

VINCENT ACCORD  
*Socialise with Safety*

## STAKEHOLDER AGREEMENT

The Vincent Accord comprises of stakeholders from licensed premises, the City of Vincent, WA Police and other regulatory authorities. The Accord Committee consists of a committed, collaborative group whose aim is to implement strategies that promote the City as a safe place to socialise. The success of the Accord relies on mutual and open communication between all stakeholders.

The Vincent Accord acknowledges that patrons, residents, and the general community have a right to socialise in a safe environment, and should do so without impacting on the rights of others.

The Vincent Accord strategic document specifies the Vincent Accord's principles, aims and strategies, and represents a committed and unified approach. It acknowledges the currently implemented, and supported practices with respect to licensed premises operating within the City of Vincent, including the implementation of the *Liquor Control Act 1988*, and the importance of participating in Drug and Alcohol Education initiatives. Stakeholders/signatories to the Vincent Accord are listed in Attachment A of the document.
