CITY OF VINCENT

Company Name	Remill™
Contact Person	Colin
Phone Number	93791800
Email	colin@remill.com.au
Website	www.remill.com.au
Expertise	Remill is a timber milling business utilising recycled timber as the raw material to period match mouldings , flooring and all other aspects of timber machining for heritage or contemporary building. We have a selection of shapes that can replicate those traditional styles. We have supplied many Heritage projects since 1994. An installation service is also available. Please link to the website for more detail.
