## **WORNER, Suzanne**

For 20 years, Vincent has been my home. It is also my workplace as General Manager of the Revelation Perth International Film Festival and Co-Director of UpBeat Events. I've brought independent film, Mount Hawthorn Streets and Lanes Festival and Light Up Leederville Carnival to our community.

With nearly 30 years experience in the media, including two decades at the ABC, I value good communication, integrity and transparency.

For me, the City of Vincent represents positive and progressive local government. I want to be a part of a connected community that respects our character, history and identity; is innovative, engaged and sustainable and can support each other in our rapidly changing world.

The City of Vincent is our community, and I'd like to be your voice.
