CITY OF VINCENT

City of Vincent Modern Cloth Nappy Rebate

To help residents make the switch to Modern Cloth Nappies, City of Vincent is offering a rebate of 50% on the cost of your Reusable Nappy products which are hired, purchased or repaired per financial year, up to a total rebate value of $100.

Disposable nappies contribute to landfill waste, taking hundreds of years to break down while releasing harmful greenhouse gases. Modern Cloth Nappies offer an environmentally friendly alternative by helping to reduce waste. Modern Cloth Nappies can also save money in the long run.

Whether you choose to hire, purchase or repair reusable nappies, each option supports sustainable living.

Aims of the Rebate:

- assist residents to transition from single-use products to Modern Cloth Nappies
- educate residents on Modern Cloth Nappy products and their ease of use
- introduce residents to the opportunity of cost savings that reusable products can provide over time
- divert single use nappy waste from landfill
- reduce consumption of single use products in our community.
