Contact Details (email or address):

Please identify the key issues and opportunities to be considered as part of the Claisebrook Precinct for each of the following areas of interest. Questions have been provided to help guide feedback but do not need to be answered.

Topic	Comments and Considerations
The Vision	<ul style="list-style-type: none">• How do you vision the area to be?• What would you like to see in the future?
Transport and Access	<ul style="list-style-type: none">• Where should the primary precinct access and egress point/s be?• What provision is needed for cycling and walking?• How can we improve access to public transport?• How should parking be managed as part of the new vision?

Land Use and Built Form	<ul style="list-style-type: none">• What type of land use is supported in the future – residential, commercial, retail, industrial or other?• What scale of development is appropriate?• How do you vision the streetscape?• Where should the greatest area or hub of activity be focused?
Resource Conservation	<ul style="list-style-type: none">• What approach should be taken to adopting resource conservation initiatives?• What are the major issues to be addressed in developing the plan?
Implementation	<ul style="list-style-type: none">• What are the major implementation considerations in translating to a new vision for this precinct?
