Notes

1. Each smoke and vape-free area covers outdoor public space, including footpaths and public open space, within the mapped town centre boundary.
2. Amendments and revocations are recorded by adding a new row that refers to the original reference (for example, “D2 – amended”) and updating the status of the original row. Entries are retained after revocation.
3. The effective date is the publication date of the local public notice that the determination has effect (cl 2.2 and cl 5.19).
4. Permits and signs taken to be determinations under cl 2.9(2) are not recorded in this register.
