Dear Business operator

RE: FIFA Women's World Cup Australia & New Zealand 2023™ Road Restrictions

On 22 July 2023, the world's largest women's sporting event, the FIFA Women's World Cup 2023™ will kick off across Australia and Aotearoa New Zealand. Perth Rectangular Stadium will host five matches as part of the Tournament.

DATE	KICK OFF	TEAMS
Saturday 22 July 2023	8.00pm	Denmark v China
Wednesday 26 July 2023	8.00pm	Canada v Ireland
Saturday 29 July 2023	8.30pm	Panama v Jamaica
Tuesday 1 August 2023	7.00pm	Haiti v Denmark
Thursday 3 August 2023	6.00pm	Morocco v Colombia

Event planning has commenced in conjunction with the FIFA Women's World Cup 2023™ and the City of Vincent and we have been working through traffic management and road closure measures with a focus on minimising disruption to businesses throughout the period. We can now confirm the below streets will be impacted on match days:

- Pier Street
- Bulwer Street
- Brewer Street
- Wright Street
- Lacey Street
- Smith Street
- Brisbane Street
- Dilhorn Lane

Traffic Management will be in place from three (3) hours prior to each match start time until one and a half (1.5) hours after the match ends. Access to these streets during affected hours will only be available by showing a FIFA Local Access Permit. Permits will be physical, and anyone working at your business who requires vehicle access to your street will be required to present a permit at the checkpoint to allow access.

Permits are required to be hung from the rearview mirror when parked for easy identification on match days. There is a limit of 5 (five) access permits per business. Please refer to the highlighted sections in the attached map in conjunction with the above list to understand if you are required to apply for a permit.

For businesses located on Pier Street, Brewer Street and Bulwer Street (east of roundabout)

There will be **no on-street parking** available during the times listed above. Access will only be permitted to those businesses with private, off-street parking. If on-street parking is required, the issued permit can also be used for on-street parking on other streets listed above.

Please be aware that any vehicles in violation of the on-street parking restriction will be towed.

How To Apply

One member of your business should apply for Local Access Permits for all employee vehicles (up to a maximum of five). These permits will enable access to your business during the affected periods.

Please complete the business permit application form at vincent.wa.gov.au/wwc. If you are unable to complete the form online, please call the City of Vincent on 08 9273 6000.

- Deadline: All requests must be submitted to the City of Vincent by no later than close of business on **23 June 2023**.
- Collection: You will be notified by email when your Local Access Permit is ready for collection. Permits will be available for collection at the City of Vincent Administration Centre, 244 Vincent Street (cnr Loftus Street), Leederville between 8.30am and 5.00pm Monday to Friday.

We will continue to keep you informed of any future event updates as they are confirmed, or you can visit the City of Vincent website for updates at vincent.wa.gov.au/wwc.

Yours sincerely
Perth Rectangular Stadium
