To present the statement of financial activity for the period ended 31 August 2022.

**BACKGROUND:**

Regulation 34 (1) of the *Local Government (Financial Management) Regulations 1996* requires a local government to prepare each month a statement of financial activity including the sources and applications of funds, as compared to the budget.

**DETAILS:**

The following documents, included as **Attachment 1**, comprise the statement of financial activity for the period ending **31 August 2022**:

**Explanation of Material Variances**

The materiality thresholds used for reporting variances are 10% and \$20,000, respectively. This means that variances will be analysed and separately reported when they are more than 10% (+/-) of the year-to-date budget and where that variance exceeds \$20,000 (+/-). This threshold was adopted by Council as part of the budget adoption for 2021/2022 and is used in the preparation of the statements of financial activity when highlighting material variance in accordance with *Financial Management Regulation 34(1) (d)*.

In accordance with the above, all material variances as of 31 August 2022 have been detailed in the variance comments report in **Attachment 1**.

**Comments on the Statement of Financial Activity by Nature or Type (as at Attachment 1)**

**Revenue by Nature or Type** (on page 1) is tracking higher than the YTD budgeted revenue by \$1,031,105 (2.4%). The following items materially contributed to this position:

- A favourable variance of \$613,717 in Fees and Charges mostly due to:
  - \$122,866 favourable Membership fee income for Beatty Park;
  - \$109,853 favourable due to budget phasing of Rates administration fees;
  - \$103,313 favourable Waste Rubbish Service Charges due to a budget timing variance;
  - \$76,853 favourable Design Application fees and Development Panel fees mostly due to an increase in building applications; and
  - \$53,503 favourable swimming pool inspection fees.
- A favourable variance of interest earnings of \$200,887 mostly due to budget phasing of interest received from rates instalments (~\$160k) and higher than anticipated interest rates on investments (~\$52k).
- A favourable variance of \$175,160 in Other Revenue mostly due to POS cash in lieu for a subdivision, insurance claim recoups and revenue from waste and recycling from micro business.

**Expenditure by Nature or Type** (on page 1) is favourable, attributed by an under-spend of \$3,449,897 (33.2%). The following items materially contributed to this position:

- \$2,144,314 favourable for depreciation expense due to a timing variance.
- \$888,848 favourable for Materials and Contracts mostly due to timing variances for:
  - \$404,241 favourable for contractors and consultants expenses;
  - \$179,081 favourable for ICT software license fees;
  - \$170,744 favourable for Waste Service disposal costs;
  - \$19,024 favourable for subscriptions and memberships (in particular WALGA) due to a timing variance.
- \$154,314 favourable for Utility charges due to timing variances.
- \$127,819 favourable for employee expense mostly due to timing variances for labour expenses.
- Other expenditure favourable by \$88,548 mostly due to the DLGSC lease incentive and equipment maintenance on kerbside parking machines.

### **Surplus Position – Year End 2022/23**

The surplus position brought forward to 2022/23 is \$7,185,007 compared to the adopted budget amount of \$5,657,084. The actual opening surplus figure will be adjusted after the year audit has been finalised in December 2022.

	Due Date
First Instalment	26 August 2022
Second Instalment	28 October 2022
Third Instalment	6 January 2023
Fourth Instalment	10 March 2023

Rates for 2022/23 were raised on 11 July 2022 after the adoption of the budget.

7. Receivables (Note 7 Page 21)

Total trade and other receivables at 31 August 2022 were \$3,623,851.

Below is a summary of the significant items with an outstanding balance over 90 days:

- \$1,065,101 (76%) relates to unpaid infringements (plus costs) over 90 days. Infringements that remain unpaid for more than two months are referred to the Fines Enforcement Registry (FER), which then collects the outstanding balance on behalf of the City for a fee.

- \$214,588 relates to cash-in-lieu of car parking debtors. In accordance with the *City's Policy 7.7.1 Non-residential parking*, Administration has entered into special payment arrangements with long outstanding cash in lieu parking debtors to enable them to pay their debt over a fixed term of five years.

However, as per the Minister of Planning WA issued a provision that exempts proponents from making cash in lieu related payments for existing or new non-residential development to the City. The exemption granted these debtors to freeze their payments until April 2022. The City has commenced contacting all outstanding debtors to recommencing their payment plans.

8. Beatty Park Leisure Centre – Financial Position report (Note 8 Page 22-23)

As of 31 August 2022, the Centre's operating surplus position was \$171,318 (excluding depreciation) compared to the YTD budgeted deficit amount of \$112,908. Predominantly the surplus is contributed by Gymnasium, Health and Fitness memberships.
