# AMSS Overview

## ASSET MANAGEMENT & SUSTAINABILITY STRATEGY

2020-2030

# AMSS Overview

*A physical component of a facility which has value, enables a service to be provided and has an economic life of greater than 12 months.*

# AMSS Overview

## VISION

*'Our assets and facilities are cared for and well utilised, meet the needs of our growing and diverse community and respond to a changing environment in a planned and financially sustainable way.'*

# AMSS Overview

## Having enough funds to keep our assets up-to-date

An asset sustainability ratio indicates whether assets are being kept up-to-date, or if they are generally degrading over time.
