INTRODUCTION

1. Introduction

This document is a register of the delegations, authorisations and appointments of the City of Vincent.

Some legislation confers powers on local governments to allow Council to delegate power to a committee of the local government, the local government's CEO or in limited circumstances other persons or employees.

The purpose of delegating a power is to allow matters that are routine, may have a time constraint or can change rapidly to be dealt with efficiently.

The extent of delegation, conditions that may be applied, records that must be kept and the review and amendment processes depend on the various heads of power in the Acts themselves.

Western Australian legislation may be accessed online at the State Law Publisher's website at <https://www.legislation.wa.gov.au/>.

This register includes:

- Delegations from Council to the CEO;
- Sub delegations from CEO to other employees;
- Appointments of authorised persons; and
- Appointments of other employees.

1.1 The difference between a delegation, 'acting through' another person and an 'authorised person'

A Delegation

Simply put, a delegation is the process prescribed in legislation for assigning authority to exercise an express power or duty from the delegate to another person (named by position title or office) or an entity (the delegate).

Some legislation confers a power directly on a person. A person appointed to a statutory office does not need any further delegation or authorisation in order to fulfil those assigned powers and duties. For example:

- The *Local Government Act 1995* lists statutory offices including Mayor, CEO and Returning Officer;
- The *Public Health Act 2016* assigns duties to Environmental Health Officers;
- The *Building Act 2011* assigns duties to Building Surveyors; and
- The *Local Government Act 1995*, *Cat Act 2011* and *Graffiti Vandalism Act 2016* also allow a local government CEO to delegate any powers or duties assigned to their office.

Acting through another person

Employees do not always need delegations or sub delegations to carry out their tasks and functions on behalf of the local government. Basically a function may be undertaken through the "acting through" concept where a person has no discretion in carrying out that function – the outcome will not be substantially different regardless of the circumstances or who exercised the power.

Section 5.16(4) of the Local Government Act 1995 provides that:

(4) Nothing in this section is to be read as preventing a local government from performing any of its functions by acting through another person.

Similarly, s5.45(2) Act provides that:

Nothing in this Division (Division 4 - Local Government Employees) is to be read as preventing –
a) a local government from performing any of its functions by acting through a person other than the Chief Executive Officer; or b)
a Chief Executive Officer from performing any of his or her functions by acting through another person.

The key difference between a delegation and acting through is that a delegate exercises a decision making function in his or her own right. For example, an employee may pay an account or issue an approval if directed to do so by another employee who has the authority to make such a decision and chooses to “act through” another employee.

Authorised persons

Authorised persons (and who under some Acts do not necessarily have to be employees of the local government but often are) are given powers to do certain things under an Act, Regulation or local law; usually to issue an infringement, make inquiries, enter on to property, issue a notice or to enforce a provision.

In accordance with section 9.10(2) of the Act the CEO may appoint authorised persons for the purposes of 1 or more of the following laws;

1. *Local Government Act 1995*;
2. *Caravan Parks and Camping Grounds Act 1995*;
3. *Cat Act 2011*;
4. *Cemeteries Act 1986*;
5. *Control of Vehicles (Off-road Areas) Act 1978*;
6. *Dog Act 1976*; and
7. subsidiary legislation made under an Act referred above; and written law prescribed for the purposes of section 9.10 of the *Local Government Act 1995*.

The power to appoint an Authorised Officer may reside with the Council or the CEO depending on the legislation. Note that a council can delegate authority to its CEO to appoint authorised persons under legislation; in some Acts an employee or other person holding an office are directly authorised under that Act itself. Provisions vary by Act.

An authorised person, once appointed, is responsible for fulfilling the powers and duties assigned under law to an authorised person, which may be specified or limited in an Act or Regulation, or the certificate of authorisation. An authorised person cannot delegate their powers and duties to another person.

Who may appoint authorised persons depends on the enabling legislation.

Authorised persons may or may not have delegated authority to undertake certain actions – the delegation of authority is a separate matter, although they are included in this register for ease of reference and review.

