| District | City of Vincent |
| Candidate Name | Ben SWANSON |
| Ballot Paper Name | SWANSON, Ben |
| Nominating for | Councillor for South Ward |
| Election Type | Ordinary |

SWANSON, Ben

I am proud to live in the City of Vincent with my wife and two young boys William and Christopher. I am engaged in the local community and my eldest son attends Highgate Primary School. My motivation to become a Councillor stems from my respect for our local hard working families, business owner and community organisers. A lot of you are contributing to our community in an environment of increasing costs and regulation.

If elected as a Councillor I will instil financial discipline, improve services, strengthen our sense of community and place a focus on supporting our cultural, sport and community groups. I am a competent individual with a genuine interest in improving our community. It would be an honour to serve our community and create a better environment for all of us to live in.
