adina LIEBLICH
Ballot Paper Name	LIEBLICH, Adina
Nominating for	Councillor for North Ward
Election Type	Ordinary

LIEBLICH, Adina

I am a young, professional, and approachable resident of Vincent.

As an Engineering Project Manager working in transport, I understand how civil improvement works. From roadworks to building developments, my experience is the fresh perspective our city needs.

If elected to council I will fight to:

reduce processing times for building approval;

prioritise maintenance and upkeep over new projects we don't need;

minimise our environmental impact by introducing recycled materials to city construction;

involve residents earlier in the decision-making process; and

stop the privatisation of our public spaces.

I believe Council should be a forum of robust debate.

A vote for me is a vote to always have your interests represented, free from outside influence.