1.2 The Interpretation Act 1984 – principles of delegation

Section 59 of the Interpretation Act 1984 prescribes the framework for how delegated authority must be structured in Western Australian law. In summary:

1. The written law (head of power) must include an express power to delegate, which specifically enables a person (the delegator) to make a delegation;
2. In that same written law, there must be an express power or duty conferred or imposed on the delegator and it must be capable of being delegated. This means that:
 - a. The power or duty proposed for delegation must be written in the same law as the express power to delegate; and
 - b. That written law must not prohibit the power or duty from being delegated or contain limitations or conditions, which the proposed delegation exceeds.
3. The power to delegate cannot be delegated;
4. Delegations must be in writing (the instrument of delegation); and
5. Delegations must be advised to the delegate in writing.

Note that nothing prevents the delegating body or person from taking back a delegation or sub delegation, or actually making the relevant decision on a particular issue. Similarly, a delegator does not have to exercise the delegation and may refer the decision back to the delegator.

Similarly, section 59(2) provides that:

The delegation of a power shall be deemed to include the delegation of any duty incidental thereto or connected therewith and the delegation of a duty shall be deemed to include the delegation of any power incidental thereto or connected therewith.

Delegation by office or by name Section 53 of the *Interpretation Act 1984* provides that a delegation can be to the holder of an office (whether acting or permanent) or by naming an individual:

Where a written law confers a power or imposes a duty upon a person to appoint or designate a person to —

(a) perform any function; or

(b) be a member of any board, tribunal, commission, committee, council, or other similar body, whether corporate or unincorporate; or

(c) be or do any other thing, that person may make the appointment or designation either by appointing or designating a person by name or by appointing or designating the holder of an office by the term designating his office; and any such appointment or designation of the holder of an office shall be construed as the appointment or designation of the person from time to time holding, acting in, or lawfully performing the functions of the office.

Delegations made by the City are to the holder of an office.

Section 49 of the *Interpretation Act 1984* provides that the officer's powers and duties may be exercised by acting officer

Where a written law confers a power or imposes a duty on the holder of a public office as such, the power may be exercised and the duty shall be performed by the person for the time being lawfully holding, acting in, or performing the functions of the office.

1.3 How this document is structured

Matters that apply generally to delegations and authorisations are set out in this introduction. As there can be differences in legislation, delegations that may be made under various Acts are set out by Act, rather than by employee or organisational structure.

While generally prohibited, some legislation does allow sub-delegation (mainly the Local Government Act) from Council to the CEO, and from the CEO to other employees. Delegations from the CEO to other employees and appointments of authorised persons are listed in other documents.

Each section of this document is structured as follows:

- Guidance notes, including any particular requirements of the enabling legislation of unusual features;
- Delegations from Council to a committee (if allowed by the enabling legislation and if the City has any committees established to deal with the power to be exercised);
- Delegations from the CEO to an employee (or other person if allowed by the enabling legislation); and
- A list of persons authorised to perform certain functions under the enabling legislation.

The individual delegations are set out as follows.

Heading

A snapshot of what it is that is delegated

Delegation from Council to CEO

Most legislation refers to a 'local government'. This heading makes it clear that in this case, this is a delegation from Council to the CEO. Under most Acts, Council can only delegate to the CEO.

Delegator: Power / Duty assigned in legislation to: '*Local Government*' will be the entity in most cases.

Express Power to Delegate: Power that enables a delegation to be made This sets out the head of power in the Act or regulation that allows a power to be delegated; eg

Local Government Act 1995:

s.5.42 Delegation of some powers or duties to the CEO

s.5.43 Limitations on delegations to the CEO

Express Power or Duty Delegated: The section or part of the Act that is being delegated; eg:

Local Government Act 1995:

s.5.50 Making payments to employees in addition to contract or award.

Function: This is a precis only. Delegates must act with full understanding of the legislation and conditions relevant to this delegation. A summary of what is delegated; eg:

The Chief Executive Officer is delegated the power to approve of making payment to employees in addition to their contract or Award.

Council Conditions on this Delegation: This sets out any conditions or limitations; e.g.:

Payments must be in accordance with Council policy 1234

Express Power to SubDelegate: Some legislation allows sub-delegation from the CEO to another employee and some does not.

