I believe listening to the needs and concerns of ratepayers and residents is the main ingredient for a proactive local government that works for its constituency. I am politically unaligned, will widely consult and genuinely listen and act on your behalf.

Raising my family in North Perth, and as crew of Vincent Community Kitchen, I believe supporting local groups, clubs and small business makes the city more vibrant. I will protect and assist small business, providing services such as parking accessibility.

I want to ensure council is financially responsible, delivering value through essential services and infrastructure that make the city an attractive place to live. I commit to uphold safe and accessible streets as well as ensure footpaths are safe for all ages and abilities.

Working part-time allows me to return emails and calls within 48 hours. I look forward to applying my experience as an environmental scientist and educator for the benefit of Vincent's ratepayers and residents.
