12.1	OCM	15/09/2026	Strategic Community Plan 2026 Review	3. REQUEST the Chief Executive Officer to report to Council on the proposed scope, timeframe and community engagement program for the Council plan following commencement of the Council plan regulations.	Carried en bloc 7/0	EDSD	Dependent on Local Government Act 1995 Regulations. No current timing provided by the Department.	
13.1	OCM	15/09/2026	Notice of Motion - Cr Castle - Privacy Safeguards for Smart Glasses at City Facilities	1. NOTES that clause 5.3(l) of the City of Vincent Local Government Property Local Law 2021 prohibits the use of a mobile phone, camera or other recording device to take images or recordings of a person in a change room at a community facility without that person's prior express consent. 2. REQUESTS the Chief Executive Officer to prepare a report for Council considering the privacy, safety and operational implications associated with the use of smart glasses and similar wearable devices with image, video and/or audio recording capabilities at City-owned and managed facilities; 3. REQUESTS that the report consider: a. the adequacy of existing City policies, conditions of entry, codes of conduct and other controls in addressing the use of smart glasses and similar wearable recording devices; b. circumstances in which the use of such devices may create particular privacy, safety or community concerns, including at facilities such as aquatic and recreation centres, libraries, community facilities, change rooms, public toilet facilities and other areas where users may have a heightened expectation of privacy; c. applicable privacy, surveillance and other relevant legislative requirements, together with the City's existing compliance and enforcement powers; d. approaches adopted or being considered by other local governments, public facilities and relevant public organisations; e. practical and proportionate options available to the City, including facility rules, conditions of entry, signage, communications, staff guidance and enforcement protocols; f. how any proposed controls could distinguish between recording that may unreasonably interfere with the privacy of others and legitimate uses of wearable technology, including accessibility and assistive purposes; g. the operational, financial, legal and enforcement implications of any proposed measures; and h. any recommended amendments to City policies, facility rules, signage, conditions of entry or other operational measures. 4. REQUESTS that the report be presented to Council by December 2026. 5. REQUESTS the Chief Executive Officer to consider whether any appropriate interim signage, staff guidance or communications should be introduced at higher-risk facilities while the report is being prepared.	Carried 7/0	EDIE	Going to Council Workshop November 2026	November 2026 Workshop
9.2	OCM	18/08/2026	Proposed Expansion of Public EV Charging Infrastructure in Vincent [ABSOLUTE MAJORITY DECISION REQUIRED]	That Council: Chelmsford Road Car Park Amended Licence 1. APPROVES giving public notice and inviting submissions under the provisions of Section 3.58(3) of the Local Government Act 1995 for the proposed variation of Licence to Evie Networks Property Pty Ltd for the use of four of the car parking bays at Chelmsford Road Car Park (No. 2 Chelmsford Road, Mount Lawley) in accordance with the following amended key terms: Amended licence area: That part of the Land marked for 'Evie' at Chelmsford Road Car Park (2 Chelmsford Road, Mount Lawley) in Attachment 1; Amended licence fee: During the remainder of Initial Term (August 2026 to June 2027) and the Further Term (July 2027 to July 2032) a Licence Fee of $2,685 per annum per bay and increasing by 3% each year will be payable; 2. DELEGATES to the Chief Executive Officer the authority to: 2.1 Consider submissions received under Section 3.58 (3) under the Local Government Act 1995 in relation to the public notice in Recommendation 1 and determining to proceed with the amended Licence Agreement; and 2.2 Negotiate and finalise the terms of the amended Licence Agreement; 3. AUTHORISES the execution of the deed of variation of Licence Agreement in accordance with the City's Execution of Documents Policy; and City Car Park EV Charging Infrastructure 4. NOTES the proposed Expression of Interest for the installation and management of EV chargers within the City's car parks, and that the outcomes of this would be presented to a future Council Meeting for consideration. 5. REQUESTS the Chief Executive Officer to prepare, for Council's consideration alongside the outcome of the Expression of Interest, a high-level business case for the City to install, own and operate electric vehicle charging infrastructure within its own car parks, addressing: 5.1 indicative capital and operating costs, and the car parks and charger types best suited to delivery by the City; 5.2 available external funding, including the State Government Charge Up EV Charging Grants for which local governments are eligible; 5.3 payment, billing and customer support arrangements, including whether the City's existing EasyPark platform can be used; 5.4 electrical capacity at the relevant car parks, any switchboard or network upgrade costs, and any exposure to demand charges under the City's electricity supply arrangements; and 5.5 the resourcing, maintenance and asset renewal implications for the City, and the experience of comparable local governments including the City of Perth; and 6. REQUESTS the Chief Executive Officer to present a report to a future Council Workshop on the outcomes of the Expression of Interest in Part 4 and the high-level business case in Part 5. This is to occur prior to a report being presented to Council for determination of the preferred delivery model, the licence terms, the licence fee methodology and any consequential delegation.	Carried by Absolute majority 8/0	EDSD	1 - Public notice for Chelmsford Road Car Park amended licence to occur in Octoberr 2026. 2 & 3 - To progress following public notice period closing. 4, 5 & 6 - EOI to commence 4 September 2026 and close 19 October 2026. Outcomes of EOI along with high level business case to be presented to be discussed at November 2026 Council Workshop and presented to December 2026 OMC.	1 - Public notice period end of October 2026 2 & 3 - Consideration of submissions and finalise amended licence end of November 2026 4 - EOI end of October 2026 5 - Council Workshop November 2026 6 - OMC December 2026