Local Government Act 1995:

s.5.44 CEO may delegate some powers and duties to other employees

Delegation by CEO to other employees Where subdelegation is allowed, this section sets out who it is to, and what additional conditions might apply.

Sub-Delegate/s: Appointed by CEO

CEO Conditions on this Sub-Delegation: Conditions on the original delegation also apply to the sub-delegations.

Notes This sets out any matters that might relate to the power delegated not covered above, links to policies, local laws or administrative procedures that might apply.

1.4 Exercising delegated authority

Overall requirements

Before using a delegated authority a delegate must familiarise themselves with the legislative framework, conditions and limitations relevant to the statutory power or duty that informs the decisions they will make.

The delegate must also consider and apply local laws, Council decisions, policy, procedures or standards that are relevant to the decisions they are empowered to make.

Conflicts of interest

The City requires persons to whom authority has been delegated to deal appropriately with conflicts of interest.

Section 5.71 of the *Local Government Act 1995* provides that employees must disclose interests relating to delegated functions:

5.71. Employees to disclose interests relating to delegated functions

If, under Division 4, an employee has been delegated a power or duty relating to a matter and the employee has an interest in the matter, the employee must not exercise the power or discharge the duty and — (a) in the case of the CEO, must disclose to the mayor or president the nature of the interest as soon as practicable after becoming aware that he or she has the interest in the matter; and (b) in the case of any other employee, must disclose to the CEO the nature of the interest as soon as practicable after becoming aware that he or she has the interest in the matter. Penalty: \$10 000 or imprisonment for 2 years.

A conflict of interest arises where a personal interest is in conflict with the public interest. Delegates must disclose any conflict of interest which may require them to be removed from the decision-making process.

A delegate must ensure that there is no actual (or perceived) conflict of interest between their personal interests and the impartial fulfilment of their professional duties.

A delegate may also refer the decision making back to the delegator, where they consider there is a risk or sensitivity, which makes it more appropriate for the delegator to make that decision.

The City's Code of Conduct also applies.

Requirement for annual return and disclosures by delegate

An employee to whom a duty or power is delegated under the *Local Government Act 1995* is considered a 'designated employee' under section 5.74(1) of the Act and is required to complete a primary and annual return each year.

Keeping a record of decisions made under delegated authority

In accordance with Section 5.46(3) of the *Local Government Act 1995*, a person to whom a power or duty is delegated is to keep records in accordance with regulations in relation to the exercise of the power or the discharge of the duty. Regulation 19 of the *Local Government (Administration) Regulations 1996* requires a delegate to keep a written record of:

- a. how the person exercised the power or discharged the duty;
- b. when the person exercised the power or discharged the duty; and
- c. the person or classes of persons, other than council or committee members or employees of the local government, directly affected by the exercise of the power or the discharge of the duty.

The City has decided that this applies regardless of the enabling legislation.

A central record of decisions made under a delegation is unnecessary but a record must be kept by the person exercising the power.

A record made that complies with the City's record keeping policy (e.g. a letter or email sent in accordance with that policy) is sufficient.

Ethical and accountable decision making

Delegates are accountable for all decisions that they make and must ensure that those decisions are made with the highest of ethical and professional standards.

2. Delegations made under the Local Government Act 1995

The *Local Government Act 1995 (the Act)* is the legislation most widely used for delegations by local governments.

The Act confers some powers directly on a CEO, and s 5.44 sets out the duties of a CEO.

This part of the register deals with delegations from Council under the Act. Under this Act, Council may delegate authority to a committee or to the CEO.

Council may place restrictions or conditions on the exercise of that power or duty such as a financial amount, to take into

account a policy or direction from Council, or something particular only to the matter delegated.

Delegation from Council to a committee

Section 5.16 of the *Local Government Act 1995* allows Council to delegate by an absolute majority vote some powers and duties to certain committees. This is to be in writing and may be general or as otherwise provided in the instrument of delegation.

Subject to sections 58 and 59 of the *Interpretation Act 1984* —

(a) A delegation made to a committee under s5.16 has effect for the period of time specified in the delegation or if no period has been specified, indefinitely; and

(b) Any decision to amend or revoke a delegation under this section is to be by an absolute majority.

