 9. Policy No. 7.6.9 - Heritage Assistance Fund 

RECOMMENDATION:

That Council:

1. **PROCEEDS** with amendments to the following policies pursuant to Schedule 2, Part 2, Clause 5 of the *Planning and Development (Local Planning Schemes) Regulations 2015*;
 - 1.1 Policy No. 7.6.2 – Heritage Management – Assessment included as Attachment 4;
 - 1.2 Policy No. 7.6.4 – Heritage Management – Interpretive Signage included as Attachment 5;
 - 1.3 Policy No. 7.6.5 – Heritage Management – Amendments to the Municipal Heritage Inventory included as Attachment 6; and
2. **REVOKES** the following policies pursuant to Schedule 2, Part 2, Clause 6 of the *Planning and Development (Local Planning Schemes) Regulations 2015*:
 - 2.1 Policy No. 7.6.7 – Heritage Management – Municipal Heritage Inventory Incentives and Development Bonuses included as Attachment 8; and
 - 2.2 Policy No. 7.6.9 – Heritage Assistance Fund, included as Attachment 9.

CR CASTLE:

In proposing to revoke the Policy No. 7.6.9 – Heritage Assistance Fund (LPP 7.6.9):

1. Is the provision of heritage assistance enshrined in another policy or document of the City?
2. If the budget process and continuation of the grant program were to not continue, would this mean that there is no requirement, obligation, or commitment from Council to provide a Heritage Assistance Fund?
3. If these are the only mechanisms for providing a Heritage Assistance Fund what would Council's oversight be beyond the normal budget process?

A/MANAGER STRATEGIC PLANNING:

1. ***Is the provision of heritage assistance enshrined in another policy or document of the City?***

Yes, the provision of heritage assistance is included within the City's [Community Funding Policy](#).

The Community Funding Policy establishes the eligibility criteria, assessment and approval process of the Heritage Assistance Fund.

The draft Heritage Assistance Guidelines are generally consistent with these criteria, with the exception of the maximum funding amount:

- *The Community Funding Policy sets out a maximum grant of up to \$5,000.*

- *Following the Council Briefing, Administration has updated the draft Heritage Assistance Fund Guidelines that are included as **Attachment 9** to reflect the maximum grant funding available of \$5,000 for the undertaking of heritage conservation works and improvements.*

It was initially proposed that this would be increased through the draft Guidelines to a maximum of \$10,000 to be consistent with the heritage funding provided by other local governments and would allow for larger heritage conservation works and improvements to be funded.

The total amount available for the Heritage Assistance Fund is approved by Council through the annual budget process.

- *The Community Funding Policy is due to be reviewed in 2025 which would provide an opportunity for Council to consider increasing the maximum funding amount per project.*

2. *If the budget process and continuation of the grant program were to not continue, would this mean that there is no requirement, obligation, or commitment from Council to provide a Heritage Assistance Fund?*

The Community Funding Policy would continue to apply should Council approve the revocation of LPP 7.6.9.

This would continue the City's ongoing commitment to provide assistance to property owners to protect and enhance heritage buildings in line with the Strategic Community Plan 2022-2032.

3. *If these are the only mechanisms for providing a Heritage Assistance Fund, what would Council's oversight be beyond the normal budget process?*

The Community Funding Policy would provide the mechanism for the ongoing provision of a Heritage Assistance Fund.

Council would continue to have oversight of this policy as well as confirming the available grant funding amount through the annual budget process.
