### PERMIT CONDITIONS

1. When first applying for the permit, proof of employment must be sighted prior to the issue of permit.
2. Maximum of 3 permits per single house site or 2 permits per grouped dwelling site.
3. Permits are non-transferrable.
4. Permits are only valid in:
  - a. the street where the site is located
  - b. a street that intersects with the street where the site is located
  - c. a street that is immediately parallel with the street where the site is located
    - i. Vehicles with permits parked outside of these areas will be subject to the restrictions governing the section of road in which they are parked
5. Permits do not remove the requirement to comply with the local law for the following areas:
  - a. 30 minutes or less time limit
  - b. No Stopping
  - c. No Parking
  - d. Clearways
  - e. Loading zones
  - f. Footpaths, Driveways or Verges
  - g. Bus or Taxi Stands
  - h. Alfresco Dining Areas
  - i. ACROD bays
  - j. Ticket Machine Zones
6. Permits do not remove the requirement to comply with the Road Traffic Code 2000.
7. Permits do not guarantee a parking space in the Road/Street of the site.
8. The City reserves the right to revoke the Permit at any time.
9. The Permit is valid only until date of expiry.
10. Permits cannot be issued for use on large Commercial Vehicles, with a tare weight of more than 3 tonne.
