Attachments: 1. **Council Members – Allowances, Fees and Reimbursement of Expenses Policy - (marked up)**

RECOMMENDATION

That Council APPROVES the proposed amendments to the Council Members – Allowances, Fees and Reimbursement of Expenses Policy, at Attachment 1, for the purpose of community consultation.

PURPOSE OF REPORT:

For Council to approve, for the purpose of community consultation, the proposed amendments to the Council Members – Allowances, Fees and Reimbursement of Expenses Policy as detailed at **Attachment 1**.

BACKGROUND:

The City of Perth Inquiry Panel was appointed on 2 March 2018 by the Minister for Local Government to conduct an inquiry into the ability of the City of Perth to provide for the good governance of the people in the City of Perth. The Inquiry was concluded on 30 June 2020 and the Final Report was tabled in Parliament and published on 11 August 2020.

The Final Report made the following key findings:

- widespread cultural and systematic failings in both the City of Perth Council and Administration;
- lack of transparency, accountability and integrity at all levels of decision making; and
- poor and dysfunctional governance.

As a result of these findings, the review of the City's Policy No. 4.2.7 – Council Members – Allowances, Fees and Reimbursement of Expenses Policy was prioritised and undertaken in December 2020.

The findings of Administration's review, including the requirement of provisions outlined in clause 1.3 of the Policy Development and Review Policy, were presented to Council Members at the February 2021 Council Workshop and re-presented in the monthly Policy Paper in November 2021.

In accordance with regulation 29C(2)(f) and 29C(6) of the *Local Government Administration Regulations 1996* (Regulations) local governments are required to publish, on the local government's official website, the type, and the amount or value, of any fees, expenses or allowances paid to each Council Member during a financial year beginning on or after 1 July 2020.

Council, at its Meeting on 5 April 2016, resolved to publish Mayor and Council Member sitting fees, allowances, and meeting attendances, as reported in the annual report.

These are published on the City's website under Council Member Sitting Fees, Allowances and Meeting Attendance and as a Publicly Available Register published each year.

DETAILS:

A documented policy position is required to determine and govern the structure under which Council Members are financially supported while performing the official functions and duties of office.

The report of the inquiry into the City of Perth identifies the importance of transparency and accountability when processing entitlements of office.

A key area for aligning with the City of Perth Inquiry findings identified an improvement to the City's process for documenting Council Member reimbursements.

The substantive changes to the policy are as follows:

1. Consideration of Policy Objectives

The policy is lacking a consistent approach to appropriately administer and document the reimbursement of expenses incurred by Council Members in their official capacity.

Administration recommends the inclusion of a third objective to facilitate the documentation of Council Member reimbursements as follows:

3. appropriately administer and document the reimbursement of expenses incurred by Council Members in their official capacity.

2. Removal of Attendance Fee Condition

Clause 1.1 of the existing policy provides a condition that the annual meeting attendance fee is provided on the principle that each Council Member regularly attends meetings of Council.

At the 23 March 2021 Ordinary Meeting of Council, a new Code of Conduct for Council Members, Committee Members and Candidates (Nominated Members Code) was adopted. Clause 4(2)(d) of the Nominated Members Code requires Council Members to attend and participate in Council Briefings, workshops and training sessions provided or arranged by the City in relation to the performance of their role.

3. Councillors Meeting Room

The City currently provides use of the Councillors Meeting Room within the City's Administration and Civic Centre, for use by Council Members. A provision for this entitlement currently exists within the Civic Functions Policy. This provision would be better placed in the Council Members – Allowances, Fees and Reimbursement of Expenses Policy as a Council Member entitlement.

The Civic Functions Policy was reviewed earlier this year and the outcome of that review presented in the July policy paper. It is proposed that the Civic Functions policy will be recommended for repeal following the inclusion of this entitlement in the Council Members – Allowances, Fees and Reimbursement of Expenses Policy.

This has been added as new clause 2.3.

4. Annual ICT Allowance

Council Members are entitled to be reimbursed for information and communications technology expenses, childcare expenses, and travel costs.

As with the amount payable for meeting fees, the extent to which the above expenses can be reimbursed is established by the Salaries and Allowances Tribunal (SAT) under the *Salaries and Allowances Act 1975*.

Under the Tribunal's determination the minimum and maximum set for the annual allowance for ICT expenses is \$500 to \$3,500. Council has set the level for Council Members at \$2,500.

Administration has researched 12 other metropolitan Local Governments in relation to their ICT allowance policy provisions.

Of these 12 Local Governments Administration found that 10 paid an ICT allowance equal to the maximum set by SAT in addition to providing Council Members with the use of City owned laptops/tablets or iPads. The remaining two (Subiaco and Mosman Park) paying the maximum ICT allowance but providing no equipment.

Council last determined the level of the ICT Allowance in April 2017 where after consideration of research into the typical costs of Council Member ICT needs, reduced the allowance from \$3,500 to \$2,500pa. At the time it was noted that in accordance with the Local Government Act 1995, any Council Member, including the Mayor, would still be entitled to claim reimbursement of other ICT costs over and above this amount upon the provision of evidence of expenditure incurred.

It is not proposed to change the ICT Allowance from what currently stands. In accordance with clause 4.1(e) this allowance is in addition to any computing device provided by the City to enable the Council Members to fulfil their role.

Clause 4.1(e) also notes that the device supplied is to be approved by Council. Administration has updated this clause to reflect the City's excising practice that Council Members are provided with a computing device that is compatible with the City's security; systems and within budgetary constraints.

5. Inconsistent Reimbursement Requirements

Clauses 5.1 to 5.4 are inconsistent with other reimbursement requirements of the policy. Clause 5 of the policy has been updated to require the submission of Appendix A (Council Members Travel and Parking Expense Claim form) for all travel reimbursement requests. This will ensure that the date and detail of the meeting are documented.

6. Council Member Professional Development

The provisions of clause 7 have been superseded by the Elected Members Continuing Professional Development Policy adopted in June 2020. Approval for professional development is subject to budgetary funds being available.

7. Register of Council Member reimbursements

To support implementation of proposed objective 3 and to reinforce the City's reporting obligations in accordance with Regulation 29C(2)(f) and 29C(6) of the Regulations, Administration has included a new clause 10.5 requiring the Chief Executive Officer to maintain a register of Council Member reimbursements and to publish the register on the City's website.

CONSULTATION/ADVERTISING:

In accordance with the City's Community and Stakeholder Engagement Policy, community consultation on all new and significantly amended policies must be provided for a period exceeding 21 days in the following ways:

- notice published in the local newspapers;
- notice exhibited on the notice board at the City's Administration and Library and Local History Centre; and

Section 2.7(2)(b) of the *Local Government Act 1995* provides Council with the power to determine policies.

The City's Policy Development and Review Policy sets out the process for the development and review of the City's policy documents.