There are limits on delegation of powers and duties to certain committees set out in s5.17:

1. A local government can delegate —
 - a. to a committee comprising council members only, any of the council's powers or duties under this Act except —
 - i. any power or duty that requires a decision of an absolute majority or a 75% majority of the local government; and
 - ii. any other power or duty that is prescribed; and
 - b. to a committee comprising council members and employees, any of the local government's powers or duties that can be delegated to the CEO under Division 4; and
 - c. to a committee referred to in section 5.9(2)(c), (d) or (e)*, any of the local government's powers or duties that are necessary or convenient for the proper management of —
 - i. the local government's property; or
 - ii. an event in which the local government is involved.
2. A local government cannot delegate any of its powers or duties to a committee referred to in section 5.9(2)(f)**.

* A committee comprising:

(c) council members, employees and other persons; or

(d) council members and other persons; or

(e) employees and other persons.

** A committee comprising of other persons only.

Delegation from Council to the CEO

Section 5.42 allows Council to delegate to the Chief Executive Officer the exercise of any of its powers or the discharge of any of its duties under the Act.

It cannot delegate to any other person or employee unless expressly provided for in legislation.

All delegations made by Council to the CEO must be by an absolute majority decision, and must be reviewed at least annually.

Restrictions on delegations from the Council to the CEO

Section 5.43 of the Act restricts what can be delegated by Council to the CEO:

- A power under sections 214(2), (3) or (5) of the *Planning and Development Act 2005* (which relate to a local governments powers to deal with Illegal development);
- Any power or duty that requires a decision of an absolute majority or a 75% majority of the local government;
- Accepting a tender which exceeds an amount determined by the local government for the purpose of this paragraph;
- Appointing an auditor;
- Acquiring or disposing of any property valued at an amount exceeding an amount determined by the local government for the purpose of this paragraph;
- Any of the local government's powers under section 5.98, 5.98A, 5.99, 5.99A or 5.100 (which relate to fees for elected members, an allowance for the Deputy Mayor, meeting fees and reimbursement of expenses, and payments for certain committee members) ;
- Borrowing money on behalf of the local government;
- Hearing or determining an objection of a kind referred to in section 9.5 (which relates to an objection or appeal in response to a decision to grant a person an authorisation under Part 3 or under any local law or regulation that is to operate as if it were a local law; or to renew, vary, or cancel an authorisation that a person has under any of those provisions);

- The power under section 9.49A(4) to authorise a person to sign documents on behalf of the local government;
- Any power or duty that requires the approval of the Minister or the Governor;
- Such other powers or duties as may be prescribed under the *Local Government (Administration) Regulations 1996*, and which are under : o section 7.12A(2), (3)(a) or (4) of the Act (which relate to duties of local government with respect to audits, determine if any matters raised by the audit report, require action to be taken by the local government, prepare a report addressing any matters identified as significant by the auditor in the audit report and advise the Minister); and o Regulations 18C and 18D which relate to the selection and appointment process for CEOs and the local government's duties in relation to a performance review of CEO.
- Regulation 6 of the *Local Government (Financial Management) Regulations 1996* prohibits the delegation of the duty to conduct an internal audit to an employee (including a CEO) who has been delegated the duty of maintaining the local government's day to day accounts or financial management operations.

Delegation from the CEO to another employee

Under s5.44 the CEO may sub-delegate any of these powers and duties functions to another employee, other than the power of delegation itself.

Those delegations are also subject to any restrictions or conditions that the Council may have placed on the delegation to the CEO. The CEO may add further conditions or restrictions, and which also must be reviewed annually.

Parameters are summarised below, as are the delegations themselves. More detail about the particular sections of the Act that apply is also made under each heading.

