Attachments: **1. Council Proceedings - Recording and Web Streaming Policy**
2. Assessment of Policy

RECOMMENDATION:

That Council REPEAL the Council Proceedings – Recording and Web Streaming Policy at Attachment 1.

PURPOSE OF REPORT:

To seek Council's consent to repeal the Council Proceedings – Recording and Web Streaming Policy at **Attachment 1**.

DELEGATION:

Section 2.7 of the *Local Government Act 1995* sets out the Role of Council as being to 'determine the local government's policies'. There is no delegation to Administration to make, review or repeal policies.

BACKGROUND:

Policy No. 4.2.4 – Council Meetings – Recording and Web Streaming was first adopted by Council in July 2017.

Council at its Meeting on the 12 September 2017 (Item 11.6), approved a minor amendment to the policy to include the ability to archive the livestreams for the public to access outside of live streaming.

Council at its Meeting on 16 June 2020 (Item 12.3), repealed the Policy No. 4.2.4 – Council Meetings – Recording and Web Streaming and approved the updated Council Proceedings – Recording and Web Streaming Policy. The update enabled public question time and deputations at Council proceedings to be recorded and livestreamed on the City's website.

DETAILS:

The elements set out in clause 1.3 of the Policy Development and Review Policy have been considered as set out below.

Proposed objective of the new policy:

It is proposed that the policy be repealed and Administration prepare an internal procedure to provide guidance for recording and web streaming Council proceedings.

A review of the current policy provisions and impact of repealing has been provided in **Attachment 2**.

Requirement for a documented City position (including community need or legislative requirement):

There is no longer a requirement for a documented City position on recording and web streaming of Council Meetings.

Section 58 of the *Local Government Amendment Act 2023* (the Amendment Act) inserts a new section 5.23A into the *Local Government Act 1995* (the Act) covering electronic broadcasting (livestreaming) and video and audio recording of council meetings.

Section 5.23A(2) of the Act is a power that allows regulations to be made that may require, regulate, or otherwise make provision for any of the following matters:

- electronic broadcasting of council meetings
- making or retaining recordings of council meetings
- making recordings of council meetings publicly available
- provision, or otherwise making available, recordings of council meetings.

The requirements for livestreaming and recording of council meetings are aimed at increasing transparency and accountability in local government.

The *Local Government Regulations Amendment Regulations (No. 3)* was published on 18 October 2023.

Part 2A of the *Local Government (Administration) Regulations 1996* (the Administration Regulations), titled Electronic broadcasting and video or audio recording of council meetings, will apply to meetings of council held on or after 1 January 2025.

The Regulations prescribe the requirements for recording, streaming, publishing and storing meetings. The City is already compliant with all the requirements of the regulations and would not need to modify any of our current procedures or practices related to the recording and streaming of council meetings.

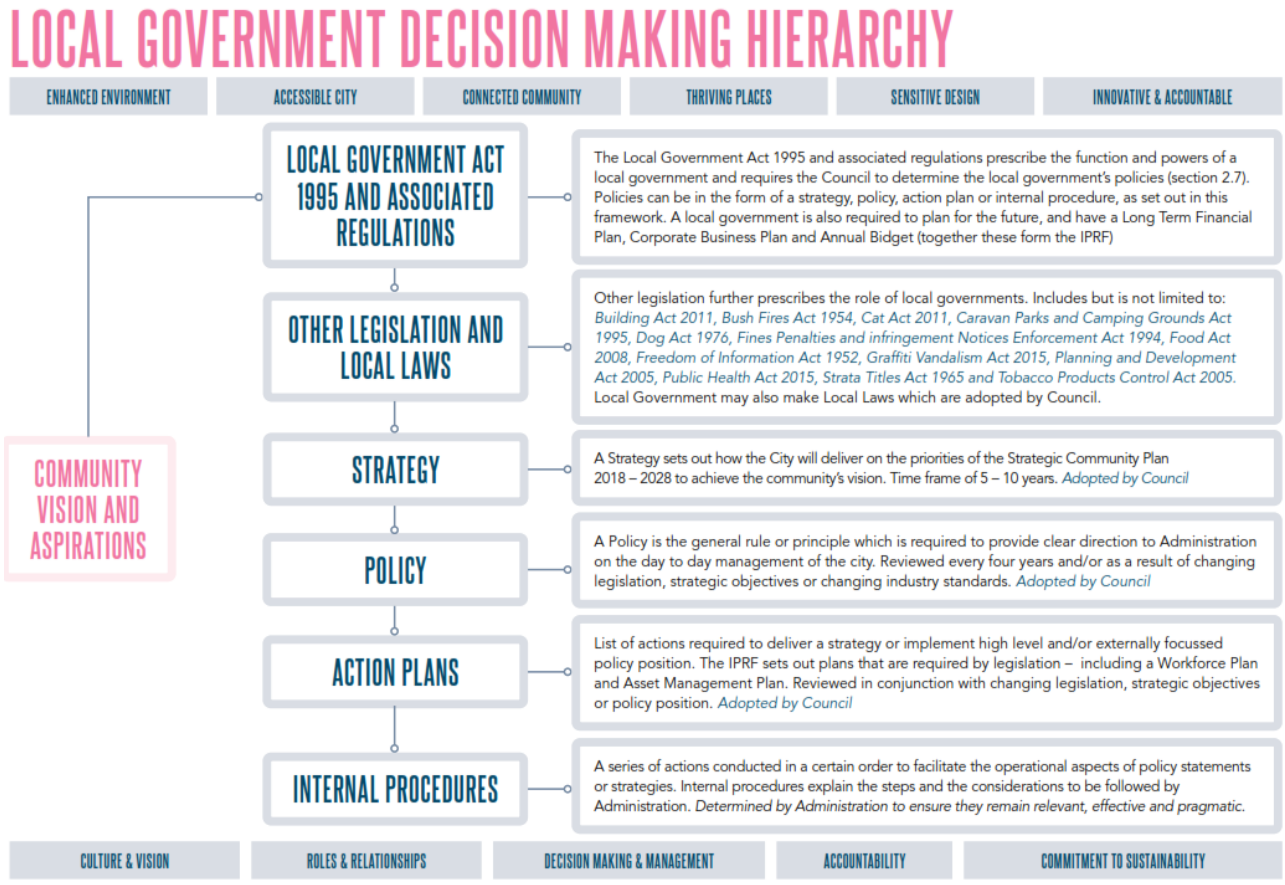
CONSULTATION/ADVERTISING:

No community consultation is required for the repeal of the policy.

LEGAL/POLICY:

There is no legislative or regulatory requirement for this policy. Section 2.7(2)(b) of the Local Government Act 1995 provides Council with the power to determine policies.

The Policy Development and Review Policy sets out the process for the development, review and repeal of the City's policy documents.



RISK MANAGEMENT IMPLICATIONS

Low: It is low risk for Council to repeal the policy as the policy is proposed to be replaced with internal guidance documenting the recording and web streaming process to be followed by Administration, consistent with Council's adopted Policy Development and Review framework.

STRATEGIC IMPLICATIONS:

This is in keeping with the City's *Strategic Community Plan 2022-2032*:

Innovative and Accountable

We deliver our services, projects and programs in the most inclusive, efficient, effective and sustainable way possible

SUSTAINABILITY IMPLICATIONS:

This does not contribute to any environmental sustainability outcomes. This action/activity is environmentally neutral.

PUBLIC HEALTH IMPLICATIONS:

This does not contribute to any public health outcomes in the *City's Public Health Plan 2020-2025.*

FINANCIAL/BUDGET IMPLICATIONS:

Nil.
