RECONCILIATION ACTION PLAN REPORT 2024 – 2025

Noongar people are the Traditional Owners of the South West of Western Australia. While Noongar is identified as a single language, there are variations in both pronunciation and spelling – Noongar, Nyungar, Nyoongar, Nyoongah, Nyungah, Yungar and Noonga. The City of Vincent use Noongar which is reflected throughout this document except when specifically referring to an external organisation that uses an alternative spelling.

The City of Vincent acknowledges the Traditional Owners of this land, the Whadjuk people of the Noongar nation and pay our respects to the Elders past and present. We recognise the unique and incomparable contribution the Whadjuk people have made and continue to make to our culture and in our community.

We would also like to acknowledge all Aboriginal and Torres Strait Islander Elders for they hold the memories, the traditions, the culture and hopes of Aboriginal and Torres Strait Islander Australia.

We will continue to seek the input of the Traditional Owners.

The land on which we live, meet and thrive as a community always was and always will be Noongar land.

We have continued our commitment to reconciliation, understanding and respect for Aboriginal and Torres Strait Islander peoples with a specific focus on continuing to build relationships with Noongar Elders, businesses and the local community as well as ensuring further commitments to Aboriginal procurement and employment.

We have continued to advance our commitment to reconciliation, understanding and respect for Aboriginal and Torres Strait Islander peoples through the implementation of our Innovate Reconciliation Action Plans.

A key milestone this year was the renaming of Warndoolier, a significant step in our Truth Telling journey. The renaming acknowledges and restores the original Noongar name for the area, honouring the cultural heritage and stories of the Whadjuk people. This initiative involved careful research, consultation and cultural protocol, reflecting the City's ongoing commitment to recognising and celebrating Aboriginal language and history. By reinstating traditional names, the City is helping to strengthen cultural awareness, foster respect and embed reconciliation into the everyday experience of the community.

The City also continued to expand its sphere of influence by engaging Aboriginal cultural knowledge holders to deliver workshops, events and activities. These programs provide meaningful opportunities for the community to connect with Aboriginal culture, history and perspectives, contributing to bridging the gap towards reconciliation.