Payments by Cheque and EFT transactions must be approved jointly by two delegates, one of whom must be the CEO, Executive Director Community and Business Services, Chief Financial Officer, or Financial Controller. 3. Delegates that approve the payment must not verify the liability. The verification of incurring the liability via the purchase order, invoice and evidence of goods / service received, must be undertaken independent of the payment approval.
Statutory framework	Local Government Act 1995 Local Government (Financial Management) Regulations 1996 - refer specifically r.13 Payments from municipal fund or trust fund by CEO, CEO's duties as to etc. Local Government (Audit) Regulations 1996
Policy	Department of Local Government, Sport and Cultural Industries Operational Guideline No.11 – Use of Corporate Credit Cards Department of Local Government, Sport and Cultural Industries: Accounting Manual Guidance notes <i>The difference between incurring liabilities and making payments</i> The following information will assist in understanding the legislative framework that informs: <ul style="list-style-type: none"> • Incurring a liability as a procedural matter subject to CEO authorisations; and

- Making payments as an express (written) statutory power which is capable of being delegated.

Incurring liabilities (procedures and administrative authorities)

Incurring liabilities is not described in the Local Government Act or Regulations as an express power or duty, rather it is only described as a requirement for the Local Government and the CEO to control by developing "systems and procedures" [see FM Regs 5 and 11].

Incurring liabilities is therefore not an express (written) power or duty which is capable of being delegated. The CEO must establish systems and written procedures which give effect to compliance with legislation and purchasing policy and provide appropriate internal controls and risk mitigation for incurring liabilities.

- Issuing a requisition – a requisition is only a proposal to purchase (FM Regs 5 & 11) describing the goods or services required to enable a decision to issue a purchase order. It does not incur a liability as the goods / services may only be provided on the basis of an appropriately issued purchase order. Administrative procedures should establish which positions are authorised to issue requisitions.
- A decision to issue a requisition and therefore a purchase order is informed by other, previous Council decisions, for example – the budget adopted by Council, Council decisions to approve projects or implement policies.
- The decision to incur a liability where a budget provision has been made is part of implementing a Council decision and therefore accords with the CEO's duties under s.5.41(c).
- *Issuing a purchase order* – a purchase order creates a contract between the supplier and the local government. It incurs a liability (FM Regs.5 & 11) provided that the goods or services are ultimately supplied in accordance with the requirements specified in the purchase order. Administrative procedures should establish which positions are authorised to issue purchase orders, with pre-requisite requirements for a purchase order to only be issued, where due diligence confirms:
 - Compliance with the local governments purchasing policy;
 - The committal value of the purchase order is within an appropriate and available budget allocation; and
 - The proposed goods / services / works are within the scope of implementing a Council decision, either specific or generally.
- Using a credit or transaction card (store card, fuel card or corporate credit card) – transaction cards are a method of incurring a liability, with the goods or services received and a statement provided to the local government for acquittal on at least a monthly basis. Procedures should prescribe the positions which are authorised to used transaction cards and the limits and obligations for use for their use when incurring liabilities and the requirements for acquittal of statements to enable payment.
- Verification of a liability
 - Goods / services received – a record that evidences that the goods or services have been received in accordance with the purchase order.
 - Verification of invoice – the charges align with the accepted quote or the contracted schedule of rates as relevant, which have been checked against the record of goods / services received.
 - Verification of transaction card statements – transactions accord with the card holder limits and conditions, transactions are for a proper purpose (not personal) and the goods / services obtained are within the scope of implementing a Council decision either specific or generally.

An element of the internal control is the separation of roles from employees who incur liabilities and those who make payments. This means that a person who has responsibility for incurring a liability should not also be responsible for verifying the liability or approving the relevant payment.

In addition, Council (and also through its audit committee) may form an opinion as to its satisfaction the procedures prepared in accordance with FM 11, when it undertakes its biennial

	<p>review of Internal Controls in accordance with Audit Reg. 17(1)(b).</p> <p><i>Making payments (delegated authority)</i> Financial Management Reg.12(1)(a) prescribes the ability for the Council to delegate to the CEO its power to make payments from the Municipal or the Trust Fund. Financial Management Reg.13 prescribes the procedural matters that the CEO must comply with if the power to make payments is delegated.</p> <p>A payment can only be made, where an opinion has been formed (delegated authority decision FM Reg12(1)(a)) that the goods or services specified in the purchase order have been satisfactorily received.</p> <p><i>Procedural reviews</i> Audit Regulations [r.17(1)(b)& (2)] require the CEO to review procedures and report the outcomes of the review to the Audit Committee at least once in every 3 financial years.</p>
