

City of Vincent - North Ward - Councillor

CASTLE, Alex

Why do we call Vincent home? For me, as a long term Mt Hawthorn resident, small business owner and mum of two, it's a great place to raise a family and to work, and it has an amazing sense of community.

I'm passionate about being active in our Vincent community. As Vice Chair of the Mt Hawthorn Hub, Street Festival organiser and member of the Mt Hawthorn Primary School P&C and Board, I've seen first hand how together we can get things done. I want to build on this and

ensure our Council listens to all community concerns.

My commitments include: improving our town centres and parks, providing better facilities for our booming youth population, encouraging greater support for seniors, making it easier for people with good ideas to energise our streets and looking after the distinct feel of our neighbourhoods.

I'll be accessible, approachable and always happy to help!
